PRESENTATION – 2003 CITY AUDIT: Troy Tymesen, Finance Director, and Toni Hackwith, CPA, presented the 2003 Audit report. She noted that the City has a clean report. This means that the City's annual report represents accurately the City's accounting system. The biggest challenge for next year will be the implementation of GASB 34. Ms. Hackwith then compared the past six years activities in the General Fund, Fund Balance, revenues, sources of revenues and the water, wastewater and sanitation accounts. She noted the city's cost for medical insurance, wages, benefits, and PERSI.

PUBLIC COMMENTS:

GARBAGE SERVICE WHEELED CARTS: Barrie MacConnell, 6107 Harcourt Drive, spoke in opposition to the proposed required wheeled carts for garbage service. Rick Seward, 1040 Hill Dr., questioned who would profit from the rental of trash cans, asked if it really is the City's responsibility to monitor garbage cans, and wanted to know if the lease is forever or until the cart is paid. Joe Parker, 2529 Clairborne Lane, spoke in opposition to the wheeled carts. Bud Kirchoff, 2910 Fernan Court, questioned the issue of different amounts of garbage per resident and why can't he buy a wheeled cart. Rod Forceberg, 4224 Holmes Road, opposes the rental of wheeled carts. Joyce Seward, 1040 Hill Dr., asked if the residents could have the option to purchase the can. Ken Gimball,

Waste Management, reported that they are purchasing the wheeled carts and then amortizing them through the end of their contract. He also noted that they would continue to pick up extra garbage placed next to the cans. Troy Tymesen reviewed the fee structure for the proposed wheeled carts. Steve Roberge, Waste Management, reported that he had met with Mr. Tilden (the individual who gave public testimony during the public hearing at the last Council Meeting) and they resolved the issue of his inability to roll the cart uphill.
