CONSENT CALENDAR
The Mayor and Council of the City of Coeur d’Alene met in a regular session of said Council at the Coeur d’Alene City Library Community Room on May 2, 2023, at 6:00 p.m., there being present the following members:

James Hammond, Mayor

Dan Gookin       ) Members of Council Present
Dan English      )
Woody McEvers    )
Amy Evans        )
Christie Wood    )
Kiki Miller      )

CALL TO ORDER: Mayor Hammond called the meeting to order.

PLEDGE OF ALLEGIANCE: Councilmember McEvers led the pledge of allegiance.

PRESENTATION: Mayor Hammond read and proclaimed May as Bike to Work Month within the City of Coeur d’Alene. Pedestrian and Bicycle Advisory Committee City Liaison Monte McCully and Committee Member Dave Passaro accepted the proclamation. Mr. Passaro thanked the Mayor and Council for the proclamation and provided a short presentation on Bike Month activities the Pedestrian and Bicycle Advisory Committee had planned for May. He said they encouraged everyone to bike to work and explained the many benefits of biking. He invited the community to join in for the festivities and encouraged Council to bike to their next meeting on May 16, and everyone to bike to work on Friday, May 19.

Mayor Hammond said he had been asked to read a proclamation for Pride in the Park at their June event and wanted to read a short excerpt of the proclamation to note that the City of Coeur d’Alene has enacted legislation prohibiting discrimination on the basis of sexual orientation and gender identity/expression.

ANNOUNCEMENTS:

Councilmember English said he had met with Mr. Fillmore of the Dark Sky Organization and had received sample ordinances he would be sharing with Council at a later time. He noted he had attended the Crisis Intervention Team training provided by the City of Meridian’s Police Department, it was very informative, and he saw the potential of the training. He would be checking in with the City’s Police Department to see if the training would be beneficial to them as well.
Councilmember McEvers reminded everyone to vote on May 16, and hopefully support School District #271’s levy.

Councilmember Gookin noted the City’s sewer bill rates had gone up which was due to the recently updated fees. He said he was supportive of the changes on how rates were determined as previously some users were subsidizing other low users. He said in regard to upcoming events he had previously asked staff to look into event fees as he felt there was an unfair burden on city resources and asked if there had been any updates.

CONSENT CALENDAR:

1. Approval of Council Minutes for the April 18, 2023, Council Meeting.
2. Approval of General Services/Public Works Committee Meeting Minutes for April 24, 2023.
3. Approval of Bills as Submitted.
4. Authorization of the Abandonment of Easement through Sunrise Addition
5. **Resolution No. 23-026:** A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO APPROVING THE FOLLOWING: AGREEMENT WITH NORTH IDAHO BMX, INC., D/B/A CHERRY HILL BMX, FOR RACES AND EVENTS AT CHERRY HILL PARK; AGREEMENT WITH THE COEUR D’ALENE DOWNTOWN ASSOCIATION, INC., TO PERFORM CERTAIN SPECIFIED DUTIES WITHIN THE DOWNTOWN CORE FOR THE AMOUNT OF $63,000.00 ANNUALLY; MEMORANDUM OF UNDERSTANDING WITH KOOTENAI COUNTY FOR A FIVE-YEAR, FIXED FEE STRUCTURE FOR USE OF THE SPILLMAN PUBLIC SAFETY SYSTEM; INTERLOCAL CONTRACT FOR COOPERATIVE PURCHASING PROGRAM WITH H-GAC; AND DONATION AGREEMENT WITH KOOTENAI COUNTY FIRE & RESCUE (KCFR) FOR THE USED SCBAS TO KCFR AND A 2017 FORD EXPLORER SUV TO THE CITY

**MOTION:** Motion by McEvers, seconded by Miller, to approve the Consent Calendar as presented, including Resolutions No. 23-026 and 23-027.

**ROLL CALL:** English Aye; Wood Aye; Evans Aye; Miller Aye; McEvers Aye; Gookin Aye. Motion carried.

**PUBLIC COMMENTS:**

Justin O’Connell, Coeur d’Alene, made comments in regard to political issues.
Shon Hocker, Coeur d’Alene, thanked the Mayor and Council for all they did for the citizens of Coeur d’Alene. He thanked them in advance for their consideration of the resolution in support of the CDA School District levy vote. He noted the levy was important and funded 25% of operating expenses. He said the District was a top achiever but there was additional work to do in their pursuit of academic excellence.

Randy Neal, Coeur d’Alene, read Idaho Code § 74-604, Public Funds Prohibited, which prohibits the use of public property or resources to advocate for or against a candidate or ballot measure. He said the levy wasn’t the dire situation the school would have one believe as Governor Little’s budget had increased school funding. He noted there were those in the community who were vulnerable and lived on a budget. He said the school district had asked for additional funding over the amount of the previous levy and wouldn’t even consider a lower amount.

Caylee Neal, Coeur d’Alene, stated the school district levy was for $25 million, and the school already received adequate funding from the state. She noted it wasn’t fair to threaten the kids with no school activities if the levy failed.

RESOLUTION NO. 23-028

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, URGING ALL CITIZENS TO REGISTER TO VOTE AND TO CAST A BALLOT IN SCHOOL DISTRICT NO. 271’S SUPPLEMENTAL LEVY ELECTION ON MAY 16, 2023, AND EXPRESSING SUPPORT FOR THE LEVY AND THE SCHOOL DISTRICT.

STAFF REPORT: Troy Tymesen, City Administrator requested the Council adopt the Resolution urging citizens to vote in the upcoming Supplemental School Levy election and supporting the work of School District No. 271 in educating the communities children. He said School District No. 271 was the 6th largest school district in the State of Idaho and the second largest employer in Kootenai County, encompassing much of the County and serving over 10,000 students in 19 schools. He noted it had a nearly 90% graduation rate, and offered advanced placement and career/technical programs. He said the ten-year safety and maintenance levy failed in an election held in August 2022, with fewer than 11,000 voting. This represented a voter turnout of roughly 17%. The levy would have provided funds for deferred maintenance projects, including replacement of aging heating and cooling systems, roofs, water heaters, flooring, sound systems, alarm systems, door locks, and security cameras. He noted the indefinite supplemental levy for operations and five-year levy for safety and maintenance were also defeated in the March 2023 election which saw a voter turnout of only about 28%. The supplemental levy for operations and maintenance was intended to replace the current 2-year levy which expires on June 30, 2023, and would have provided approximately 25% of the School District’s operating budget as the State of Idaho only provides funding to cover about 75% of the operating budget. Operating costs for the School District include such things as the CDA Police Department’s School Resource Officers and additional security, services and supplies, textbooks and learning materials, staff training, school nurses and mental health support, libraries and special education services, technology and software, maintenance and transportation, athletics and extracurricular activities, and compensation for teachers and staff. He said that following the defeat of the March levies, the
School District Board of Trustees declared a financial emergency on April 21, 2023. The declaration, according to the Board, paves the way for significant operating budget cuts in the coming year and, in an effort to avoid those cuts, the School District had proposed a new supplemental levy for two (2) years at $25 million per year. The election for that levy will be on May 16, 2023. He explained that under the levy that expires on June 30, $76.17 per $100,000 of taxable assessed value has been added to a homeowner’s property tax bill. If the proposed supplemental levy is approved, the tax is expected to increase by $19.04 per $100,000 of taxable assessed value for the first year, or 19 cents per $1,000. For a house assessed at $300,000, the tax under the current levy is $168.00 per year. If the new levy passes, the tax would be $201.25, an increase of less than $4 per month. He said that if the supplemental levy did not pass, the School Board predicted that schools will be severely impacted by the potential loss of four (4) Campus Security Officers, nine (9) School Resource Officers, 114 Elementary School Employees, 39 High School Staff, 32 Middle School Staff, 28 District Office Staff, 25-50 Elementary School Employees (if schools are closed), 16 Kindergarten Teachers, 16 Librarians and Library Managers, three (3) Athletic Directors, and KTEC Funding. He said that a safe, secure, and quality educational experience for young people enriches and enhances the City for the benefit of all of its citizens, not just for those with school-age children and grandchildren, but for all those who call Coeur d’Alene their home.

DISCUSSION: Councilmember Wood said that, as individuals, Council members were free to express what they may or may not do and she would be voting yes on the levy. She said there would be dire circumstances if it is not supported, and she hoped other individuals would do the same. Councilmember English said in the past the levy was better clarified and he didn’t feel it was proper for Council to take a position on the levy. He said in order to pass the resolution it would need to be amended. He noted he was in support of the issue at large and supportive of encouraging the community to vote. Councilmember Evans said she would be voting yes on the levy and encouraged citizens to do so as well. She suggested citizens research the facts on the school district website. She noted her children had attended the strong public school system and the levy was critical to the school. Councilmember Gookin said he agreed with Councilmember English that it wasn’t appropriate to comment on the levy. He said he liked to talk about jobs and, when employers look at an area, they look at many aspects and a major area was education. He said it weighed heavy on communities if education wasn’t supported. He noted if you wanted to see high paying jobs come to the area, potential employers needed to see a sense of community support. He said it was important to get out and make an informed vote. Councilmember Miller encouraged the community to get out and learn the facts of the levy. She noted it wasn’t appropriate for Council to take action on the part of the resolution which supported the levy. She noted as a citizen she was in support of the levy.

