

## CITY OF COEUR D'ALENE

710 East Mullan Avenue, Coeur d'Alene ID 83814-3934

### Designated Manufactured Homes

**Designated manufactured homes** are HUD/FHA approved manufactured homes that meet the following additional criteria:

1. Multi-sectional (i.e., double/triple-wide) and a minimum of 1,000 square feet.
2. Set on an excavated and backfilled foundation with the home not more than 12" above grade.
3. A roof pitch with a minimum slope of 3:12. Snow load 40 pound.
4. Exterior roofing and siding materials which in color, material, and appearance is similar to that which is commonly used in the community or used on surrounding homes.
5. A garage or carport construction of like materials; however, a garage is *required* if abutting neighbors have garages. If you intend to place the structure within 6' of your home, the manufacturer needs to be notified to ensure that the home and garage are in compliance with HUD.
6. In addition, the home is subject to any standards and requirements a conventional home on the same lot would be subjected.

**Designated manufactures homes** are allowed in all residential and commercial zoning districts with the City, except where prohibited by private restrictive covenants.

**Improvements you may be required to provide** are:

1. Two paved 9' x 20' **off street parking spaces** with carport. Please note that you must provide a garage if your abutting neighbors have garages.
2. A **paved driveway** is required.
3. Five foot concrete sidewalks and curbs are required for the street frontages of your lot.
4. Your front and street side yards must be **landscaped**.
5. For questions about the paving or sidewalks, please contact the Engineering Department at 769-2283.
6. For questions about the landscaping, please contact the Planning Department at 769-2274.
