City of Coeur d'Alene, Idaho Departmental Summary and Description **Human Resources Department**

Program Description

The Human Resources Department manages and guides the establishment and implementation of city-wide employment policies and practices. Human Resources services include recruiting and retaining employees, classification and compensation, benefit programs, employee/labor relations and organizational development training.

The City of Coeur d'Alene offers competitive wages and a generous benefit package that includes medical, vision, dental, Public Employees Retirement System of Idaho (PERSI), health reimbursement arrangement (HRA), life insurance, long-term disability, paid holidays, vacation and sick leave accruals, and optional supplemental plans are also available to employees.

The policies and procedures that determine compensation, benefits and various working conditions of City employees varies depending on what bargaining group the employee's classification belongs to. Exempt employees pay, benefits and other conditions of employment are established by the Personnel Rules, and include 37 employees. The bargaining groups recognized by the City are the Fire Union (Local 710), which represents 62 employees, the Police Officers Association (POA), which represents 105 employees (both sworn and non-sworn), and the Lake City's Employee Association (LCEA), which represents 120 employees and includes an additional 29 unrepresented employees that receive the same benefits.

Major Objectives

- Attract and retain quality applicants and employees to ensure the goals of the City are met and maintained.
- Maintain a fair and equitable Compensation and Classification Plan for all positions.
- Maintain a healthy City of Coeur d'Alene Employees Benefits Trust with the goal of offering specialized benefits down the road due to overall trust savings.
- Provide the most competitive and current overall benefit package possible to cover all needs of employment.
- Continue to update various City policies to keep content updated, meaningful, and current.
- Deliver guidance in policy and procedure assuring compliance, consistency and excellent customer service.

- Provide customer service and support for all City departments and Mayor/City Council. Continue to work with City departments throughout the year to hire and/or train.
- To assist all employees in their various needs throughout their career, from the beginning through their retirement needs.
- Continue to work with City departments to provide impactful and helpful training topics specific to supervisory skills, management, leadership, compliance and general professional development.
- Ensure compliance with all applicable federal, state, and local laws.

Fiscal Year 2021-2022 Accomplishments

- Provided individualized total compensation statements for each employee highlighting the employee's entire compensation package.
- City of Coeur d'Alene Benefits Trust is healthy and continues to perform very well. Five-member board of trustees including HR, Legal, Police, Fire, and Finance.
- Risk Management. HR partnered with State Insurance Fund Work Safety Services to meet individually with departments to focus on identifying safety and risks to help prevent employee injuries and control overall costs.
- Automated exit interview survey process.
- Partnered with Finance to launch the Employee Self-Service. Employees can now view paystubs, W2s, and direct deposit information on-line as well as update personal information.
- Continued updates to Personnel Rules and Classification/Compensation plan.
- Successful first full year of new employee onboarding program. HR partners with the City Administrator to provide new employees with an overview of City employment.
- Expanded city-wide e-learning training program to include a quarterly focus.
- Expanded wellness program to include quarterly wellness topics.
- HR received 1288 applications for 64 recruitments and hired 108 employees (36 full-time benefitted, 13 part-time non-benefitted, and 59 seasonals/temporary) to fill various vacancies. Additionally, we had 18 internal promotions.

Fiscal Year 2022-2023 Goals

- Employee Wellness: More focus on employee mental health, with an emphasis on public safety. Researching a possible more robust Employee Assistance Program with easier access and a greater focus on mental health.
- Risk Management. Continue to work through the remaining departments with one-on-one meetings to ensure safe work habits. Additionally, will be adding an investigative component with employee injuries.
- Employee training: Provide additional on-site department training to departments that are outside of City Hall. Additional partnering with ICRMP.
- Labor group negotiations with all 3 employee groups in 2022 & 2023 will provide an opportunity for an additional analysis on pay and benefits.

- Compliance and employee policy. The Personnel Rules need updating to provide a consistent and clear document with up to date, relevant information that represents the City's current policies and practices.
- Recruitment, selection and placement of employees. Continue to improve the City's ability to attract, retain and develop quality applicants for new positions and internal employees for promotions.
- Increase advertising resources due to many positions becoming more difficult to fill.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Legal Department**

“Crime is about life, death and the liberty of the subject; civil law is entirely concerned with that most tedious of all topics, money. Criminal law requires an expert knowledge of bloodstains, policemen’s notebooks and the dark flow of human passion, as well as the argot currently in use round the Elephant and Castle. Civil law calls for a close study of such yawn-producing matters as bills of exchange, negotiable instruments and charter parties.”

