

Coeur d'Alene Police Department

2011 Annual Report

Vision Statement

The employees and citizen volunteers of the Coeur d' Alene Police Department are dedicated to the principle of community involvement and interaction with our citizens. Maintaining the quality of life in our community that truly makes this area desirable is important to all of us.

The absence of crime will determine the success of our efforts. We remain committed to the principle of the "people are the police and the police are the people." As our community grows and we all face new and different challenges, our goal is to remain responsive to the needs of the public that we serve.

The Coeur d' Alene Police Department is committed to safe guarding the rights of citizens and preserving the quality of life that we all cherish. You will find no more dedicated and committed employees than the men and women in this department.

2011 Year in Review

Welcome to the Coeur d' Alene Police Department's Annual Report for 2011. We hope that you will find this report helpful and informative.

It is the goal of the men and women of this department to serve the citizens of our city in the most efficient, effective way possible. A vital part of that commitment is to provide as much information as possible to our citizens. Our report is comprehensive and represents the goals and objectives of the police department.

You will find a tremendous amount of public safety and service information in this report. Please feel free to contact us with any thoughts or ideas on how we can improve our service to you. I hope that you will also visit our website for additional information and services that your police department provides.