MOTION: Motion by Gookin, seconded by Miller, to take no action on Resolution No. 23-028. Motion failed.

DISCUSSION: Mayor Hammond noted the resolution should be amended to strike the verbiage related to support of the levy, and keep the language which encouraged the community to exercise their right to vote. Councilmember English said he read the proclamation as encouraging the community to vote and that Council should remove the language which referred to School District and support of the levy, and asked City Attorney Adams if that would meet legal requirements.
Mr. Adams responded the resolution would be appropriate with the amendments. Councilmember Gookin stated he would be in support of a resolution encouraging citizens to vote in the levy election, but not a resolution with references to the school district or support of the levy. Mayor Hammond clarified they would be striking any verbiage in the resolution which expressed support of the levy.

**MOTION:** Motion by Evans, seconded by English, to approve Resolution No. 23-028 – Urging all citizens to register to vote and to cast a ballot in School District No. 271’s supplemental levy election being held on May 16, 2023.

**ROLL CALL:** Wood Aye; Evans Aye; Miller Aye; McEvers Aye; Gookin No; English Aye. Motion carried.

**RESOLUTION NO. 23-029**

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, ACCEPTING THE BID OF AND AWARDING A CONTRACT TO APOLLO, INC., FOR THE WASTEWATER DEPARTMENT’S SOLIDS BUILDING IMPROVEMENTS PROJECT IN AN AMOUNT NOT TO EXCEED $5,441,903.00.

**STAFF REPORT:** Mike Becker, Wastewater Capital Program Manager requested Council accept the low bid and award a contract to Apollo Inc., for the City of Coeur d’Alene (City) Wastewater Department’s Solids Building Improvements Project in the amount of $5,441,903.00. He said the Solids Building Improvements Project was a planned multi-year project and included taking over the contract and payment obligation to GEA for procurement of centrifuge, replacement of belt filter press with owner-furnished centrifuge (dewatering) equipment, expansion and enclosure of building for future dewatering equipment and larger loadout area, replacement of polymer injection system, installation of new conveyors from centrifuges to loadout area for larger trucks, construction of biological trickling filter odor control and mitigation system, installation of a new mixer and floating geosynthetic cover within centrate tank, and miscellaneous HVAC, piping, valving, electrical, communication and software integration. He mentioned that based on the HDR Engineer’s review of bids, the responsive and low bidder was Apollo, Inc. The Wastewater Department also found their bid proposal complete and in order, and has budget authority for the multi-year project. He noted that currently, $1.4 million had been allocated for the first year of the project, and the Department would budget accordingly in the following Fiscal Year 2023/2024. He mentioned Apollo, Inc., had previously completed two major treatment plant projects, was in good standing with the Idaho Secretary of State, and holds the appropriate Idaho public works license. He requested Council award the contract to the low bidder Apollo, Inc.

**DISCUSSION:** Councilmember Wood asked if the project was currently budgeted, with Mr. Becker responding it was budgeted in the current fiscal year, as well as the next, as it will carry over two fiscal years.
MOTION: Motion by Gookin, seconded by McEvers, to approve Resolution No. 23-029 – approving a Contract with Apollo, Inc., for the Solids Building Improvements Project, in the amount of $5,441,903.00.

ROLL CALL: Evans Aye; Miller Aye; McEvers Aye; Gookin Aye; English Aye; Wood Aye. Motion carried.

RESOLUTION NO. 23-030

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, AUTHORIZING A MEMORANDUM OF UNDERSTANDING WITH COEUR D’ALENE SUNRISE ROTARY CLUB FOR THE PURCHASE AND INSTALLATION OF RECTANGULAR RAPID FLASHING BEACONS (RRFBs) FOR WOODLAND MIDDLE SCHOOL

STAFF REPORT: Chris Bosley, City Engineer requested Council approve the Memorandum of Understanding (MOU) with Sunrise Rotary for the purchase of Rectangular Rapid Flashing Beacons (RRFBs) for Woodland Middle School. He said that over the past several years, Sunrise Rotary had helped improve student safety at many local schools through the purchase of RRFBs to enhance crosswalks. He noted the Streets & Engineering Department (Department) had partnered with Sunrise Rotary each time on the installation of the RRFBs, which included striping the crosswalks and completing any other necessary improvements for accessibility. He said that Sunrise Rotary had helped fund the RRFBs at Fernan Elementary, Winton Elementary, Bryan Elementary, and Borah Elementary. He mentioned the installation of RRFBs would improve pedestrian safety, driver yielding, as well as encourage walking to the school. The Department would like to continue the relationship with Sunrise Rotary by signing the MOU for the purchase of RRFBs for Woodland Middle School.

MOTION: Motion by Wood, seconded by Evans, to approve Resolution No. 23-030 – Approving a Memorandum of Understanding with Sunrise Rotary for purchase and installation of a pair of Rectangular Rapid Flashing Beacons (RRFBs) for Woodland Middle School.

ROLL CALL: Miller Aye; McEvers Aye; Gookin Aye; English Aye; Wood Aye; Evans Aye. Motion carried.

RECESS: Motion by McEvers, seconded by Miller, to recess to May 8, 2023, at 12:00 Noon in the Library Community Room, located at 702 E. Front Avenue for a workshop regarding Fiscal Year 2022-2023 General Fund, Fund Balance. Motion carried.

The meeting adjourned at 6:48 p.m.

STAFF PRESENT: Troy Tymesen, City Administrator; Randy Adams, City Attorney; Renata McLeod, Municipal Services Director/City Clerk; Vonnie Jensen, Comptroller; Tom Greif, Fire Chief; Melissa Tosi, Human Resource Director; Michael Priest, Library Director; Bill Greenwood, Parks & Recreation Director; Hilary Patterson, Community Planning Director; Lee White, Police Chief; Todd Feusier, Streets & Engineering Director; Mike Anderson, Wastewater Superintendent; Terry Pickel, Water Superintendent; Kelley Setters, Deputy City Clerk; Justin Kimberling, Assistant Streets Superintendent; Jeff Walther, Police Captain; Dave Hagar, Police Captain; Kyle Marine, Assistant Water Superintendent; Stephanie Padilla, City Accountant; Sherrie Badertscher, Executive Assistant.

CALL TO ORDER: Mayor Hammond called the meeting to order and noted that the purpose of the meeting was to provide an update on short-term rentals (STRs), special events, and the General Fund-Fund Balance.

PARADES/SPECIAL EVENTS: Municipal Services Director Renata McLeod presented the history of parades and special events. She noted on July 2022, Council had requested the code sections be combined, the fee schedule reviewed, and contracts considered for high-impact events. She said many City departments had met to discuss the high-impact events and had formulated a contract, which included a traffic safety plan, to be used for events. She said the new contract was first used for the St. Patrick’s Day Parade in March as a pilot project, since it was a lower impact event. The group also discussed the Municipal Code sections to combine which included Chapters 4.25 Parks and Public Property Regulations, 4.30 Activities on Public Property, 5.44 Outdoor Assemblies – Private Property, 10.60 Parades, Special Events and Public Assemblies, 5.25 City Streets Loud Speaker permits, and 5.75 Concessions. She noted event permit fees were determined by the number of participants, hours, and length of event.

DISCUSSION: Councilmember English asked why the Pride in the Park event participants had doubled for 2023, with Mr. Greenwood responding the sponsor of each event provided the estimated number of participants. Councilmember Gookin asked why it wasn’t considered a high-
impact event, with Mr. Greenwood responding they used a formula to determine the impact which was dependent on the number of attendees, vendors, and number of City staff needed. Chief White said it was difficult for the Police Department to balance needs and could not charge an event organizer for costs associated with counter-protest groups. Councilmember Wood asked if the Ironman organizers were taking over security needs for their 2023 event, with Mr. Tymesen responding the City would have an opportunity to renegotiate the contract once the existing one ended in October 2023, and security needs would be looked at during future negotiations. Councilmember Miller asked if the City could provide training to organizations and was it included in what the City charged for events. Chief White said it cost his department approximately $72,000 to staff Car d’Lane, Ironman Race, July 3rd and 4th activities, Art on the Green (College Campus Event), and the Holiday Winter Lighting event. Chief Greif said the Fire Department’s staffing costs were roughly $40,000 for the same events. Councilmember Gookin stated that the cost of public safety was not included in what the City charged for events. Chief White said it cost his department approximately $72,000 to staff Car d’Lane, Ironman Race, July 3rd and 4th activities, Art on the Green (College Campus Event), and the Holiday Winter Lighting event. Chief Greif said the Fire Department’s staffing costs were roughly $40,000 for the same events. Councilmember Gookin said the permit fee should include the cost of providing public safety. Ms. McLeod noted that Council’s prior direction was to not increase the fees to the point of causing the event to shut down. She noted that staff could research comparable fees at other cities. Councilmember English said that events should be reviewed to see if they were commercial-type events. Mayor Hammond suggested the City could discuss costs with the organizations and see if they would like to continue their events. Chief White noted the 4th of July’s daytime event (parade) was very low-impact and it was the after-parade events which were high-impact for his department. Councilmember Wood noted the Art on the Green event organizers had almost tripled its permit price to vendors. Councilmember Wood asked Downtown Association Director Emily Boyd if a fee could be added to each booth rental for downtown events, with Ms. Boyd responding their vendor rate was already substantial and she didn’t feel an additional increase would be digestible to the vendors. She noted a minimal fee to vendors would probably be okay. Ms. Boyd said the Downtown Association events were community driven, family friendly events, and many small street events were given a break in fees.

