CALL TO ORDER: Mayor Widmyer called the meeting to order.

INVOCATION: Pastor John Padula of Altar Church provided the invocation.

PLEDGE OF ALLEGIANCE: Councilmember Gookin led the Pledge of Allegiance.

Mayor Widmyer mentioned the presentation of One and Done, The Counterfeit Pill Public Health Threat by Acting U.S. Attorney Rafael M. Gonzalez, Jr. had been scheduled for a later date.

PUBLIC TRANSPORTATION UPDATE: Kootenai County Public Transportation’s Chad Ingle, Program Manager presented a public transportation (also known as Citylink) update. Mr. Ingle went over the representative project list and strategic service planning; which included their goal and objectives. He said Kootenai County was growing and changing and local transportation would need to grow with it. They were looking towards improving service, meeting demands, increasing bus operation efficiency, and reducing operational costs. They have put together a working group to coordinate efforts to develop regional programs to enhance services. He stated they were working on the integrated mobility innovation (IMI) update and what that may hold in the future. The platform would connect transportation modes to meet rider’s needs. He stated they were actively planning for the future.

UPDATE TO THE FISCAL YEAR 2021-2022 BUDGET: Troy Tymesen, City Administrator, gave an update on the Fiscal Year 2021-2022 Budget. He stated they continue to receive revenue numbers and they continue to be positive. He stated the proposed budget included taking 0% of available property tax revenue ($700,000). He explained the reduction of anticipated property tax revenue would be made up through increased revenue from sales and liquor taxes, and an increase
to the short-term rental permit fee and associated fines. He said the Unassigned General Fund Balance was projected to be 13% of budgeted expenditures as presented, yet he expects the actual numbers would be better at fiscal year-end. He noted the proposed budget included $1.1 million in contractual increases due to merit, COLA, 1% wage adjustment for public safety increases, along with health insurance premiums, additional staff, increases to services and supplies, and capital outlay. He stated there were a net 7.45 full time equivalent (FTE) staffing changes proposed which included the following positions: one (1) Police Sergeant, two (2) Police Officers, one (1) Code Enforcement Officer, one (1) Grant Funded Police Officer, three (3) Firefighters, one (1) Assistant Street Director, and other staffing changes which equated to a decrease of 1.55 FTE. He said there were the following Capital Outlay purchases which equaled $539,840: Police Department vehicles, Fire Department flooring, used surplus equipment for the Streets Department, new chiller unit for the Police Department, and repairs at a City-owned building located at 414 Fort Ground Way. He noted the new budget numbers were significantly due to the strong recovery from the pandemic.

**DISCUSSION:** Mayor Widmyer asked what the reduction to the new growth dollar amount was, with Mr. Tymesen stating a $35,000 reduction. Councilmember Gookin asked if part of the Unassigned Fund Balance contains carryover, with Mr. Tymesen stating it did not. Councilmember Miller asked if the positions were the only additions moving forward since the first budget discussion, with Mr. Tymesen responding in the affirmative. Councilmember Wood asked about the police vehicles and if federal funding was available, with Mr. Tymesen responding they were preparing a report to request funds, and if successful, they would be available to purchase capital items including vehicles. Councilmember Wood commended the Mayor for preparing the budget yet was wary of building the budget on proposed revenue numbers and did not wish to push a possible deficit on to the future and would like to look at a 1% property tax. Mayor Widmyer stated taxes were based on the State’s projected numbers and he felt they were conservative and he was comfortable using the numbers. Councilmember Gookin stated he would like to entertain the idea of adding an engineer instead of assistant director to the Street & Engineering Department, and felt that a city of their size warranted it. Councilmember Miller stated she felt if the department needed an engineer, they would have requested one.

Councilmember English stated in light of the new revenue numbers he wouldn’t feel comfortable taking any property tax revenue this year. Councilmember Miller asked about the recommended Fund Balance and if it was two- or three-months of reserves, with Mr. Tymesen responding the minimum was two-months. Mayor Widmyer asked what the total General Fund budget amount was, with Mr. Tymesen stating it was $46 million, with Mayor Widmyer noting 15-20% in reserves was ideal. Mayor Widmyer stated he appreciated all the hard work Comptroller Vonnie Jensen and her staff had done on the budget.

**PUBLIC COMMENTS:**

Michael Luntz, Coeur d’Alene, stated he is part of a pick-up dodgeball group that plays mainly at McEuen Park. He said he had received an email from the Parks & Recreation Department stating they had been running people off of the basketball court and that they would have to find a new place to play. Mr. Luntz stated he arrives early to the court in order to let everyone know they would be using it. He said he was polite to all and was working to create a non-profit in order to
take the games inside in the winter. He said they use the courts approximately three (3) hours each week and would like an opportunity to work with the City to continue the games. Mayor Widmyer stated he felt the City could work with the group and felt any public recreation was a good thing would have someone from the City contact him. Councilmember Gookin asked Chief Deputy City Attorney Randy Adams if the City could ban anyone from a public facility, with Mr. Adams stating there would have to be violation of the law, discrimination, or something of that magnitude.

Ron Cavalin, Coeur d’Alene, stated he had been trying to attain a building permit but because of a change to the R-12 zoning, he has been denied a permit for his 200’ strip of land on north of Foster Avenue. He noted the property had been split previously and he was told it had been done illegally and would have to be rejoined, which he did. However, was still unable to receive a permit. Mr. Widmyer stated he didn’t believe the zoning had changed and referred him to meet with the Planning Department. Councilmember Gookin mentioned Mr. Cavalin would need to rezone the property to R-17 in order to build the four (4) units he was proposing.