Sir John Mortimer, *Forever Rumpole*

Civil Office

Program Description:

The Civil Office of the Legal Department provides legal advice to the Mayor, City Council, City boards, commissions and committees, and City staff in all matters pertaining to federal, state, and local laws, regulations, rules, and policies. The Office works in collaboration with other City Departments and has frequent contact with citizens, other governmental agencies, outside attorneys, media, and businesses who have questions regarding City ordinances and codes, contracts, and procedures. The Office provides counsel at all meetings of the City Council, the Planning and Zoning Commission, the Design Review Team, and other boards, commissions, and committees as requested. Currently, the staff of the Civil Office consists of the City Attorney and one Senior Legal Assistant. Until March of 2022, the Civil Office also employed a Chief Civil Deputy City Attorney.

Major Objectives:

The primary objective of the Civil Office of the Legal Department is, of course, to provide prompt, accurate, and, it is hoped, helpful legal opinions and advice to all members of the City team. In addition, the Office assists the members of the City team as they pursue their unified goal of providing exceptional service to the public in a nearly infinite variety of ways and circumstances. The Office also performs such other duties as are assigned by the Mayor and City Administrator. Finally, the City Attorney acts as the Legal Services Director with generally avuncular supervisory authority over, and responsibilities for, both the Civil Office and the Criminal (Prosecutor’s) Office.

Fiscal Year 2021-22 Accomplishments:

The Civil Office, quite successfully, provided assistance in most of the major undertakings of the City throughout the fiscal year. The Office’s attorneys prepared and/or reviewed numerous contracts, resolutions and ordinances, bid packets, Council packets, staff reports, policies, official communications, and humorous anecdotes, and provided general legal support to all Departments on matters of Code and policy interpretation. The Office’s attorneys eagerly attended all meetings of the City Council and Planning and Zoning Commission, as well as the weekly Design Review Team meetings, and the meetings of other boards, commissions and committees upon request, ready to respond to questions, both expected and otherwise, regarding the law with verve and general accuracy. The

Office's attorneys also frequently participated in departmental meetings to add gravitas to the proceedings.

In this fiscal year, the Legal Department saw the retirement of long-time City Attorney Mike Gridley and, after an external recruitment, the appointment of the Chief Civil Deputy to the office of City Attorney. Together with the retirement of a Legal Assistant in the Criminal Office (who had 35 years of service to the City) and the resignation of an Assistant Prosecutor to pursue other more lofty opportunities, the Legal Department saw a 40% turnover in personnel in just a matter of months. The Legal Assistant has now been replaced by a highly qualified and motivated candidate, and the recruitment has begun for a new Assistant Prosecutor. As in past years, the Legal Department urges Council to approve a fourth Legal Assistant position for the Criminal Office in order to address the burgeoning caseload that is placing increasing challenges upon existing staff to perform their duties at the high level expected by the courts, the citizens they serve to protect, and the City government.

Among the specific accomplishments of the Civil Office are:

- Assisted the Planning Department in preparing for the approval of the new Comp Plan by the Planning and Zoning Commission and City Council.
- Prepared amendments to the Massage Facility Code, the Sign Code, and the Fire Protection Code.
- Prepared a Development Agreement ordinance.
- Worked with the Parks Department and Administration on the development of the Sherman Square Park by the Rotary Club.
- Prepared agreements between ignite and the City for the construction of improvements to the Museum of North Idaho and other ignite projects.
- Worked with the Planning and Building Departments, and Code Enforcement, on resolving numerous Code violations as they appeared throughout the City.
- Assisted HR on several personnel matters resulting in discipline, termination, and unemployment claims, and in the amendment of several provisions of the Personnel Manual and other City policies.
- Assisted the City Clerk in preparing amendments to the policy on food service on public sidewalks.
- Assisted Code Enforcement in enforcing, with varying degrees of success, the City's Code against longstanding, problematic customers, such as Coeur d'Alene Taxi, the owners of a warren of apartments on Indiana, a developer (Ross) who will remain unnamed, unpermitted ADUs, short term rentals, the illegal expansion of use on several properties, and Coeur d'Alene Taxi again.
- Assisted Wastewater, Administration, the Mayor, and Council in resolving a citizen complaint regarding a private sewer lateral on private property, many years in the making.
- Addressed a number of citizen complaints on a variety of issues, including traffic control, robots on public property, street trees, and the seizure of private property.
- Assisted the Mayor and City Clerk in formulating new rules for Public Comment in the wake of a series of somewhat contentious meetings.
- Assisted the Municipal Services Department, the Building Department, the Planning Department, the Police Department, and the Fire Department in denying and revoking Massage Facility licenses based on violations of the City Code and State law, not to mention hanky panky, and handled the appeal of such denial and revocations before the City Council.
- Assisted the Streets and Engineering Department in the acquisition of property for the Kathleen Avenue widening project, and prepared various contracts related to that project and the Lacrosse project.

- Worked with the Finance Department in revising various forms and policies regarding purchasing and reporting.
- Assisted the Fire Department in negotiations with Rosenbauer over warranty work on fire engines, and in the contracts for the occasionally wayward Fire Station No. 5 (the fireboat garage).
- Headed the Legislative Committee, following the entertaining bills introduced and passed in the Legislature, and keeping the Departments and elected officials apprised of significant bills which had the potential of affecting the City.
- Presented training on the Open Meeting Law to the Library Board of Trustees.
- Worked with outside counsel retained by ICRMP on potential, threatened, and active litigation involving the City.
- Assisted the Planning Department on interpretation of City Code and the PUD approvals for Mill River as the final open parcel of property has been brought forward for development.
- Took the lead in a contested hearing before the Idaho Department of Lands, opposing a dock permit request off W. Lakeshore Drive in a City swim area.
- Assisted the Police Department in preparing and assessing the RFQ for the remodel of the Police station.
- Assisted the Wastewater Department in the bid for and acquisition of a new centrifuge and Solids Building, and the interpretation of contractual provisions related to both.
- Assisted the Water Department in preparing the RFQ, bid packets, and contract for the purchase of bulk parts.

Fiscal Year 2022-23 Goals:

The Civil Office will strive to continue providing outstanding legal advice and services to the City team while taking steps to improve the Legal Department's efficiency and to use the available resources to best effect. To further this goal, the new City Attorney has proposed that the position of Chief Civil Deputy City Attorney remain unfilled *for the time being* in order to free up budget resources for a much-needed fourth fulltime Legal Assistant in the Criminal Office. The Civil Office also intends to provide cross-training for the attorneys in the Criminal Office so that they will be able to perform functions in the Civil Office from time-to-time on an as-needed basis. Overall, the City Attorney seeks better integration of the Civil and Criminal Offices of the Legal Department in order to help all other members of the City team deliver the best service for citizens and visitors alike. This will require upgrading the case management software for the Criminal Office to improve efficiency and productivity, as the existing software has long passed its useful life, and seeking more and better training opportunities for the attorneys and staff.

As the City grows and faces inevitable changes, the Legal Department must also grow and change in a logical and intentional manner so that it can help the City's elected officials and employees achieve their goals and vision for the City of Coeur d'Alene.

Departmental Summary and Description FY22-23
Legal Department – Prosecuting Attorney's Office

Program Description:

As a law enforcement agency, the Prosecuting Attorney's Office (PAO) seeks to ensure public safety through offender accountability, timely and appropriate rehabilitation, deterrence, and lastly, punishment. We work with crime victims and their families seeking positive outcomes. The PAO prosecutes city code violations, state code infractions and misdemeanors. The PAO also provides legal advice to the police department and backs up the Civil Office as needed.

Major Objectives:

- Continue to be a leading prosecution agency within the courts and community through excellence in work product, procedure, preparedness, and professionalism.
- Evaluate complaints and crime reports to ensure appropriate charge(s) are filed, and provide quality feedback to law enforcement officers.
- Enforce city code violations through prosecution when appropriate.
- Provide legal guidance to law enforcement officers on the ever-changing laws, and rules affecting law enforcement.
- Participate as a stakeholder in treatment courts, community initiatives for victim safety, and other local, state and national criminal justice programs.
- Provide support for crime victims, including referrals to community partners; ensure their safety; and when appropriate, seek restitution on their behalf.
- Use alternative sentencing programs to stop recidivism, to address root causes of criminality, and to reduce jail populations.