SHORT-TERM RENTALS: Ms. McLeod stated the current number of short-term rental (STR) permits issued in 2023 was 560, and current data showed 683 were being advertised in Coeur d’Alene, and 53 whose status had not yet been determined. She said the 24/7 hotline was ready to launch and her department would send out a press release, email stakeholders, mail postcards to abutting property owners, and include information in the City’s May utility bills. She noted staff was currently working on mapping the areas in order to provide data at a future stakeholder meeting.

BUDGET DISCUSSION: Comptroller Vonnie Jensen said the City’s Fund Balance represented the difference between assets and liabilities defined at the end of the fiscal year. She noted there
were three (3) categories used to describe Fund Balance: Restricted, Committed, and Assigned Fund Balance. She said the 2022 Fund Balance History should show $6,400,000 million, and not $11,880,092 million, as American Rescue Plan Act (ARPA) revenue must be recorded in the year it was spent and staff would be updating the report to reflect the change in accounting. She went over the Restricted and Committed fund balance items. She mentioned the Assigned Fund Balance should also include $400,000 for the Streets Department Building Remodel project. She noted the Government Finance Officers Association recommends at minimum governments maintain a fund balance of no less than two-months of operating expenditures which in the City’s case equaled 16.7% of the total budget. She said the Fund Balance for 2022 may change slightly yet has increased roughly $2 million and was similar to the previous 5 years and the City had used approximately $700,000 of fund balance last year which was actually a good thing as early estimates showed using $1.2 million. She noted if the City continued to fund capital purchases using the Fund Balance, the Fund Balance would be depleted within two years to below the recommended 16.7% of reserves. Councilmember Wood asked where Lake District URD funds were assigned, with Ms. Jensen responding they had not been assigned to projects yet as Council would need to make that determination. She went over the City’s ARPA funded projects and mentioned large projects included: IT-Network Replacement Project, Legal Department Case Management System, Street Department’s flooring & lighting, Police Station expansion, Fire Department’s new self-contained breathing apparatuses (SCBAs) & personnel bonuses. She noted there were many projects happening throughout the City. Councilmember Gookin asked if the dump truck for the Street Department was budgeted at $250,000 or was it more, with Ms. Jensen responding it was actually $350,000. Councilmember Wood asked the status of the Police Station expansion, with Chief White stating the architect had provided preliminary drawings, and most of the expansion would be for new locker rooms and the existing locker room would be demolished and replaced with office space for 13 staff members.

City Administrator Troy Tymesen said there were dedicated dollars in ARPA which could be used for housing and staff were working with a local non-profit on a housing project, and Councilmember Miller was working on another project as well. Councilmember Miller mentioned she had been involved in the Lake City Senior Center project yet it would not materialize in time to be able to use ARPA funds. She said the HomeShare Kootenai County Program had become a non-profit and were in need of funds to help with marketing until their next grant cycle. She noted ARPA funds had been used in multiple states for housing. She noted HomeShare Kootenai County currently needed $35,000 for marketing and $15,000 for administrative costs. She said a large pool of applicants was needed in order to make appropriate matches in the program. Councilmember Gookin asked if the program was within the City of Coeur d’Alene, with Councilmember Miller responding marketing would be to targeted areas. She mentioned the Lake City Playhouse had an insurance funded rebuild they were working through and needed assistance in the amount of $20,000 in order to keep the historic building and help launch their reopening. Councilmember Gookin said he was in support of helping non-profits with the use of ARPA funds.

Councilmember Wood asked what would it take for several entities such as the City, County, School District, College, and Hospital to develop a long-time plan to build employee housing, would it be legal and could it be restricted to just City employees, with Mr. Adams responding he wasn’t sure and he would research the matter. He mentioned that public property could not be used for private business. Councilmember Miller said in her research and experience with the
Regional Housing and Growth Issues Partnership, it could be done. She mentioned there were land use programs which placed land in trust and deed restrictions for protected classes were allowed.

Councilmember Gookin asked if departments continued to have issues hiring for positions due to the cost of housing. Chief White said his department vacancies they were in the process of filling and some applicants were coming from out of the state. Chief Greif said his department hadn’t had any problems with new recruits. Mr. Pickel said the Water Department continued to struggle to fill operator positions. Mr. Feusier said the Streets Department hiring issues were due to the starting salaries. Ms. Tosi said that recent recruitments were going better as more people were applying. She also noted that out of state applicants weren’t generally open to the City’s entry level pay structure. Mr. Greenwood noted the Parks Department’s had recently hired three (3) applicants who were locals.

Councilmember Miller said she continued to work on housing issues and recently short-term rental demand had started to decline.

Councilmember McEvers asked if the ARPA funds were used for housing, would it be one-time funding? Councilmember Miller responded her two (2) proposals were for one-time asks. Councilmember Miller asked what were the next steps for assigning ARPA funds, with Mr. Tymesen responding a staff report would be brought forward to Council for the HomeShare Kootenai County program funding, and that the Lake City Playhouse would need to bring in a business plan showing insurance paid items, their operating expenses, and a strategic plan for reopening.

Mayor Hammond asked when the budget would be brought forward, with Mr. Tymesen responding Ms. Jensen had multiple budget meetings scheduled with departments in the next 6-weeks.

Councilmember Wood asked if the Lake District URD funds would be brought forward during the next budget discussions, with Mr. Tymesen responding that at this time the money wasn’t assigned and he would like to use the funds for 15th Street improvements and not use the one-time monies for ongoing budget expenses. Councilmember Wood said she was looking for direction on how to bring items forward to use URD funds.

Mayor Hammond noted there had been some personnel contract commitments made last year which created some concern moving forward.

Mr. Feusier mentioned the 15th Street project (Harrison to intersection at Best/15th) would be brought to Council within the next couple weeks and included paving and mill, movement of water and stormwater lines, installation of bike paths and sidewalks. He said the initial estimate received was for $7 million, but he expected future estimates to come in at a lower price. He said the Ramsey Road paving project would go out to bid next week, and included the areas of Northwest Blvd, Lakewood to Appleway, and Ramsey, Hanley to Kathleen. Mayor Hammond asked if the swale would be removed, with Mr. Feusier responding it would.
ADJOURN: Motion by Gookin, seconded by Wood, that there being no other business, this meeting be adjourned. Motion carried.

The meeting adjourned at 1:08 p.m.

DATE: MAY 16, 2023
FROM: KYLIE MARINE, ASSISTANT WATER DIRECTOR
SUBJECT: REQUEST TO ACCEPT THE BID FOR ORION ME RADIO READ HEADS

DECISION POINT:
Should City Council approve the lowest responsive bid and award a contract to Badger Meter for purchase of new water meter components?

HISTORY:
The Water Department began the Meter Change Out Program (MCOP) in 2005 due to significant undocumented water loss. Now the Water Department has an annual MCOP plan that will eventually replace all 20,000 meters in the city over a 10-year cycle as this is the typical lifespan of an average water meter radio read battery. Once a meter reaches 10 years it may lose accuracy along with imminent battery failure and the Orion radio read ceases to work. The City changes an average of 2000 meters a year, depending on the location. It is recommended under AWWA standards that water meters be replaced or rebuilt once they reach above a 3% loss of water recording accuracy which is on average 8 to 10 years.

FINANCIAL ANALYSIS:
The only responsive bid was received from Badger Meter in the amount of $281,230.70. This includes one thousand (1000) cellular endpoints, five hundred seventy (570) ¾ inch registers, twenty-five (25) 1-inch meter registers, fifteen (15) 1.5-inch registers, thirty-five (35) 2-inch meter registers, six (6) 3-inch compound meters, six (6) 4-inch compound meters, nine (9) 3-inch turbo meters, two (2) 4-inch turbo meters and thirty (30) HRE LCD registers. The 2022-23 FY budget line item is set at $425,000.00 so this bid falls well under budget.

PERFORMANCE ANALYSIS:
As previously mentioned, the city has about 2000 meters that have reached their life expectancy. Once an older meter has been removed it will be tested and/or rebuilt to be re-installed the following year, if financially feasible to rebuild depending on the size and condition of the meter. The Water Department has completed meter testing and has completed a list of parts needed for this year’s meter replacement program. With the replacement parts the Water Department can rebuild 1698 meters to be reused in the system this summer.

