

IdahoStars approved for four hours in component 2: Environment,

Curriculum and Practice

CURRICULUM DEVELOPMENT: Introduction to Individualized Curriculum

Attendees of this training will learn developmental stages, temperaments, learning styles of children and identify their teaching style. They will take this information and learn how to create developmentally appropriate curriculum that is responsive to the needs of their students.

This training sponsored by:

**FAMILY SUPPORT SERVICES OF
NORTH IDAHO, LLC**

Family Support Services of North Idaho is committed to improving the quality of early care and education settings in our community.

412 E. Mullan Avenue
Post Falls, ID 83854

We offer program specific training and consultation in early childhood education.

Attendees should come prepared to have a fun hands on learning experience including three hours of training and a follow-up exercise to apply training concepts to their practice with young children.