Fiscal Year 2021-22 Accomplishments:

- The PAO experienced a 5 percent increase in criminal case filings over prior year.
- City code prosecutions totaled 236, an increase of 114 over the year prior.
- Attended 9613 criminal court appearances, an average of 38.45 court case appearances each working day.
- Regularly met with community stakeholders addressing alternative sentence programs or treatment courts.
 - LEAD Opioid Response Project – alternative to criminal charges for first offenders.
 - DUI Court
 - Domestic Violence Court
 - Review hearings
 - Diversion cases

- Our team met our court obligations even though many of our staff, or their families, were out with COVID-19, or other medical conditions, for approximately one half of the year.
- Worked at the state level to effectuate changes in court rules, statutes, and judicial procedures.
- Partnered with the police department by:
 - Creating the Disorderly Conduct ordinance to address downtown issues; and
 - Implementing trespass authorization from city parks during major events.

Fiscal Year 2022-23 Goals:

1 Continue excellence in prosecution; building on the successes of the last year.

2 Add a Legal -Technology Assistant;

Due to the large volume of work required by the courts our team is operating at triage mode. Recorded media demands occupy the equivalent of .75 FTE on a weekly basis. Due to the staffing shortfall, we are unable to timely meet court required deadlines and often are forced to trial without our best evidence.

3 Acquire A new case management software (PBK). This program is American Rescue Plan Act funding compliant.

- Retire the existing case management program SHELDON that is approximately 18 years in use. SHELDON is written in 3 different code languages, 2 of which are no longer supported languages. A long-time employee that co-designed SHELDON has retired leaving the IT department without the knowledgeable technical person to help advise on how the system is configured to address recurring problems.
- PBK will provide tangible benefits to the IT Department, the Police Department, and the Prosecuting Attorney's Office.
- The case management program features include:
 - Annual software updates will benefit the City IT Department by eliminating the multiple tasks and time required to keep SHELDON functioning;
 - Monthly training webinars will aid all staff to get the most out of the program's features;
 - Expanded and customizable productivity reports;
 - Dashboard flexibility to provide case statistics, case resolutions, create city, or public reports uploaded to the city website;
 - Law enforcement portal which provides:
 - police records and media can be directly imported to the prosecutor's database;
 - e-subpoena and service notification for officer subpoenas;
 - remote access by officers to view case status, and track subpoena status;
 - Victim portal which provides:
 - Direct case status view;
 - Secure electronic communication with assigned prosecution team;
 - View status of subpoenas;

City of Coeur d'Alene, Idaho Departmental Summary and Description **Planning Department**

Program Description

The Planning Department's role in the City falls under two main pillars. The first is the long-range and strategic planning role, which provides the bigger picture for planning, zoning, and economic development. In this role, the Planning Department leads community engagement efforts, recommends and leads strategic code amendments, focuses on long-range and special planning projects, and engages with community partners.

The second pillar is related to current planning and day-to-day operations. In this role, the Planning Department processes development applications, reviews building permits for compliance with zoning requirements, focuses on improved communications with the development community, and provides excellent customer service. The Planning Department routinely interfaces with other city departments and community partners, and acts as a facilitator.

In all of our efforts, the department is mindful of opportunities to integrate walkability, affordable housing, and economic development (e.g., adaptive reuse, economic gardening, support of small business, and innovation) into planning conversations, and helps guide strategic conversations related to growth and community development.

The CDBG program details are highlighted separately.

Major Objectives

- Implement priority action items from the new 2042 Comprehensive Plan.
- Participate in and help lead the Regional Housing & Growth Issues Partnership and cooperative planning efforts with the County and neighboring communities.
- Lead historic preservation efforts for the City in support of the Historic Preservation Commission.
- Continue to promote continuous improvement for the development review process.
- Promote cost savings by collaborating with community partners on projects and seeking grant opportunities to assist with project costs.
- Promote economic development opportunities in existing and new businesses districts (e.g., Atlas Waterfront, Midtown, East Sherman, Health Corridor).
- Continue to improve the Zoning and Subdivision Codes.
- Continue to take the lead on development projects for the City, such as Atlas.
- Continue to promote the importance and protection of the Shoreline and the Hillside areas of the City.