DECISION POINT/RECOMMENDATION:
City Council should award lowest the responsive bid and approve a purchase agreement with Badger Meter for acquisition of new Orion ME Radio Read heads, water meters and components.
RESOLUTION NO. 23-031

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, ACCEPTING THE BID OF, AND AWARDING A CONTRACT FOR THE PURCHASE OF NEW ORION ME RADIO READ HEADS, WATER METERS AND COMPONENTS, TO BADGER METER, INC., IN AN AMOUNT NOT TO EXCEED $281,230.70.

WHEREAS, the City heretofore duly advertised invitation for bids for the purchase of new water meter components in Coeur d’Alene, Idaho, and said bids were opened as provided in said advertisement in the office of the City Clerk on Thursday the 27th day of April, 2023, and the lowest responsive bid received was that of Badger Meter, Inc., in the amount of Two-Hundred Eighty-One Thousand, Two-Hundred Thirty and 70/100 dollars ($281,230.70), and it is in the best interests of the City of Coeur d’Alene and the citizens thereof that said bid be accepted.

NOW, THEREFORE,

BE IT RESOLVED by the Mayor and City Council of the City of Coeur d’Alene that the bid of Badger Meter, Inc., in an amount not to exceed $281,230.70 for the purchase of new Orion ME Radio Read Heads, water meters, and components, be and the same is hereby accepted.

BE IT FURTHER RESOLVED that the City enter into a contract with Badger Meter, Inc., in substantially the form attached hereto as Exhibit “A” and incorporated herein by reference with the provision that the Mayor, City Administrator, and City Attorney are hereby authorized to modify said contract provided that the substantive provisions of the agreement remain intact.

BE IT FURTHER RESOLVED that the Mayor and City Clerk be and they are hereby authorized to execute such contract on behalf of the City.

ATTEST:

______________________________
Renata Mcleod, City Clerk
DATE: MAY 16, 2023
FROM: KYLE MARINE, WATER DEPARTMENT ASSISTANT DIRECTOR
SUBJECT: AUTHORIZATION FOR APPROVAL OF SOURCE WATER PROTECTION GRANT

DECISION POINT: Should City Council authorize the acceptance of a Grant from the Idaho Department of Environmental Quality Source Water Protection in the amount of $24,000.00?

HISTORY: The Water Department currently has 11 wells, 7 booster stations and 7 storage facilities. Each site is visited on a periodic basis. Well sites are looked at on a daily basis to collect meter reads, and identify chemical usage and any potential issues. Booster stations are visited once a week to check motor vibrations, meter reads, and efficiency. Water storage facilities are visited on a periodic basis as needed, at least once a month, for maintenance and monitoring.

FINANCIAL ANALYSIS: The Water Department currently has budgeted $100,000 for cardlocks, security cameras, and updated software for our remote facilities. The grant would help to add additional security inside the wellhead for source water protection. The total amount secured for the grant was $24,000 and accepting the grant would not cause any additional costs to the City.

PERFORMANCE ANALYSIS: Each site is also visited by scheduled contractors for routine maintenance and upgrades. Over the years, the Water Department has had periodic issues with vandalism and trespassers, and has received budget approval to install security cameras and cardlock doors at most of our facilities. This grant would help add to that security to monitor any trespassers and keep track of contractors as they are doing routine maintenance at our facilities. Adding these security features helps bring the Water Department into compliance with the Homeland Security Act of 2002. By installing the cameras and the door locks, we will have instant notification of any unauthorized access to our water sources. We will also be able to better monitor contractors that are working on or near our site. The proposed camera system will also be able to record any vandalism that has occurred to better help our law enforcement.

DECISION POINT/RECOMMENDATION: City Council should authorize the acceptance of a DEQ Source Water Protection Grant in the amount of $24,000.00.
RESOLUTION NO. 23-032

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, ACCEPTING A GRANT FROM THE IDAHO DEPARTMENT OF ENVIRONMENTAL QUALITY FOR WELL SITE SECURITY IN THE AMOUNT OF $24,000.00.

WHEREAS, the Idaho Department of Environmental Quality has offered to the City of Coeur d’Alene a grant in the amount of $24,000.00 for the Water Department which grant would help add security features to well sites to help bring the Water Department into compliance with the Homeland Security Act of 2002; and

WHEREAS, it is deemed to be for the best interests of the City of Coeur d’Alene and the citizens thereof to accept such grant.

NOW, THEREFORE,

BE IT RESOLVED by the Mayor and City Council of the City of Coeur d’Alene that the City accept a grant from the Idaho Department of Environmental Quality pursuant to the terms and conditions of the grant subaward, a copy of which is attached as Exhibit “A” and by this reference incorporated herein.

BE IT FURTHER RESOLVED that the Mayor and City Clerk be and they are hereby authorized to execute all instruments necessary to accept such grant on behalf of the City.

PROGRAM SPECIFIC TERMS & CONDITIONS

Idaho Source Water Protection (SWP) Grant Program

DEQ Subrecipient: City of Coeur d’Alene

I. INTRODUCTION

This Agreement is between the Idaho Department of Environmental Quality (DEQ) and the City of Coeur d’Alene (Subrecipient) for performance under the Idaho Source Water Protection Grant Program as set forth in the approved Statement of Work. This project is funded using federal funds from the Environmental Protection Agency (EPA).

II. PROGRAM GUIDANCE & ELIGIBILITY REQUIREMENTS

The Subrecipient shall perform the services set forth in the approved Statement of Work. All activities covered under this agreement shall be consistent, and comply with the applicable portions of the Section 1452 of the Safe Drinking Water Act, as amended (42 U.S.C. 300j-12), the federal administrative and programmatic conditions as specified and applicable to subrecipients under EPA Assistance Agreement #FS-98003021, CFDA #66.468, as well as the requirements outlined in the Source Water Protection Grant Application Solicitation or Guide.

Cameras and surveillance equipment provisions apply:

- Must comply with regulations at 2 CFR 200.216, prohibition on certain telecommunication and video surveillance services or equipment, implementing section 889 of Public Law 115-232.
- Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).
- For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).
- Telecommunications or video surveillance services provided by such entities or using such equipment.

III. PROJECT SCOPE OF WORK

The project application as submitted by the Subrecipient and approved by DEQ shall serve as the approved Statement of Work.

IV. PROJECT MANAGEMENT

a. Time of Performance:
Work under this agreement shall start on the 1st day of March 2023 and end no later than the 29th day of February 2024.

b. **Implementation Schedule:**

Unless amended by mutual written agreement by both parties, the Subrecipient will perform the described tasks in conformance with the schedule included with their application.

c. **Performance Monitoring:**

DEQ will monitor the performance of the Subrecipient against goals and performance standards required herein. DEQ may terminate the agreement for failure to ensure reasonable completion of the project within the project period and in accordance with the implementation schedule herein.

V. **PROJECT BUDGET**

The total project cost of performing work under this agreement is $75,253; and the total reimbursable, not to exceed cost is $24,000, as specified in the budget tables below. DEQ may require a more detailed budget breakdown than the one contained herein. The Subrecipient shall provide such supplementary budget information in the form and content prescribed by DEQ. Any amendments to this budget must be approved in writing by DEQ.

VIII. RECORD RETENTION REQUIREMENTS & ACCESS

The Subrecipient shall retain all financial records, supporting documents, statistical records and all other records pertinent to this agreement and its associated project(s) for a minimum of three (3) years from the date of payment of final invoice or from the date of the publication and approval of the final report, whichever is later.

If any litigation, claim, or audit is initiated prior to the expiration of the three (3) year period, the Subrecipient shall retain the records until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

Records for any equipment acquired through funding provided to the Subrecipient through this agreement shall be retained for three (3) years after final disposition.

The Subrecipient agrees to provide the DEQ Director, or his/her authorized agents, access to all files, records, accountings and books relating to the management and accountability of this sub-award.

IX. SUBAWARD CLOSEOUT INSTRUCTIONS

This sub-award will be considered closed once the Subrecipient submits all invoices, reports, and any other requested documentation to DEQ, AND these documents have been paid / approved by DEQ. This includes the final invoice and the final report.
X. TITLE OF EQUIPMENT

Title of any equipment purchased under this agreement will conditionally vest with the Subrecipient in accordance with 2 CFR 200.313.
“Total Procurement” fields and “MBE/WBE Combined Procurement” fields located in section 4B of this form should include Federal funds provided under the assistance agreement, recipient matching funds, and funds from other sources that are included in the assistance agreement.

Due to process time of Paperwork Reduction Act procedures, EPA is not able to update the EPA Form 5700-52A immediately to reflect this clarification.