Linda Putts, Coeur d’Alene, stated she attended the Arts Commission meeting and was concerned with two (2) of the proposed statues that were part of the ArtCurrents item on the agenda for approval. She stated the art was too sexually explicit and intimidating and asked Council to vote no on the art pieces entitled “Gaia” and “Unrestrained Force.”

Russell McLain, Kootenai County, stated he had been in need of paramedics a few weeks ago, and Coeur d’Alene Fire paramedics provide aid to him. He wanted to commend the staff and show his appreciation for their great work.

Ben Acre, Coeur d’Alene, said he wished to thank Council for being open minded towards outdoor activities, specially dodge ball.

Mayor Widmyer asked for the Appointments of John Bruning, Jennifer Drake, and David Groth to the Arts Commission.

**MOTION:** Motion by Wood, seconded by Evans, to appoint John Bruning, Jennifer Drake, and David Groth to the Arts Commission.

**DISCUSSION:** Councilmember Gookin stated he was in opposition to the reappointments, and noted the people were respectable, but felt a City of 50,000 people should be trying to recruit new citizens to serve on the boards and commissions.

Motion carried, with Councilmember Gookin voting in opposition.

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, APPROVING A CDBG-CV GRANT AGREEMENT WITH LAKE CITY CENTER USING CDBG-CV FUNDS FOR THE REIMBURSEMENT OF THE COST OF AIR SCRUBBERS PURCHASED AND INSTALLED AT THE SENIOR CENTER.

STAFF REPORT: CDBG Specialist Chelsea Nesbit stated the Lake City Senior Center (LCSC) had requested reimbursement for the purchase and placement of four (4) Air Scrubbers (Air Scrubber BY AERUS Model: A1013Q Ozone-Free 9960052) to aid in removing surface and airborne contaminants including VOCs, odors, dust, pet dander, and other allergens. She said the system had been tested in independent labs and proven effective on bacteria, viruses, mold, and fungi on surfaces and in the air, and each device covered approximately 3,000 square feet. Lake City Center’s facility is 11,500 square feet. She noted the community served by the LCSC was primarily an “at-risk” population, with citizens over the age of 65, and many with underlying health and medical conditions with an increased risk of contracting COVID-19 with grave consequence. The placement of the Air Scrubbers in the HVAC was expected to help mitigate or eliminate bacteria and viruses from the air, including the COVID-19 virus. The City received $199,675 in the first allocation of CDBG-CV funds and an additional $247,124 in CDBG-CV3 funds, bringing the total CV funds allocation to $446,799. A total of $59,360 has been set aside for administrative expenses, leaving a total of $387,439 for Community Opportunity Grants. The total dollar amount of approved grants to date was $317,600. The Volunteer Ad Hoc Grant Review team had recommended funding for Lake City Senior Center in the amount of $5,000 for
the reimbursement of Air Scrubbers purchased and installed at the senior center. Ms. Nesbit noted there was currently $74,839 in CARES Act funds available for COVID-19-related needs that met HUD requirements for funding, and if the grant was awarded, $69,839 would remain.

**MOTION:** Motion by Evans, seconded by Miller, to approve Resolution No. 21-050, Approving a CDBG-CV Grant Agreement with Lake City Center using CDBG-CV Funds for the Reimbursement of Air Scrubbers Purchased and Installed at the Senior Center.

**RESOLUTION NO. 21-051**

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, AUTHORIZING ART DISPLAY AGREEMENTS, EACH FOR A TERM OF ONE-YEAR WITH THE OPTION TO EXTEND FOR AN ADDITIONAL ONE-YEAR TERM, FOR NEW ART PIECES PURSUANT TO THE 2021 ARTCURRENTS PROGRAM.

**STAFF REPORT:** City Administrator Troy Tymesen stated the Arts Commission (Commission) was requesting approval to enter into art display agreements for a period of one-year, with the option to extend for an additional year, for ten (10) new art pieces for the 2021 ArtCurrents program. He said the City of Coeur d’Alene Public Art Program Policy was adopted by the City Council on November 2, 1999, and designates the Commission as the standing committee charged by the City Council to oversee the Public Art program. He mentioned that oversight responsibilities of the Commission included the selection of art for the ArtCurrents program, which were on display for public viewing around the City. He stated the Commission established an ArtsCurrents subcommittee and published a “Call to Artists” through CaFÉ which was open to local artists residing in the states of Idaho, Montana, Washington, or Oregon. The criteria required that the submitted art pieces be a minimum of 36” high, that the artist provide a photo of the front and back of the art piece, and include a brief explanation of, and inspiration for, the piece. He said the call closed on July 9, 2021, and a total of fourteen (14) art pieces from eight (8) artists were submitted. The ArtsCurrents subcommittee met and selected ten (10) pieces which were approved by the Commission at their July 27, 2021 meeting. The newly selected ArtCurrents pieces will be displayed for a two-year period beginning in October 2021, and concluding in September 2023 and the artist receives $1,000 per art piece for each year the art is displayed. Funding for the ArtCurrents program comes from ignite cda, and the total budgeted amount for the ArtCurrents program is $20,000 over a two-year fiscal year budget ($10,000 for each fiscal year).

Mr. Tymesen asked for Council approval of the ten (10) new art pieces selected for the 2021 ArtCurrents program, as recommended by the ArtsCurrents subcommittee and Arts Commission, and authorize staff to execute the art display agreements.

**MOTION:** Motion by Wood, seconded by English, to approve Resolution No. 21-051, Approving the Selection of Ten (10) New Art Pieces for the 2021 ArtCurrents Program, and Authorizing Staff to Execute the Art Display Agreements.
DISCUSSION: Councilmember English asked for clarification the City was not purchasing the art pieces, with Mr. Tymesen stating the artist would be paid a stipend for the art display agreement and the art would be for sale with the City receiving a 25% commission when sold. Councilmember Gookin stated he didn’t find any offense with the art pieces “Gaia” or “Unrestrained Force” and felt they were appropriate for the ArtCurrents program. Councilmember Wood was in agreement with Councilmember Gookin and noted the City had a commission which was active in the arts, and did a great job selecting artist. She said art was enjoyed by many people with different viewpoints.

