

## GREATER COEUR D'ALENE AREA GOVERNMENT/PUBLIC EDUCATION CHANNEL

**MISSION STATEMENT:** To enhance the City's public information and communications system, involve the community in local government decision making, and provide useful public education/government information to general and specialized audiences.

### FUNDING SOURCES

**FUNDING SOURCES:** The Goal of CDATV-19 is to create such a value in the government/ public education channel that it would be self-supporting through the donations and sponsorships of the community.

Tax deductible contributions can be made as a donation or a sponsorship.

If you are interested in supporting CDATV, a tax deductible donation can be made to purchase some of the following equipment:

A. Production Music/graphics/green screen images	\$ 800.00