If EPA grant recipients have questions about EPA Form 5700-52A, please work with your respective Grants Specialist or DBE Coordinator.
Acknowledgement of Federal Audit Requirements for Federal Subrecipients

Subaward grant funds disbursed per this Agreement are considered federal financial assistance per the Single Audit Act (SAA) of 1984, as amended by the Single Audit Act Amendments of 1996 (SAA), 31 U.S.C. §§7501-7507 (2000) and moved and incorporated in 2014 into the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at 2 CFR Part 200, Subpart F – Audit Requirements. If a Subrecipient expends more than $750,000 of federal funds (including, but not limited to those received as part of this agreement) in their fiscal year 2016 or later; then, the Subrecipient must have a single or program-specific audit conducted for that year in accordance with Subpart F of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (§200.500-200.500.521). In such case, the Subrecipient must:

- Procure or otherwise arrange for the required audit in accordance with 200.509 Auditor selection, and ensure it is properly performed and submitted when due;
- Prepare appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with §200.510 Financial statements;
- Properly submit audit report in a timely fashion (§200.512):
  - The audit must be submitted within thirty (30) calendar days after the receipt of the auditor’s report OR nine (9) months after the end of the audit period, which is generally the Subrecipient’s fiscal year end.
  - The auditee must ensure timely submission of the data collection form and reporting package to the Federal Audit Clearinghouse (FAC) as described in §200.512 paragraphs (b) and (c) respectively.
  - Subrecipient must keep one copy of the data collection form and one copy of the reporting package on file for three (3) years from the date of submission to the FAC.
- Promptly follow up and take corrective action on audit findings, including preparation of a summary schedule of prior audit findings and a corrective action plan in accordance with §200.511, Audit findings follow-up, paragraph (c), respectively (as appropriate);
- Provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the audit required by Subpart F.

The Subrecipient recognizes that it is responsible for determining if the $750,000 threshold is reached, as appropriate, and if a SAA audit is required. Additionally, the Subrecipient must inform the Department, in writing, of any findings or recommendations pertaining to this agreement contained in any audits conducted by the Subrecipient. In such cases, the Subrecipient must also provide the Department with a copy of the audit.

CONFLICT OF INTEREST CERTIFICATION

Subgrant #: S783  Subrecipient Name: Coeur d'Alene Water

A conflict of interest (COI) is defined as an actual or potential situation that undermines, or may undermine, the impartiality of an individual or non-federal entity because their self-interest conflicts, or may conflict with their duty and obligations to the public in performing a federally funded financial assistance agreement. COI also includes situations that create, or may create, an unfair competitive advantage, or the appearance of such, for an applicant or contractor in competing for federal financial assistance.

Situations Requiring Disclosure: (1) Any COI described at 2 CFR 200.318(c)(1) including consulting fees or other compensation paid to employees, officers, agents of the subrecipient and/or members of their immediate families paid by procurement contractors or other subrecipients receiving federal funding under a subaward. (2) Any organizational COI described at 2 CFR 200.318(c)(2) between the subrecipient and procurement contractors or other subrecipients receiving federal funding under a subaward.

Timing & Content of Disclosure: Subrecipients must disclose any COI related to this agreement within 10 calendar days of discovery to DEQ’s Project Manager. All disclosures must be in writing preferably through email communication. In addition to describing the COI, subrecipients must also provide any information regarding measures to eliminate, neutralize, mitigate or otherwise resolve the conflict.

Subrecipient Point of Contact (POC): This is the person designated to disclose and resolve any COI that may arise related to this subaward agreement. The Subrecipient POC must be an employee or officer of the Subrecipient or another entity (e.g. consultant or attorney) expressly authorized by the Subrecipient to speak on its behalf.

Name: ________________________________  Phone: ________________________________

Title: ________________________________

Please check one of the following:

□ The subrecipient has implemented a written policy of financial COI that is consistent with federal general procurement standards referenced herein. I certify that all individuals responsible for the application, design, implementation, administration, and/or monitoring of this agreement have made the required disclosures to DEQ in accordance with the subrecipient’s policy.

□ The subrecipient has not implemented a written policy of financial COI. I certify that all individuals responsible for the application, design, implementation, administration, and/or monitoring of this agreement have made the required disclosures to DEQ in accordance with the situations, timing, and content of disclosure requirements listed above.

I certify that the information listed above is true, complete and accurate to the best of my knowledge, and that I am an Authorized Organizational Official for the subrecipient.

Exhibit "A"
CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements.

The applicant certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the applicant shall complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

3. The applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under loans, and cooperative agreements) and that all subrecipients shall certify and disclosure accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Resolution No. 23-032  
Exhibit "A"
Instructions:

A. General Instructions:

MBE/WBE utilization is based on 40 CFR Part 33 and 2 CFR Parts 200 and 1500. The reporting requirement reflects the change in the reporting threshold described in Recipient/ Applicant Information Notice-2018-G04 issued by EPA's Office of Grants and Debarment on September 7, 2018 (https://www.epa.gov/grants/rain-2018-g04). EPA Form 5700-52A must be completed annually by recipients of financial assistance agreements where the combined total of funds budgeted for procuring supplies, equipment, construction and services exceeds the current Simplified Acquisition Threshold as set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1. This reporting requirement applies to all new and existing awards and voids all previous reporting requirements.

In determining whether the threshold is exceeded for a particular assistance agreement, the analysis must focus on funds budgeted for procurement under the supplies, equipment, construction, services or “other” categories, and include funds budgeted for procurement under sub-awards or loans.

Reporting will also be required in cases where the details of the budgets of sub-awards/loans are not clear at the time of the grant awards and the combined total of the procurement and sub-awards and/or loans exceeds the Simplified Acquisition Threshold.

For example, if the Simplified Acquisition Threshold is $250,000, then if a recipient has $300,000 budgeted under procurement, then completion of this report is required.

When reporting is required, all procurement actions are reportable, not just the portion which exceeds the Simplified Acquisition Threshold.

If at the time of award the budgeted funds exceed the Simplified Acquisition Threshold but actual expenditures fall below, a report is still required.

If at the time of award, the combined total of funds budgeted for procurements in any category is less than or equal to the Simplified Acquisition Threshold and is maintained below the threshold, no DBE report is required to be submitted.

Recipients are required to report 30 days after the end of each federal fiscal year (i.e. October 30th), per the terms and conditions of the financial assistance agreement.

Final reports are due October 30th or 120 days after the end of the project period, whichever comes first.

MBE/WBE program requirements, including reporting, are material terms and conditions of the financial assistance agreement. Failure to comply may lead to termination of the financial assistance agreement which is then reported to the OMB-designated integrity and performance system accessible through SAM (currently FAPIIS) pursuant to 2 CFR 200.339(b).

B. Submission:

Recipients must submit completed forms to the point of contact associated with the awarding office for the applicable assistance agreement. Information on specific points of contact for EPA’s Headquarters and ten Regional Offices is located at:

https://www.epa.gov/grants/frequently-asked-questions-disadvantaged-business-enterprises

Questions regarding the completion of this form should be directed to the DBE Coordinator associated with the awarding office for the applicable assistance agreement. A list of the DBE Coordinators for each awarding office can be located here:

https://www.epa.gov/grants/epa-dbe-program-coordinators
C. Instructions:

1A. Specify Federal fiscal year this report covers. The Federal fiscal year runs from October 1st through September 30th (e.g. November 29, 2020 falls within Federal fiscal year 2021)

1B. Specify report type. Check the annual reporting box if this is an annual report. If it is a final report, check the final report box to indicate if the project is completed.

1C. Indicate if this is a revision to a previous year and provide a brief description of the revision you are making including what reporting period is being revised. The revised report will replace the associated original report in its entirety.

2A. Provide your organization's Unique Entity Identifier. More information about Unique Entity Identifier, including its meaning, can be found in 2 CFR Part 25.

2B. Identify the name and contact information for the person located within the recipient organization that can be contacted if questions arise from this report.

3. Provide the Federal Award Identification Number (FAIN) assigned by EPA. A separate report must be submitted for each Assistance Agreement.

*For SRF recipients: In box 3 list numbers for ALL OPEN Assistance Agreements being reported on this form.

4A. Self-explanatory. **Note:** Procurement means expenditures under the supplies, equipment, construction, services or “other” categories, and include funds expended for procurement under sub-awards or loans.

4B. Provide the total dollar amount (in dollars) of ALL procurements awarded this reporting period by construction, non-construction, and grand total by the recipient, sub-recipients, and SRF loan recipients, **including** MBE/WBE expenditures, not just the portion which exceeds the threshold. For example: Actual dollars for procurement from the procuring office; actual contracts let from the contracts office; actual goods, services, supplies, etc., from other sources including the central purchasing/procurement centers).

Provide the total dollar amount (in dollars) of MBE/WBE procurements **ONLY** awarded this reporting period by construction, non-construction, and grand total by the recipient, sub-recipients, SRF loan recipients, and prime contractors not just the portion which exceeds the threshold.

*For SRF recipients only: In 4B, please enter the total annual procurement amount under all of your SRF Assistance Agreements. The figure reported in this section is **not** directly tied to an individual Assistance Agreement identification number. (SRF state recipients report state procurements in this section)

5A. Self-explanatory.

5B. If procurements were made during this reporting period, but no procurements with MBE(s) or WBE(s) are being reported, then select the reason why. If "Other" is chosen, please fill in with the reason.