ROLL CALL: English Aye; Wood Aye; Evans Aye; Miller Aye; Gookin Aye. Motion carried.

STAFF REPORT: Comptroller Vonnie Jensen stated the City Council annually amends the original appropriations ordinance for unanticipated expenditures. Ms. Jensen said Idaho Code allows the City Council at any time during the current fiscal year to amend the appropriations ordinance to reflect the receipt of revenues and/or the expenditure of funds that were unanticipated when the ordinance was adopted. She stated each year, the City adopts amendments to the appropriation’s ordinance. She noted the budget amendment shows increases in expenditures due to carryovers of projects, state and federal grants received, funding received in FY 2019-20 from the CARES Act that was designated for FY 2020-21 expenses, impact fee usages for police and fire expenditures, and miscellaneous additional items. She said additional revenues in the amount of $839,320 had been received in the General Fund to cover the increased expenses for the fiscal year, and that $1,632,561 was coming from the designated fund balance. She requested Council approve Resolution No. 21-052, to amend the Fiscal Year 2020-21 Budget by a total of $4,522,681.

(LEGISLATIVE PUBLIC HEARING) ZC-5-21 – A PROPOSED ZONE CHANGE FROM R-12 TO R-17 LOCATED AT 3221 N. 4TH STREET; APPLICANT: ESCALADE PROPERTIES, LLC.

COUNCIL BILL NO. 21-1019

AN ORDINANCE AMENDING THE ZONING ACT OF THE CITY OF COEUR D'ALENE, KOOTENAI COUNTY, IDAHO, KNOWN AS ORDINANCE NO. 1691, ORDINANCES OF THE CITY OF COEUR D'ALENE, BY CHANGING THE FOLLOWING DESCRIBED PROPERTY FROM R-12 TO R-17, SAID PROPERTY BEING DESCRIBED AS FOLLOWS, TO WIT: +/- 0.47 ACRE PARCEL OFF OF 4TH STREET SOUTH OF NEIDER AVENUE LOCATED AT 3221 N. 4TH STREET; REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH; PROVIDING A SEVERABILITY CLAUSE; PROVIDE FOR THE PUBLICATION OF A SUMMARY OF THIS ORDINANCE AND AN EFFECTIVE DATE HEREOF.

STAFF REPORT: Planning Director Hilary Anderson stated the applicant was requesting the approval of a zone change from the R-12 to the R-17 zoning district. The 0.47-acre parcel was located off of 4th Street, south of Neider Avenue. There was an existing single-family dwelling located on the parcel which will be removed. Escalade Properties, LLC, purchased the parcel in July of 2019, with the intent to build a multifamily project and the requested zone change was necessary to build the multifamily project. R-12 zoning does not permit multifamily residential. At their regular monthly meeting on July 13, 2021, the Planning Commission held a public hearing on the item and recommended approval for the zone change request. The subject property was surrounded by previous zone change requests that were all approved. As noted below on the map and the list of zone changes, the changes took place between 1992 and 2021. The majority of the zone changes were from R-12 to C-17. There were a few to C-17 L and R-17. The most recent
zone change was from R-12 to R-17 in 2021. Ms. Anderson explained there were four (4) findings which must be met in order to approve the requested zone change. They were the following: Finding #B8-the proposal (is) (is not) in conformance with the Comprehensive Plan policies, Finding #B9-public facilities and utilities (are) (are not) available and adequate for the proposed use, Finding #B10-the physical characteristics of the site (do) (do not) make it suitable for the request at this time, and Finding #B11-the proposal (would) (would not) adversely affect the surrounding neighborhood with regard to traffic, neighborhood character, (and) (or) existing land uses. She noted the areas are where the character of neighborhoods was in transition and should be developed with care. The street network, the number of building lots and general land use are expected to change greatly within the planning period, and it is typically a stable established housing area with a mix of zoning districts with the majority of the area having been developed. She mentioned special care should be given to the areas that remain such as the Nettleton Gulch area, protecting the beauty and value of the hillside and wetlands. She stated that public facilities and utilities were adequate to serve the proposed request. She said the site was generally flat and there were no topographical or physical constraints which would make the subject property unsuitable for the zone change to R-17. The proposed zone change itself would not adversely affect the surrounding area with regard to traffic, as no traffic was generated from a zone change alone, however, the applicant states that the zone change was needed to allow multi-family housing to replace the single family residence. If the property was developed to the maximum allowable density, traffic would only increase by five (5) peak trips per peak hour. The existing left turn lane will aid with ingress/egress. The Streets & Engineering Department had no objection to the zone change as proposed. She said the subject property was located near the commercial corridors of Neider Avenue and 4th Street and was located on 4th Street, and south of Neider Avenue. She stated there was commercial, office, multi-family residential uses, and a few single-family residences nearby. The properties directly to the north and south are existing single family dwellings. A portion of abutting property to the north was vacant and has been approved for a zone change to R-17 by the City Council. Further to the north, uses include a drive-through beverage retailer, an office complex, and a coffee stand, and beyond those commercial uses on Neider Avenue was Costco. To the west and abutting the subject property on the most western boundary was the Briarwood Town Homes multi-family development. To the east across 4th Street were single-family residential uses. Southeast of the property on 4th Street and Ichabod Lane was the property with a Neighborhood Commercial (NC) zoning designation. The subject property was in an ideal location for a multi-family residential project due to its proximity to services, employment, public transportation, walkability, and bike ability. It is also within ½ mile of North Pines Park. Approval of the zone change request would allow the uses by right to change from R-12 uses to R-17 uses. The R-17 district is intended as a medium/high density residential district that permits a mix of housing types at a density not greater than seventeen (17) units per gross acre. The district was appropriate for those areas of the city that are developed at this density or are preferably developed at this density because of factors such as vehicular access, topography, flood hazard, and landslide hazard areas. Ms. Anderson requested that City Council consider the request and make findings to approve, deny, or deny without prejudice the zone change from R-12 to R-17.
DISCUSSION: Councilmember Gookin asked how many units would be allowed, with Ms. Anderson responding R-17 zoning allowed up to eight (8), yet the usable property available would most likely make it between 4-6 units once the parking was added. Councilmember Gookin asked what the parking requirements were per unit, with Ms. Anderson stating it would depend on the number of bedrooms and with multi-family, a studio unit would require one (1) parking space, a one-bedroom unit would require 1 ½, and a two-bedroom unit would require two (2) spaces.