Fiscal Year 2021-22 Accomplishments

- The 2042 Comprehensive Plan (Envision Coeur d'Alene) was approved by the City Council in February 2022, after 27 months of community input and engagement.
- The City's first Historic Preservation Plan was completed and approved by City Council in December 2021 and the City was awarded grant funds for a nomination of the Garden District Neighborhood to the National Register of Historic Places.
- Atlas Waterfront - Helped facilitate the first phase of development – including securing developers for Areas 1, 2, 3, 4 5a, 5b, 6, 8, 10, 12, and 13 and helping facilitate PUD amendments to support the project vision. Staff participates on the Architectural Review Committee and Steering Committee, and attends weekly project coordination meetings with ignite and the consultant team.
- Staff helped spearhead the Regional Housing & Growth Issues Partnership with Council Member Miller in coordination with Hayden, Post Falls, Rathdrum, Kootenai County, and KMPO, and over 40 groups/organizations to address regional concerns, research solutions, and bring forward recommendations to elected officials. Planning is taking the lead on coordinating meetings and sharing information.
- East Sherman pocket parks were completed in coordination with the Parks and Recreation and Streets and Engineering teams.

Fiscal Year 2022-23 Goals

- Atlas Waterfront – continue being actively involved with the project and a key player in partnership with ignite cda and consultant team on project development.
- Update Development Impact Fees in conjunction with Streets & Engineering, Legal, Administration, Parks and Recreation, Police and Fire. This will utilize growth projections and data from the Envision project. Staff will secure a consultant to update the fees, and ensure community participation in the fee update. Work is expected to begin in FY 21/22 and continue into FY 22/23.
- Regional Housing & Growth Issues Partnership – continue helping facilitate and lead this effort, share information, work with other jurisdictions and organizations on possible solutions, and bring forward recommendations to Council; work with CDA 2030 on housing priorities, research, education and meeting facilitation.
- Zoning Code amendments to address housing needs (e.g., multigenerational, missing middle housing, Short-Term Rental, and other considerations identified in the 2042 Comprehensive Plan). Engage community members and ad hoc advisory committee(s) to draft code language for consideration, in partnership with RHGIP.
- Engage residents and neighborhood representatives in meaningful dialogue and educational discussions about proposed code amendments and other city efforts (e.g., development impact fees) to get input and address neighborhood concerns.
- East Sherman Revitalization Plan – revise the plan to include updated roadway design options and the new pocket parks, continue supporting revitalization efforts and working with CDA 2030 to engage the businesses, property owners and neighborhoods to achieve the vision and identify possible implementation. Staff will be bringing forward an updated revitalization plan for City Council consideration and approval to address updated roadway design options, updated timing to action items.
- Work with the Historic Preservation Commission to hire a consultant to prepare Nomination for the Garden District for a Historic District pursuant to CLG grant funding from the State Historic Preservation Office. (Cash match of \$1,550 required)

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Police Department

Program Description

The Police Department strives to improve or maintain the safety of our community through collaborative partnerships with community stakeholders in an effort to appropriately respond to emergency calls for service, reduce the fear of crime, and improve community engagement. CDA PD has 118 full-time members who serve our public. The police department is comprised of the following units: Patrol, investigations, school resource officers, community action team, records, traffic, K9, SWAT, code enforcement, civilian investigative specialists, records, animal control, professional standards, hiring and training, IT, fleet support, property and evidence, and volunteers.

Major Objectives

- Appropriately respond to emergency calls for service.
- Reduce crime and the fear of crime in our community.
- Reinforce a culture focused on community engagement and the reduction of felony crimes in our community.
- Properly and adeptly investigate allegations of crime.
- To improve or maintain our partnership with the community.
- Keep school children safe and provide positive law enforcement interaction through the School Resource Officer program.
- To continue to support the members of the police department by ensuring they are staffed, trained, and equipped properly to fully meet our public safety mission.