7. Self-explanatory.
**This data is requested to comply with provisions mandated by: statute or regulations (40 CFR Part 33 and/or 2 CFR Parts 200 and 1500); OMB Circulars; or added by EPA to ensure sound and effective assistance management. Accurate, complete data are required to obtain funding, while no pledge of confidentiality is provided.**

5. Project Description
Provide a detailed description of the project.

To install a remote camera system (Outdoor Vandal bullet camera, 5MP @ 30fps) at all are well sites along with electronic door locks (Brivo Onair ACS300 IP door controller with Sifi & BLE) to better help protect our sources from any unwanted activities.

Identify how the project is protective of the drinking water source.

By installing the cameras and the door locks we will have instant notification of any unauthorized access to our water sources. We will also be able to better monitor contractors that are working on or near our site. The proposed camera system will also be able to record any vandalism that has occurred to better help our law enforcement.

What specific outcomes are expected from this project?

To have 24-hour video surveillance to all our water sources along with electronic records of anyone that accesses our site.

Describe the PWS's ability to complete this project (skills, personnel, resources, timeframe, etc.).

The water department has 22 employees on staff with two journeymen electricians and 2 electrician apprentices. We also work very closely with the city's IT staff that helps us with any technical issues related to software. The water department handled large and small projects from start to finish on a daily basis and we have started the process to categorize all our sources and reservoirs to install a security system.

6. Project Location
Describe your project area or location, and/or attach a map of the project area.

We have multiple sites scattered around the city. It would be difficult to get a single map showing their locations but please see below for the well site name and address of location.

Atlas Well- 4591 N Atlas Rd
Huetter well- 7032 Huetter rd
Landings Well- 7881 N Atlas Rd
Prairie Well -639 W Wilbur Ave
Hanley Well- 1210 W Hanley Ave
7. Contaminant Sources – How are Existing and Potential Sources Addressed?
Does the project address existing contamination sources? If so, what are the existing sources and how does the project address these sources? (If a Source Water Assessment has been completed for the system, the potential contaminant inventory may include this information.)

It is in our comp plan completed in 2012 and is going to be updated in 2023 to to install security measures to protect the wellheads from accidental or malicious activities which could lead to contamination.

Which potential contaminants and sources of these contaminants exist within 500 feet of the well(s) or spring; or within 1 mile of a surface water intake? Does the project address these potential contaminants? If so, please identify which ones.

We have identified all in ground tanks within 1000 feet from all our well heads.

8. Source Water Protection Plan

Does the PWS have a source water protection (SWP) plan that is current and has been certified within the past 5 years? 

Yes ☐  No ☐

If not, will the PWS complete or update a source water protection plan prior to completing this project? 

Yes ☐  No ☐

If the PWS does have a currently certified SWP plan, does this project fulfill a component of it? 

Yes ☐  No ☐

Which components of the SWP plan will the project address?

Security upgrades
If not, will the PWS update the SWP plan before completing this project to include the efforts undertaken with this grant?  
Yes ☐ No ☐

9. Is the PWS a member of Idaho’s Water and Wastewater Agency Response Network (IDWARN)?
Yes ☐ No ☐

(Points are awarded to applicants who are members of IDWARN.)

10. Work Plan Tasks and Schedule
List each task below. Provide the task name, description, start and end dates, deliverables, and budget requested. Applications requiring a contractor (i.e., well abandonment and fencing) must include at least one project bid with the application. Attach additional sheets as needed.

a. Match may be cash or in-kind and must be provided during the grant award year. Points are awarded to applications that provide matching funds.
b. Match percentage is calculated as a percentage of DEQ's funding amounts.
c. Entities with a federally approved indirect rate must submit a copy of their federally approved rate prior to final award. Entities without a federally approved indirect rate will need to meet federal guidelines of a 10% de minimus indirect rate. Indirect rates budgeted that do not meet these guidelines will be adjusted prior to final award. Note: This table provides estimated budget amounts. If your project is selected for funding, a more detailed budget may be required.

DATE: MAY 16, 2023
FROM: RENATA McLEOD, MUNICIPAL SERVICES DIRECTOR/CITY CLERK
SUBJECT: REQUEST FOR DESTRUCTION OF RECORDS

DECISION POINT: To authorize the destruction of certain public records in accordance with the City’s records retention schedule for the Police, Streets and Engineering, Finance, and Municipal Services (including Mayor/Administration files), and Legal Departments?

HISTORY: Idaho state code 50-907 and 50-908 set forth requirements for cities related to public records. The code establishes they type of record, length of time for minimum retention and notes that cities shall adopt their own records retention manual and schedule. The city has done so through Resolution 16-056. The following request for destruction of records is in accordance to the policy adopted by Council. The Police Department is requesting the destruction of graffiti photos from 1993, which have surpassed the retention period of 5-years for semi-permanent records. The Municipal Services Department is requesting the destruction of temporary records, specifically, vehicle pre-trip inspection forms from the Streets and Engineering Department and city-wide emails prior to 2017, including back-up tapes, which are all temporary records only required to be maintained for 2-years. Additionally, Municipal Services is requesting the destruction of Mayor/Administration files kept electronically by the Executive Assistant. Files range from coordinating travel, presentation preparation, monthly activity reports, internal committee agendas, all of which are temporary files that are no longer needed. The Finance Department is requesting the destruction of various records from Temporary to Semi-permanent that are no longer needed and/or required to be maintained. The Legal Department is requesting the destruction of various electronic records that are original work product of the Prosecutor’s Office. These documents are no longer needed and should be removed prior to the implementation of a new case management software program. A detailed list of items is attached to this staff report.

PERFORMANCE ANALYSIS: Records are routinely reviewed to determine if the necessity of maintaining the record is warranted. Because the attached list of records has exceeded the time required to maintain them and their useful life has been exhausted, it is necessary to purge these files in order to maintain storage space for future records. This request is in accordance to the approved Records Retention Policy approved pursuant to Resolution No. 16-056.

DECISION POINT: To authorize staff to proceed with the destruction of records from the Police, Streets and Engineering, Finance, Municipal Services (including Mayor/Administration files) and Legal Departments, as listed, and pursuant to I.C. 50-907 and the City’s adopted records retention schedule.
RESOLUTION NO. 23-033

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, ALLOWING FOR THE DESTRUCTION OF RECORDS RETAINED BY THE ADMINISTRATION / MAYOR’S OFFICE, AND THE FINANCE, LEGAL, MUNICIPAL SERVICES, AND POLICE DEPARTMENTS, OVER TWO (2) YEARS OLD OR DEEMED TEMPORARY BY THE CITY COUNCIL.

WHEREAS, the below records of the City of Coeur d’Alene have been retained for at least the length of time required by Idaho Code § 50-908 and the City’s Records Retention Policy,

FROM: RENATA McLEOD, MUNICIPAL SERVICES DIRECTOR/CITY CLERK

SUBJECT: APPROVAL OF A MEMORANDUM OF UNDERSTANDING WITH THE DOWNTOWN ASSOCIATION (DTA)

DECISION POINT: Should the City Council approve the proposed Memorandum of Understanding with the Downtown Association (DTA) for the Car d’ Lane Events to be held June 16 and 17, 2023?

HISTORY: At the July 19, 2022, Council meeting, Council requested staff to begin looking at options of entering into agreements for some of the large special events held in the City. Agreements allow the City to negotiate with the sponsor to take on additional responsibilities such as providing volunteers to man non-emergency intersections, placement of no-parking signs, use of certified flaggers, and payment in addition to the general fees. The Car d’ Lane cruise has a different route last year that was problematic for public safety and for the streets and engineering staff. Negotiations resulted in a re-organization of the route and better marked detours to provide a much safer route, as well as limits the number of entries. All of these changes work better for public safety, and streets and engineering. Additionally, the Memorandum clarifies roles and responsibilities so there are no questions the days of the events.

The Streets and Engineering Department crafted the traffic safety plan, which will remain the plan for years to come. This plan satisfies the requirements of the Manual on Uniform Traffic Control Devices (MUTCD). Staff envisions one future master agreement for all events that are sponsored by the DTA after working through each event this season and creating the traffic control plans for each event.

FINANCIAL ANALYSIS: The fee included under the Memorandum is $1,050.00, with a $1,000.00 security deposit, in compliance with the approved fee resolution. There are some legal restrictions regarding covering events costs, including that the fee must be reasonably related to actual costs and cannot be higher than actual costs for the actual event. When there is a controversial political message which might offend a hostile crowd, it is unconstitutional to add to the fees anyone else must pay. Further, a fee that is based on the content of the message violates the First Amendment. While there are additional costs to City departments with Car d’Lane, the DTA has picked up additional costs as well. The DTA provided a cost breakdown and it has $14,950 in expenses. It also estimates volunteer hours to have a value of $6,355. The Memorandum outlines the responsibilities of the City and DTA in order to level the amount of staff time needed for these types of community events.
The following are the anticipated City costs associated with the 2022 Car d’Lane event as provided by the named departments:

- Police Department: Total regular hours are 117.50, with a total cost of $4,875.83 (this includes people who are reassigned from regular duties to work this event, because of the size of the event, and who were not eligible for OT); Total OT hours are 239.09, with a total cost $14,197.48, for a total of 356.59 hours, and a total cost $19,073.31.
- Fire Department: Only costs associated with Tent inspections, totaling $250.00.
- Streets and Engineering Department: 24.5 hours of Comp-time and Overtime combined, totaling $2,153.00.