The Mayor opened the public comment portion of the hearing.

APPLICANT: Paul Malen stated a study was done that showed there was a need for missing middle housing which included fourplexes and small multiplexes, and his proposal would provide housing opportunities. He wished to thank the Planning Department for their assistance with the process. Councilmember Gookin asked how many units he was proposing to build, with Mr. Malen responding realistically they would build 4-6 units after consideration for parking and landscaping needs. Councilmember Gookin asked for clarification on the number of parking stalls shown in Planning Commission notes in the staff report, with Ms. Anderson stating she believes there was a typographical error in the minutes, and reaffirmed the spaces would be dependent on the number of bedrooms in each unit as required in the code.

The Mayor closed the public comment portion of the hearing.

MOTION: Motion by Evans, seconded by Wood, to dispense with the rule and read Council Bill No. 21-1019 once by title only.

ROLL CALL: Gookin No; English Aye; Wood Aye; Evans Aye; Miller Aye. Motion carried.

MOTION: Motion by Evans, seconded by Wood, to adopt Council Bill No. 21-1019.

DISCUSSION: Councilmember Gookin stated he would be voting in opposition as he had concerns with the change to higher density and stated the property was one of the few left in the area with low-density. Councilmember Wood noted the properties in the surrounding area had been rezoned and the zone change was appropriate for the area.

ROLL CALL: Gookin No; English Aye; Wood Aye; Evans Aye; Miller No. Motion carried.

Mayor Widmyer stated he checks the COVID stats for the hospital and those in the ICU each day, and stated there were currently 87 people hospitalized, with 34 of those in the ICU. He asked everyone to try to be as safe and healthy as possible, as the hospital and their staff were severely taxed.
ADJOURN: Motion by Wood, seconded by Miller, that there being no other business this meeting be adjourned. **Motion carried.**

The meeting was adjourned at 7:25 p.m.

Item 1. Approval of Consent of Control for Mobilitie, Inc. to Move Forward with Their Recapitalization Transaction with BAI Communications.

Municipal Services Director Renata McLeod stated Mobilitie, Inc., has a franchise Agreement with Mobilitie, under which Mobilitie would construct and maintain a telecommunications system in the City of Coeur d’Alene’s (City) rights-of-way for a 10-year term. Section 8 of the Ordinance provides that the Franchise shall not be assigned or transferred, leased or disposed of without the prior written consent of the City Council, which consent shall not be unreasonably withheld. She said the City received a request for Council’s consent to the transfer of control on August 11, 2021, and there were no circumstances identified which would justify consent being withheld. Ms. McLeod noted BAI intends to keep the name “Mobilitie” and, upon the transfer, would be bound by the same terms and conditions set forth in the original Franchise Agreement for the remainder of the 10-year term, which is set to expire or be renewed in 2028. She explained any changes in ownership: name change, ownership, restructuring of the company, etc. required Council’s approval. They have requested a recapitalization transaction.

Ms. McLeod requested Council consent to the transfer of control of the City Franchise from Mobilitie, LLC, to BAI Communications.

Councilmember Gookin asked in regards to the Section 8 language, asking if it was the City’s language or the franchisee, with Ms. McLeod responding it was language in our agreement. City Attorney Mike Gridley stated it was standard franchise agreement language, and the language was included in order to keep the City apprised of ownership transfers and therefore who was entitled to do work within the City as part of the franchise agreement.

Councilmember Miller stated the transfer did not appear to change the original terms of the agreement.

MOTION: by Miller, seconded by Gookin, to recommend that Council Consent to the Transfer of Control of Mobilitie, Inc., to BAI Communications for purposes of the existing Franchise Agreement.
Motion Carried.
Item 2. **Request Approval of the Assignment of Lease Agreement from Neil and Anne Lunt d/b/a Brooks Seaplane Service, LLC, to Shane Rodgers d/b/a Scenic Adventures Flights, LLC.**

(Agenda)

Parks and Recreation Director Bill Greenwood stated Brooks Seaplane had been leasing Bay 5 on the commercial dock and providing plane rides over the City of Coeur d’Alene’s (City) region for over 30 years. He stated Shane Rodgers was purchasing the business from Neil and Anne Lunt and wanted to carry on the tradition. He stated Mr. Rodgers had provided the City all necessary documents, including insurance, to assume the lease assignment. He noted the City had an existing 5-year lease in place with Brooks Seaplane, commencing April 1, 2018, and ending March 31, 2023, and the lease allowed a five (5) year extension of the agreement if made in writing prior to September 1, 2022. He noted the assignment of the lease was for the remaining initial term, and the assignee would be entitled to request an extension. He stated the lease assignment did not change the terms of the original lease to Brooks Seaplane.

