

You are invited to explore downtown and enjoy a variety of art pieces on loan from local and national artists. Each piece is a unique original available for purchase to add to your collection.

ArtCurrents is popular public art placement program in which the City leases works of art in a call-for-art process. A stipend is paid to artists who agree to have their art placed in the community on loan for one year. The art is offered for sale, and the City receives a 25% commission from the sale.

There are currently 12 art pieces which were chosen by a selection committee and are on display along Sherman Avenue, Lakeside Avenue, City Park, and in Riverstone Park.

The Vision The citizens of Coeur d'Alene are committed to build an exceptional collection of public art - art that defines the community and distinguishes it from others, complementing Coeur d'Alene's many attributes and serving for posterity.

The Purpose To improve the cultural environment of the City of Coeur d'Alene, enhance the growth of industry and commerce, and partner with various art organizations to ensure the role of arts in the community.

The Coeur d'Alene Arts Commission has been charged by the Coeur d'Alene City Council to *stimulate and encourage, throughout the city and surrounding area, the study and presentation of the performing and fine arts and public interest and participation.*