**DECISION POINT/RECOMMENDATION:** Staff recommends the approval of the proposed Memorandum of Understanding with the Downtown Association for the Car d’ Lane Events to be held June 16 and 17, 2023.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF COEUR D’ALENE
AND
THE COEUR D’ALENE DOWNTOWN ASSOCIATION, INC.
FOR
CAR D’LANE

I. PURPOSE:

This Memorandum of Understanding (MOU) is between the City of Coeur d’Alene (“CDA”) and the Coeur d’Alene Downtown Association, Inc., (“DTA”), and is intended to document the parties’ understanding of, and agreement to cooperate on, the two-day event known as “Car d’Lane.”

II. RECITALS:

WHEREAS, CDA is a municipal corporation organized and existing under the laws of the State of Idaho; and

WHEREAS, DTA is a non-profit corporation organized and existing under the laws of the State of Idaho; and

WHEREAS, DTA annually sponsors the event known as “Car d’Lane” in downtown Coeur d’Alene; and

WHEREAS, CDA and DTA recognize the need for and efficiency of a Memorandum of Understanding (“MOU”) in establishing each party’s expectations, as well as the roles and responsibilities of each party, for Car d’Lane; and

WHEREAS, it is the mutual desire of CDA and DTA to memorialize their understanding and agreement with respect to their cooperation on Car d’Lane; and

WHEREAS, this MOU creates a mutually beneficial solution for the parties involved.

NOW, THEREFORE, it is hereby agreed as follows:

III. AGREEMENT:

A. DTA hereby agrees:

1. To sponsor Car d’Lane on Friday, June 16, through Saturday, June 17, 2023, and pay CDA a fee of seven hundred fifty and no/100 dollars ($750.00) for the first
day and three hundred and no/100 dollars ($300.00) for the second day, for a total of one thousand fifty and no/100 dollars ($1,050.00) with a refundable damage deposit of one thousand and no/100 dollars ($1,000.00);

2. To be solely responsible for the organization and operation of the Car d’Lane “Cruise” on Friday, June 16, 2023, and the Car d’Lane Car Show on Saturday June 17, 2023, (hereinafter referred to as the “Event”) except as set out in paragraph III(B) of this MOU;

3. To meet with CDA at least seven (7) days prior to the date of the Event to discuss the traffic control plan;

4. To maintain a line of direct communication with the CDA Police command center throughout the Event by a person who has authority to make decisions and bind DTA as may be required;

5. To provide qualified adults (“Monitors”) and certified flaggers to monitor and oversee the traffic control devices used for the Event, in the number and locations as determined by the traffic control plan prepared by CDA. A qualified adult is a responsible person over the age of eighteen (18) who has received adequate instruction/training from DTA regarding the proper methods of traffic control on public streets;

5. To supervise the Monitors in a reasonable and professional manner, and to provide and require said Monitors to wear a safety vest at all time when on duty, and to carry identification showing that they are authorized to control the traffic control devices on behalf of DTA;

6. That the Monitors are not employees, volunteers, or agents of CDA, but act entirely under the authority and responsibility of DTA;

7. That no more than three (3) days and no less than two (2) days prior to the date of the Event, DTA will place “No Parking” signs, approved and supplied by CDA, as indicated in the traffic control plan. DTA is responsible for inserting the appropriate information on the “No Parking” signs, and for removing the information and returning the signs to CDA within twenty-four (24) hours after the event. DTA is responsible for ensuring that the signs remain in their proper positions until DTA removes them. The Coeur d’Alene Police Department will coordinate the towing of vehicles parked in violation of the “No Parking” signs;

8. To assure that the traffic barricades supplied and placed by CDA remain in their proper positions, in accordance with the traffic control plan until the event is concluded;
9. That the Cruise route shall be on E. Sherman Avenue from 2nd Street to 11th Street, S. 9th Street from E. Sherman Avenue to E. Mullan Avenue, E. Mullan Avenue from S. 9th Street to S. 11th Street, S. 11th Street from E. Mullan Avenue to E. Sherman Avenue, N. 8th Street from E. Sherman Avenue to E. Lakeside Avenue, E. Lakeside Avenue from N. 8th Street to N. 4th Street, N. 4th Street from E. Lakeside Avenue to E. Wallace Avenue, E. Wallace Avenue from N. 4th Street to N. 2nd Street, and N. 2nd Street from E. Wallace Avenue to E. Sherman Avenue;

10. That DTA may begin assembly for the Cruise no earlier than 4:00 p.m., on Friday, June 16, 2023. No more than eight-hundred (800) vehicles will be authorized to participate in the Cruise;

11. That the Cruise shall start at 6:00 p.m., and be completed by 9:00 p.m., on Friday, June 16, 2023;

12. That, during the Cruise, vehicles exiting the Coeur d’Alene Resort shall be directed to turn left onto E. Sherman Avenue at 2nd Street. On the day of the Car Show, vehicles exiting the Coeur d’Alene Resort shall be directed to proceed north on 2nd Street, and through traffic shall be allowed on 3rd Street;

13. That the Car Show shall be on Saturday, June 17, 2023, from 5:00 a.m. until 4:00 p.m. Cars in the Car Show may be parked on both sides of E. Sherman Avenue from 1st Street to 5th Street, on the west side of N. 4th Street from E. Front Avenue to E. Lakeside Avenue, on the west side of S. 5th Street from E. Sherman Avenue to E. Front Avenue, and on East Front Avenue from S. 3rd Street to S. 4th Street. Vendors may be located on both sides of E. Sherman Avenue between 5th Street and 6th Street. There is the potential for overflow parking on the west side of N. 5th Street from E. Sherman Avenue to E. Lakeside, and on the west side of 6th Street between E. Front Avenue and E. Lakeside Avenue. The Young Builders Alley shall be located on E. Front Avenue from S. 5th Street to S. 6th Street;

14. That it will pull tent permits through the Fire Department in advance of the event;

14. That at 4:30 p.m. on Saturday, June 17, 2023, DTA will begin cleaning the Event sites, removing any DTA property that was placed for the Event. Clean-up shall be completed no later than 6:00 p.m. on Saturday, June 17, 2023;

15. That travel lanes on 3rd Street, 4th Street, and 6th Street shall remain clear and available for emergency vehicles during the Event. On Saturday, June 17, 2023, E. Front Avenue will be closed to through traffic, but vehicles in the McEuen parking lot will be allowed to exit at S. 3rd Street to travel north and at S. 6th Street to travel east on E. Front Avenue; and

16. That it will participate in a debriefing session with CDA within one (1) week of the conclusion of the event, or such other time as agreed by the parties.
B. **CDA hereby agrees:**

1. To prepare a traffic control plan for the Event and complete it at least seven (7) days prior to the date of the Event;

2. To meet with DTA at least seven (7) days prior to the date of the Event to discuss the traffic control plan;

3. To provide DTA with “No Parking” signs sufficient to comply with the traffic control plan at least three days before the Event;

4. The Coeur d’Alene Police Department will coordinate the towing of vehicles parked in violation of the “No Parking” signs;

5. To close the relevant streets no later than 4:00 p.m. on Friday, June 16, 2023, and to provide and set up traffic barricades needed to comply with the traffic control plan for the Cruise;

FROM: MONTE McCULLY, CITY OF COEUR D’ALENE TRAILS COORDINATOR

SUBJECT: PRAIRIE TRAIL EXTENSION BID CONTRACT AWARD

( ACTION REQUIRED )

DECISION POINT: The Parks Department is asking for Council to accept the agreement/contract with Interstate Concrete and Asphalt for the extension of the Prairie Trail from Huetter to Meyer Road.

HISTORY: In 2008, the Prairie Trail was constructed by a combined effort with the City of Coeur d’Alene (City), ignite CDA, the KROC Center and the Centennial Trail Foundation. At the time, the newly constructed trail covered 4-miles from Beebe Blvd to Huetter Road, although the first mile was later redesignated as the Centennial Trail. Since that time, the trail has become increasingly popular among trail users and has some of the highest trail user counts in the city. The Parks Master Plan and the Kootenai Metropolitan Planning Organization Non-motorized Plan have called for extending the Prairie Trail to Hwy 41, creating links from Coeur d’Alene to Post Falls and Rathdrum. The city limits and the trail end at Huetter Road, but the old railroad line extends another 1.16 miles to Meyer Road and is owned by the City of Coeur d’Alene due to the land swap that occurred between the railroad and the Centennial Trail Foundation. The land later came to ignite CDA through a series of loans and defaults on those loans and was eventually gifted to the City. The Trail Foundation has pushed to extend the trail for several years and even had an anonymous donor give $50,000 to help the project. Last year, the Local Highway Technical Assistance Council (LHTAC) awarded Coeur d’Alene a “no-match” grant in the amount of $250,000 for the extension of the Prairie Trail. The project went out to bid and Interstate Concrete and Asphalt was the lowest bidder.