Mr. Greenwood requested Council approval of assignment of lease from Neil and Anne Lunt d/b/a Brooks Seaplane Service, LLC, to Shane Rodgers d/b/a Scenic Adventures Flights, LLC.

Councilmember Miller stated she had concerns regarding the lease assignment in regards to when it was approved years ago and the current terms of the lease now. She said when the original lease was approved it was to offer a unique service and a way to bring in tourism and was limited in scope. She didn’t feel it should be transferred and sold as an asset and the new operator would not be operating in the same fashion as the current or previous lessee. She noted the new lessee planned to operate a larger plane and she would like Council to discuss the matter in more detail. Mr. Greenwood stated Mr. Rodgers would be continuing the same lease agreement as approved with the Brooks Seaplane and would be operating a similar business plan as well. Councilmember Miller wanted assurance that the lease assignment would not approve unintended expansion to operations. Mr. Greenwood stated he would reach out to Mr. Rodgers to gain clarity of his operational business plan.

**MOTION:** by Miller, seconded by Gookin, to recommend this item be forwarded to the full City Council without a recommendation.

**Motion Carried.**

Item 3. **Request Approval of Amendments to the Municipal Code Relating to Motor Driven Watercraft Speeds on the Navigable Waters of the City.**

(Agenda)

Parks and Recreation Director Bill Greenwood stated the requested code amendments were a cleanup of the code which would help with the enforcement of the no boat area, speed limits, no wake zone, and the Sheriff’s Department had jurisdiction in the waters and the code amendment would allow them to enforce the laws within the City’s boundaries. He stated it was undisputed that wakes generated by watercraft damaged the shoreline and could negatively impact other
users of the City’s waters. He said the ordinance and new Law Enforcement Protection Contract would simply expand the area now patrolled by the County.

Mr. Greenwood requested Council approval of the amendments to the Municipal Code to regulate vessel speeds on that portion of the Spokane River within the City limits, and approve the Law Enforcement Protection Contract with Kootenai County Sheriff’s Office.

Councilmember Gookin stated the intention of the code amendments were to enable the County to enforce the code which included speed limits and the no wake zone.

**MOTION:** by Gookin, seconded by Miller, to recommend that Council Approve Amendments to the Municipal Code Relating to Motor Driven Watercraft Speeds on the Navigable Waters of the City.
**Motion Carried.**

**Item 4. Request Approval of an Agreement with North Idaho College (NIC) to Provide School Resource Officer (SRO) Services for School Years 2021-2023.**

(Consent)

Captain Dave Hagar stated the City of Coeur d’Alene (City) had maintained an agreement with North Idaho College (NIC) to provide one (1) School Resource Officer (SRO) for several years. He said the current agreement was similar to previous years’ agreements, and the proposed agreement includes an update to the officer’s salary amount. He stated the partnership with NIC was extremely valuable and demonstrates the City’s commitment to keeping the students safe, and having an SRO at the school throughout the summer continues the partnership and was in the best interest of NIC and the community.

Captain Hagar requested Council approval of the attached agreement with NIC to provide SRO services for school years 2021-2023.

**MOTION:** by Gookin, seconded by Miller, to recommend that Council Approve the Agreement with North Idaho College (NIC) to provide School Resource Officer (SRO) Services for School Years 2021-2023.
**Motion Carried.**

**Item 5. PRESENTATION – Legal Department**

City Attorney Mike Gridley described the mission of the Legal Department was to provide high quality, cost-effective civil legal services and criminal prosecution for the City of Coeur d'Alene.

Mr. Gridley’s presentation included the following discussion points:
The Legal Team Consists of one (1) City Attorney, two (2) Chief Deputy City Attorneys, one (1) Deputy City Attorney, two (2) Assistant City Attorneys, two (2) Senior Legal Assistants, two (2) Legal Assistants, and one (1) Victim’s Advocate Volunteer

Summary of the Legal Department’s Duties
Examples of Major Crime Categories; Property and People Crimes; and Drug Crimes
Examples of Legal Support Staff Duties
Examples of Prosecutor’s Office Caseload
Explained the Caseload Standards for Prosecutors
Law Enforcement Budget History and FTE’s
Explained the Prosecutor’s Office 2021-22 Staffing Needs

Councilmember McEvers asked who was responsible for making the decision to prosecute cases, with Mr. Gridley responding the prosecuting attorneys work as a team and the ultimate decision rested with Chief Criminal Deputy City Attorney Wes Somerton. Mr. Gridley added they sometimes received recommendations from the presiding judge as well.

Councilmember McEvers asked if Mr. Gridley compared his department to other cities, with Mr. Gridley responding he did, and tried to compare like cases when doing so. He stated it was difficult to compare his department with other cities as there were many operating differences.

Councilmember Miller asked if any analysis had been done to possibly amend code regulations which may result in a reduction in the number of cases, and if there were new types of misdemeanors or infractions being seen in the City. Mr. Gridley responded he hadn’t been made aware of a substantial number of new laws, and he typically would receive direction from Council if they wished to change the response to code violations.

Councilmember Gookin said there were many code updates being reviewed by the Legal Department, and asked how Mr. Gridley prioritized all the requests. Mr. Gridley said requests that came from the majority of Council and the Mayor would have the highest priority.

The meeting adjourned at 12:53 p.m.

Respectfully submitted,
Sherrie L. Badertscher

DECISION POINT: Should the City Council consent to the transfer of control of Mobilitie, Inc., ("Mobilitie") a franchisee of the City, to BAI Communications ("BAI")?

