

PARKING GARAGE CONCEPT - VIEW FROM INTERSECTION OF 4TH AND CDA AVE.

Spend a small part of your evening with us learning about the Downtown Parking Garage Project!

Members of the project steering committee, including City of Coeur d'Alene staff, ignite CDA board members and staff, and Miller Stauffer Architects will be on hand to answer questions and discuss the project.

Learn About:

- The City's downtown parking challenges and opportunities
- How a garage will help meet the needs of today and tomorrow
- The goals of this project and how the design meets these goals
- General project information
- What this project means for economic development