FINANCIAL ANALYSIS: The City received six (6) bids with the bid from Interstate coming in at $221,226.10. The next closest bid was for $285,774.30. The Interstate bid was reviewed by city staff and was found to be responsive.

The funds to pay for the Prairie Trail Extension will come from the following sources:

<table>
<thead>
<tr>
<th>Program</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Children Pedestrian Safety Program Grant</td>
<td>$250,000.00</td>
</tr>
<tr>
<td>Centennial Trail Foundation</td>
<td>$50,000.00</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$300,000.00</strong></td>
</tr>
</tbody>
</table>

PERFORMANCE ANALYSIS: Accepting this bidder will allow the City to build a new portion of the Prairie Trail that will connect to the portion the City of Post Falls will be building in 2023. By the end of this summer, the Prairie Trail will extend all the way to Hwy 41. With the additional money from the Trail Foundation, crossing beacons, striping and a connector trail up to Prairie Avenue could be added to the project.

DECISION POINT/ RECOMMENDATION: Recommend Council accept the agreement/contract with Interstate Concrete and Asphalt for the extension of the Prairie Trail from Huetter to Meyer Road.
RESOLUTION NO. 23-036

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, ACCEPTING THE BID OF, AND AWARDING THE CONTRACT FOR THE EXTENSION OF THE PRAIRIE TRAIL FROM HUETTER ROAD TO MEYER ROAD, TO INTERSTATE CONCRETE AND ASPHALT COMPANY IN AN AMOUNT NOT TO EXCEED $221,226.10.

WHEREAS, the City heretofore duly advertised invitation for bids for the extension of the Prairie Trail from Huetter Road to Meyer Road in Coeur d’Alene, Idaho, and said bids were opened as provided in said advertisement in the office of the City Clerk on Thursday, the 4th day of May, 2023, and the lowest responsive bid received was that of Interstate Concrete and Asphalt Company, in the amount of Two Hundred Twenty-One Thousand, Two Hundred Twenty-Six dollars and ten cents ($221,226.10), and it is in the best interests of the City of Coeur d’Alene and the citizens thereof that said bid be accepted.

NOW, THEREFORE,

BE IT RESOLVED by the Mayor and City Council of the City of Coeur d’Alene that the bid of Interstate Concrete and Asphalt Company, in an amount not to exceed $221,226.10, for the extension of the Prairie Trail from Huetter Road to Meyer Road be and the same is hereby accepted.

BE IT FURTHER RESOLVED that the City enter into a contact with Interstate Concrete and Asphalt Company in substantially the form attached hereto as Exhibit “A” and incorporated herein by reference with the provision that the Mayor, City Administrator, and City Attorney are hereby authorized to modify said contract provided that the substantive provisions of the contract remain intact.

BE IT FURTHER RESOLVED that the Mayor and City Clerk be and they are hereby authorized to execute such contact on behalf of the City.

CONTRACT

THIS CONTRACT is made and entered into this 16th day of May, 2023, between the CITY OF COEUR D'ALENE, Kootenai County, Idaho, a municipal corporation duly organized and existing under and by virtue of the laws of the state of Idaho, hereinafter referred to as the “CITY,” and Interstate Concrete & Asphalt Company, a corporation duly organized and existing under and by virtue of the laws of the state of Idaho, with its principal place of business at 8849 W. Wyoming Avenue, Rathdrum, ID 83858, hereinafter referred to as “CONTRACTOR.”

W I T N E S S E T H:

WHEREAS, the CONTRACTOR has been awarded the contract for the Prairie Trail Extension, according to plans and specifications on file in the office of the City Clerk of the CITY, which plans and specifications are incorporated herein by reference.

IT IS AGREED that, for and in consideration of the covenants and agreements to be made and performed by the City of Coeur d’Alene as hereinafter set forth, the CONTRACTOR shall complete improvements as set forth in the said plans and specifications described above in the CITY, furnishing all labor and materials therefore according to said plans and specifications and under the penalties expressed in the performance bond bearing even date herewith, and which bond with said plans and specifications are hereby declared and accepted as parts of this contract. All material shall be of the high standard required by the said plans and specifications and approved by the City, and all labor performed shall be of first-class workmanship.

The CONTRACTOR shall furnish and install barriers and warning signs to prevent accidents. The CONTRACTOR shall indemnify, defend and hold the CITY harmless from all claims arising from the CONTRACTOR's actions or omissions in performance of this contract, and to that end shall maintain liability insurance naming the CITY as one of the insureds in the amount of at least Five Hundred Thousand Dollars ($500,000.00) for property damage or bodily or personal injury, death or loss as a result of any one occurrence or accident regardless of the number of persons injured or the number of claimants, it being the intention that the minimum limits shall be at least that provided for under Idaho Code § 6-924. A certificate of insurance providing at least thirty (30) days’ written notice to the CITY prior to cancellation of the policy shall be filed in the office of the City Clerk.

The CONTRACTOR agrees to maintain Worker’s Compensation coverage on all employees, including employees of subcontractors, during the term of this contract as required by Idaho Code §§ 72-101 through 72-806. Should the CONTRACTOR fail to maintain such insurance during the entire term hereof, the CONTRACTOR shall indemnify the CITY against any loss resulting to the CITY from such failure, either by way of compensation or additional premium liability. The CONTRACTOR shall furnish to the CITY, prior to commencement of the work, such evidence as the CITY may require guaranteeing contributions which will come due under the Employment Security Law including, at the option of the CITY, a surety bond in an amount sufficient to make such payments.
The CONTRACTOR shall furnish the CITY certificates of the insurance coverages required herein, which certificates must be approved by the City Attorney.

The CONTRACTOR agrees to receive and accept as full compensation for furnishing all materials, and doing all the work contemplated and embraced in the contract, an amount equal to the sum of the total for the items of work. The total for each item of work shall be calculated by determining the actual quantity of each item of work and multiplying that actual quantity by the unit price bid by the CONTRACTOR for that item of work. The total amount of the contract shall not exceed Two Hundred Twenty-One Thousand, Two Hundred Twenty-Six dollars and ten cents ($221,226.10).

Partial payment shall be made by the fourth Tuesday of each calendar month on a duly certified estimate of the work completed in the previous calendar month, which estimate is submitted by the second Tuesday of each calendar month, less five percent (5%). Final payment shall be made thirty (30) days after completion of all work and acceptance by the City Council, provided that the CONTRACTOR has obtained from the Idaho State Tax Commission and submitted to the CITY a release of liability for taxes (Form 10-248-79). Payment shall be made by the City Finance Director.

The CITY and the CONTRACTOR recognize that time is of the essence and failure of the CONTRACTOR to complete the work within the time allowed shall result in damages being sustained by the CITY. Such damages are and will continue to be impractical and extremely difficult to determine. Therefore, in the event the CONTRACTOR shall fail to complete the work within the above time limits, the CONTRACTOR shall pay to the CITY or have withheld from monies due, liquidated damages at the rate of Five Hundred and No/100 Dollars ($500.00) per calendar day, which sums shall not be construed as a penalty.

IT IS AGREED that the CONTRACTOR must employ ninety-five percent (95%) bona fide Idaho residents as employees on any job under this contract except where under this contract fifty (50) or fewer persons are employed by the CONTRACTOR, in which case the CONTRACTOR may employ ten percent (10%) nonresidents; provided, however, in all cases the CONTRACTOR must give preference to the employment of bona fide residents in the performance of said work.

The CONTRACTOR further agrees: In consideration of securing the business of construction under this contract, recognizing the business in which he is engaged is of a transitory character and that, in the pursuit thereof, his property used therein may be without the state of Idaho when taxes, excises or license fees to which he is liable become payable:

1. To pay promptly when due all taxes (other than on real property), excises and license fees due to the State of Idaho, its subdivisions, and municipal and quasi-municipal corporations therein, accrued or accruing during the term of this contract, whether or not the same shall be payable at the end of such term.

2. That, if the said taxes, excises and license fees are not payable at the end of said term, but liability for said payment thereof exists, even though the same constitute
liens upon his property, to secure the same to the satisfaction of the respective officers charged with the collection thereof.

3. That, in the event of his default in the payment or securing of such taxes, excises and license fees, to consent that the department, officer, board or taxing unit entering into this contract may withhold from any payment due him hereunder the estimated amount of such accrued and accruing taxes, excises and license fees for the benefit of all taxing units to which said CONTRACTOR is liable.

The CONTRACTOR further agrees, in consideration of securing this contract, to comply will all the requirements of Attachment 1, which by this reference is incorporated herein.

IT IS FURTHER AGREED that, for additions or deductions to the plans and specifications, the unit prices as set forth in the written proposal of the CONTRACTOR are hereby made part of this contract.

For the faithful performance of this contract in accordance with the plans and specifications and payment for all labor and materials, the CONTRACTOR shall execute a good and sufficient performance bond and a payment bond in forms acceptable to the City Attorney, each in the amount of one hundred percent (100%) of the total amount of the bid as hereinbefore stated, said bonds to be executed by a surety company authorized to do business in the state of Idaho.