HISTORY: In June 5, 2018, the City Council enacted Ordinance 3609, a Franchise Agreement with Mobilitie, under which Mobilitie would construct and maintain a telecommunications system in the City of Coeur d'Alene’s (City) rights-of-way for a 10-year term. Section 8 of the Ordinance provides that “[t]his Franchise shall not be assigned or transferred, leased or disposed of either in whole or in part by voluntary sale or involuntary sale, merger or consolidation, either legal or equitable or any right, interest or property therein, pass to or vest in any person, or entity without the prior written consent of the City Council, which consent shall not be unreasonably withheld.” The City received a request for Council’s consent to the transfer of control on August 11, 2021. No circumstances have been identified which would justify that consent be reasonably withheld. The full language of this section of the Ordinance is set out below.

SECTION 8 – TRANSFER OF OWNERSHIP OR CONTROL

A. This Franchise shall not be assigned or transferred, leased or disposed of either in whole or in part by voluntary sale or involuntary sale, merger or consolidation, either legal or equitable or any right, interest or property therein, pass to or vest in any person, or entity without the prior written consent of the City Council, which consent shall not be unreasonably withheld. No consent will be required for a transfer in trust, mortgage, or other hypothecation as a whole or in part to secure an indebtedness.

B. The Grantee shall promptly notify the City of any actual or proposed change in, or transfer of, or disposition of or acquisition by any other party of, control of the Grantee. The word "control" as used herein is not limited to major stockholders but includes actual working control in whatever manner exercised. Every change, transfer, or acquisition of control of the Grantee shall make the Franchise subject to cancellation unless and until the City Council shall have consented thereto, which consent will not be unreasonably withheld. For the purpose of determining whether it shall consent to such change, transfer, disposition, or acquisition of control, the City Council may inquire into the qualifications of the prospective controlling party, and the Grantee shall assist the City Council in any such inquiry.

C. The consent or approval of the City Council to any transfer of the Franchise shall not constitute a waiver or release of the right of the City in and to the Rights-of-Way, and any transfer shall by its terms, be expressly subordinate to the terms and conditions of this Franchise.

D. By its acceptance of this Franchise, the Grantee specifically agrees that any such transfers occurring without prior approval of the City Council shall
constitute a violation of this Franchise by the Grantee. In no event shall a transfer of ownership or change of control be approved without the successor in interest becoming a signatory to this Franchise.

E. For the purpose of this Section, a change of control of the Grantee shall be defined as any acquisition of the Grantee or the Grantee’s parent’s voting stock by a person or group of persons acting in concert which results in that person or group of persons owning more than fifty percent (50%) of the voting stock of the Grantee or Grantee’s parent.

F. Within thirty (30) days of any transfer or sale and upon request, if approved or deemed granted by the City, the Grantee shall file with the City a copy of the deed, agreement, or other written instrument evidencing such sale or transfer of ownership or control, certified and sworn to as correct by the Grantee.

G. Standards. The City may inquire into the legal, technical and financial qualifications of the prospective controlling party or transferee, and the Grantee shall assist the City in so inquiring. The City may condition said sale or transfer upon such terms and conditions as it deems reasonably appropriate; provided, however, the City shall not unreasonably withhold its approval and any such terms and conditions so attached shall be related to the legal, technical, and financial qualifications of the prospective controlling party or transferee and to the resolution of outstanding and unresolved issues of noncompliance with the terms and conditions of this Franchise by the Grantee.

H. Common Control Exemption. Notwithstanding anything to the contrary in this Section, the prior written approval of the City Council shall not be required for any sale, assignment or transfer of the Franchise, Telecommunications System or ownership to an entity controlling, controlled by, or under the same common control as the Grantee.

FINANCIAL ANALYSIS: BAI intends to keep the name “Mobilitie” and, upon the transfer, would be bound by the same terms and conditions set forth in the original Franchise Agreement for the remainder of the 10-year term, which is set to expire or be renewed in 2028. In exchange for the use of the City’s rights-of-way, BAI/Mobilitie will pay to the City five percent (5%) of its annual gross revenues derived from the operation of its telecommunications system providing telecommunication services in the City.

DECISION POINT/RECOMMENDATION: City Council should consent to the transfer of control of the City Franchise from Mobilitie, LLC, to BAI Communications.

FROM: BILL GREENWOOD, PARKS & RECREATION DIRECTOR

SUBJECT: SPOKANE RIVER VESSEL SPEEDS (COUNCIL ACTION REQUIRED)

DECISION POINT: Should the General Services/Public Works Amendments recommend approval of amendments to the Municipal Code regulating motor driven watercraft speeds on the navigable waters of the City?

HISTORY: The City previously adopted speed restrictions for vessels on Lake Coeur d’Alene and that portion of the Spokane River which was then within the City limits. On September 20, 2016, the City annexed Blackwell Island. At the same time, the City annexed a portion of the Spokane River south of the US 95 bridge to the mouth of the River and a portion of Lake Coeur d’Alene at and surrounding the mouth of the River, approximately 158 acres in area. Under Municipal Code § 4.20.020(B), the current speed restrictions on the Spokane River include: (1) five miles per hour within 100 feet of the shoreline or any dock, pier, other structure, or person; (2) fifteen miles per hour within 50 feet of any other vessel; (3) twenty miles per hour at night, except as otherwise restricted; and (4) thirty-five miles per hour in the day time unless otherwise restricted. The Code as it now reads thus allows speeds greater than were allowed by the County in that portion of the Spokane River prior to annexation. The County had designated that stretch of the River as a “no wake zone,” which is defined “as an area in which the operation of a vessel must be accomplished at not more than five (5) miles per hour and where no water shall produce a wake greater than four inches (4”) in height within the designated boundaries of the area.”

It is undisputed that wakes generated by watercraft damage the shoreline and can negatively impact other users of the City’s waters. To prevent damage to the shoreline, to make the City’s speed restrictions on the Spokane River consistent with the County’s prior restrictions which will help in enforcement, and to make the Spokane River and shorelines a safe and enjoyable recreation site for all, staff recommends amending the City Code. The new restrictions would: (1) set a maximum speed limit of five miles per hour, or a speed which produces a wake of no more than four inches, whichever is less, for vessels between the mouth of the Spokane River to the south end of the University of Idaho-Coeur d’Alene (Harbor Center) building; (2) set a maximum speed limit of five miles per hour, or a speed which produces a wake of no more than four inches, whichever is less, for vessels within 100 feet of the shoreline or any dock, pier, other structure, or person; (3) prohibit operating a vessel at a speed that creates an excessive, dangerous, or damaging wake; and (4) automatically designate the Spokane River as a “no wake zone” under certain circumstances. Definitions of “excessive wake,” “no wake zone,” and “wake” are added, closely mirroring the County definitions.
FINANCIAL ANALYSIS: There is an existing Law Enforcement Protection Contract under which the County agrees to provide law enforcement services for the City’s navigable waters of Lake Coeur d’Alene without charge to the City. The City anticipates entering into a new Contract with the County, modifying the terms of the existing Contract to cover that portion of the Spokane River now within the City’s boundaries, also without charge. Discussions with County officials lead staff to believe that the new Contract will be approved by the County. Therefore, it is not anticipated that there will be a financial impact on the City except for possible incidental litigation expenses incurred in the prosecution of violators.

PERFORMANCE ANALYSIS: The City does not have the necessary equipment or personnel to patrol the navigable waters of the city and it is not anticipated that it will have such equipment or personnel in the foreseeable future. The County has already been providing law enforcement services for the City’s navigable waters, except for the newly annexed waters. The Ordinance and new Law Enforcement Protection Contract will simply expand the area now patrolled by the County.

DECISION POINT/RECOMMENDATION: Council should approve the amendments to the Municipal Code to regulate vessel speeds on that portion of the Spokane River within the City limits.
ORDINANCE NO. ______ COUNCIL BILL NO. 21-1020

AN ORDINANCE AMENDING SECTIONS 4.20.010 AND 4.20.020(B) OF THE MUNICIPAL CODE OF THE CITY OF COEUR D'ALENE, KOOTENAI COUNTY, IDAHO, ESTABLISHING AND MODIFYING SPEED RESTRICTIONS ON THE SPOKANE RIVER WITHIN CITY LIMITS; PROVIDING FOR THE REPEAL OF CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE PUBLICATION OF A SUMMARY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, upon recommendation of the Parks and Recreation Department, it is deemed by the Mayor and City Council to be in the best interests of the City of Coeur d'Alene that said Amendment be adopted;

NOW, THEREFORE,

BE IT ORDAINED by the Mayor and City Council of the City of Coeur d'Alene:

SECTION 1. That new definitions be added to section 4.20.010 of the Municipal Code of the City of Coeur d'Alene as follows:

EXCESSIVE WAKE: A wave resulting from operating a vessel at the speed at which boats create the most wake, moving quickly and displacing the most water, i.e., plowing; or the wave resulting from operating a vessel in an artificially bow-high manner to increase or enhance a wake, including wake enhancement by use of ballast, mechanical hydrofoils, or uneven loading; or the wave resulting from operating a vessel to cause water to lap onto or over a dock, pier, or other lawfully permitted encroachment.

NO WAKE ZONE: An area in which a vessel may be operated at not more than five (5) miles per hour or in a manner where no wake greater than four inches (4”) in height is created, whichever is less.

WAKE: The visible track of turbulence created by the movement of a vessel through the water.

SECTION 2. That section 4.20.020(B) of the Municipal Code of the City of Coeur d’Alene be amended follows:

B. Spokane River:

1. No person shall operate, navigate, cause to float, moor or anchor any motor driven watercraft or toy boat of any length or any sail powered vessel longer than twenty feet (20’) within a designated public swimming area created by this chapter.
2. No person shall operate, navigate, cause to float, moor or anchor any vessel within designated public swimming only areas created by this chapter.

3. From the mouth of the Spokane River to the south end of the University of Idaho-Coeur d’Alene (Harbor Center) building is declared a “no wake zone.”

34. No person shall operate or navigate any vessel in any waters within one hundred feet (100’) of any shoreline or any dock, pier, other structure, or person in the Spokane River at a speed greater than five (5) miles per hour or at a speed which produces a wake greater than four inches (4”) in height declared a “no wake zone.”

5. No person shall operate or navigate any vessel in any waters between one hundred feet (100’) and one hundred fifty feet (150’) of any shoreline or any dock, pier, other structure, or person at a speed which creates an excessive wake.

46. All persons operating or navigating any vessel within fifty feet (50’) of any other vessel, where the speed is not otherwise restricted, in the Spokane River shall do so at a speed that is reasonable and prudent, but not in excess of fifteen (15) miles per hour.

57. No person shall operate or navigate a vessel at night, when the speed is not otherwise restricted, at a speed greater than twenty (20) miles per hour.

68. During the day, on those portions of the Spokane River within the city limits of Coeur d’Alene, where the speed is not otherwise regulated, all persons operating or navigating a vessel shall do so at a speed that is reasonable and prudent, but not in excess of thirty-five (35) miles per hour.

9. During the day or night, no vessel shall be operated at a speed or in a manner that creates an excessive, dangerous, or damaging wake.

10. The Spokane River shall be automatically designated as a “no wake zone” in its entirety whenever the gauge on the Coeur d’Alene Lake at Tubbs Hill reads two thousand one hundred thirty-three feet (2,133’) or higher. The designation shall expire when the conditions giving rise to the designation no longer exist, except as may be provided by a resolution of the City Council.

11. This subsection shall not apply to any vessel being operated under emergency conditions or by any authorized agent of any law enforcement agency of the state of Idaho, the United States, or any political subdivision, while said agent is acting in the performance of his/her duties.

SECTION 3. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 4. The provisions of this ordinance are severable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid, or unconstitutional or inapplicable to any
person or circumstance, such illegality, invalidity or unconstitutionality or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this ordinance or their application to other persons or circumstances. It is hereby declared to be the legislative intent that this ordinance would have been adopted if such illegal, invalid or unconstitutional provision, clause sentence, subsection, word, or part had not been included therein.

SECTION 5. After its passage and adoption, a summary of this Ordinance, under the provisions of the Idaho Code, shall be published once in the official newspaper of the City of Coeur d'Alene, and upon such publication shall be in full force and effect.

Passed under suspension of rules upon which a roll call vote was duly taken and duly enacted an Ordinance of the City of Coeur d’Alene at a regular session of the City Council on September 7, 2021.

APPROVED, ADOPTED and SIGNED this 7th day of September, 2021.

FROM: KENNETH G. GABRIEL, FIRE CHIEF

SUBJECT: FIRE BOAT GARAGE (STATION #5)

DECISION POINT: Should Council grant the Fire Department spending authority for $565,000.00 from impact fees and funding from ignite CDA, and to update contract with Verdis for construction of Station #5?

HISTORY: In June of this year, City Council allowed the Fire Department to go to bid for a new Boat Garage (Station #5) at the Third Street Dock. The bids came in substantially over budget and Council rejected all bids in order to allow for staff to negotiate directly with the lowest bidder, Verdis, in an attempt to get the project completed. The Fire Department, through Council action, approved budget authority of $250,000, from Impact Fees for the construction. Council approved an additional $62,000 from Impact fees toward the revised contract price. This project has had escalating costs and its timeline has changed due to engineering and pricing changes. A new cost has been submitted by the Contractor in the amount of $556,584. Ignite CDA has committed $225,000 from its FY2021/22 budget. This, barring any additional issues, will cover the final cost of the project.

FINANCIAL ANALYSIS: The Fire Department has budget authority of $335,000 approved by Council. Ignite CDA will fund the rest of the contract up to $556,000.

PERFORMANCE ANALYSIS: Through negotiations and great work from City staff, we are confident we have a plan that will work going forward. The structure, function and aesthetics of the station have not been compromised in any way from the plans Council initially approved.

DECISION POINT/RECOMMENDATION: Council should grant the Fire Department spending authority of up to $565,000 from Impact Fees and funds from ignite CDA, and enter into a contractual agreement with Verdis for $556,584 to build Station #5.
RESOLUTION NO. 21-056

A RESOLUTION OF THE CITY OF COEUR D’ALENE, KOOTENAI COUNTY, IDAHO, AUTHORIZING AN ADDENDUM TO THE CONTRACT BETWEEN THE CITY OF COEUR D’ALENE AND VERDIS FOR THE CONSTRUCTION OF THE FIRE BOAT GARAGE (STATION #5).

WHEREAS, pursuant to Resolution No. 20-051, adopted the 15th day of September, 2020, the City of Coeur d’Alene entered into a contract with Verdis for the construction of a Fire Boat Garage, also known as Station #5; and

WHEREAS, the City and Verdis have determined that an Addendum to the original contract is required in order to complete the Fire Boat Garage, a copy of which Addendum is attached hereto as Exhibit “1” and incorporated herein by reference; and

WHEREAS, it is deemed to be in the best interests of the City of Coeur d’Alene and the citizens thereof that such Addendum be authorized.

NOW, THEREFORE,

BE IT RESOLVED by the Mayor and City Council of the City of Coeur d’Alene that the City hereby authorizes the Addendum to the contract with Verdis pursuant to the terms of the Addendum attached hereto as Exhibit “1” and by this reference incorporated herein.

BE IT FURTHER RESOLVED that the Mayor and City Clerk be and they are hereby authorized to execute such Addendum on behalf of the City.

PUBLIC HEARINGS
DATE: SEPTEMBER 7, 2021

FROM: TROY TymeSEN, CITY ADMINISTRATOR

SUBJECT: FISCAL YEAR 2021-22 FINANCIAL PLAN

DECISION POINT:

To approve Council Bill No 21-1021, the Annual Appropriation for the fiscal year beginning October 1, 2021 and to approve Resolution No 21-057 reserving $700,738 of forgone property tax revenue.

HISTORY:

Idaho code requires that the City Council approve an appropriations ordinance each year. The purpose of the ordinance is to establish a ceiling for expenditures and disclose the potential property tax revenue necessary to balance the budget. The financial plan or budget is the guide and detailed report for establishing these numbers.

FINANCIAL ANALYSIS:

The financial plan is an estimate of revenues and expenditures for the upcoming year. The expenditures are classified by department as well as by fund or service and the revenues are classified by source. Included in the budget document as per Idaho Code 50-1002 are actual revenues and expenditures from the prior two fiscal years, budgeted revenues and expenditures for the current fiscal year, and proposed revenues and expenditures for the upcoming fiscal year. The revenue includes new growth from property taxes but no forgone property taxes nor any portion of the 3% allowed increase. If Resolution No 21-1021 is approved the 3% allowed in fiscal year 2021-22 ($700,738) will be reserved and added to the previous forgone property tax to bring the total forgone amount to $7,056,620.

DECISION POINT:

To approve Council Bill No 21-1021, the Annual Appropriation for the fiscal year beginning October 1, 2021 and to approve Resolution No 21-057 reserving $700,738 of forgone property tax revenue.