Fiscal Year 2021-22 Accomplishments

- We successfully reduced Part 1 crime by 22.97% in 2021. Part 1 crime has fallen 63.38% since 2014.
- Responded to 42,538 calls for service (2021).
- The number of injury accidents and DUI-related accidents went down, while non-injury accidents rose in 2021.
- The victim advocate program served 547 victims of stalking, domestic violence, or sexual assault and an additional 774 outreach contacts.
- Improved roadway safety through our DUI enforcement program.

- Improved investigative processes and appropriately investigated major cases including 120 auto burglaries (a 57% decrease from the previous year), 88 aggravated assaults, 11 robberies, and 33 sexual assaults.
- Continued our partnership with the Fire Department on the Rescue Task Force program to better respond to active shooter incidents.
- Continued partnerships with area law enforcement agencies such as the Idaho State Police and the Kootenai County Sheriff's Office.

Fiscal Year 2022-23 Goals

- Continue to reduce the fear of crime in our City through a collaborative effort with community partners including citizens, businesses, schools, social and church groups, and block watch groups.
- Continue to be leaders in public safety for our region.
- Improve recruiting and retention of police officers and work towards full staffing.
- Increase our community outreach to better inform and partner with the community.
- Continual evaluation of traffic complaints and collisions to optimize deployment of limited traffic enforcement resources.

City of Coeur d'Alene, Idaho Departmental Summary and Description Recreation Department

Program Description

The Recreation department offers a variety of team sports, lifetime leisure activities, information classes, and community events. Programs are designed to meet the recreational needs of infants to senior citizens, and everyone in between.

Major Objectives

- To provide new programs, find ways to improve existing programs, and seek potential partnerships. The Department has seen a growing interest in activities for preschool aged kids. This will be a big focus going into next year.
- Events such as preschool aged camps, community yard sales, music conservatory partnerships are part of a genre of programs the Department is working to grow. These events will extend our reach into the community.
- Anticipate the needs of the changing community and structure programs and facilities accordingly to help build a healthy and active community.
- The Department continues to strive for a city owned gymnasium facility. A facility would give the Department the ability to offer more programs, increase revenue, and bypass the scheduling difficulties that arise with the user agreement with the school district. The city owns property at Cherry Hill that would easily accommodate a building and space for additional soccer fields.

Fiscal Year 2021-22 Accomplishments

- A huge increase in participation numbers has and is occurring due to large growth in population. The Department has struggled at times to recruit part time staff to run the various programs, but staff has stepped up to instruct programs, officiate sports and even teach swim lessons.
- The swim program continues to grow as the Department looks for more pool time in order to accommodate more children. The program has grown from Monday/Wednesday offerings to include Saturdays. This allows for an additional 40-50 participants every 6 weeks. The Department is now back to pre-pandemic numbers with the last registration filling up in just over a day.
- The Department's new website/registration software has grown in popularity and assisted in an increase of revenue and participation within the programs. The Department continues to see a growing use of the site for registration and information. The Teamsideline program has allowed streamlining of the registration process and has made communication with participants much easier.

Fiscal Year 2022-23 Goals

- Increase revenue through increased participation will allow for the organization of additional community events and outdoor activities.
- Increased success in camp style programs has motivated the Department to look for more of these types of programs that bring in good revenue and increased participation.
- Continue to look at creative ways to offer new programs and staff current activities. The Department has and will continue to be flexible to cover programs, activities, and weekend tournaments.
- Develop a long-term plan to work toward a city owned recreational facility, potentially, on the property at Cherry Hill.

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Building Inspection Department

Program Description

The Building Department is responsible for the health, safety, and welfare of the public by creating safe buildings. Our team is responsible for enforcing all applicable building, mechanical, accessibility, plumbing and housing codes and laws adopted by the City and State to ensure a safe and habitable building environment.

Major Objectives

- Administer the building, mechanical, and plumbing codes as adopted to ensure homes and businesses are safe and are accessible to everyone.
- Provide education on the building codes and construction practices for architects, contractors, homeowners, and students.
- Ensure plan reviews, issuance of permits, and inspections are completed both timely and accurately.
- Provide excellent customer service to the construction community, public, and other city departments.

Fiscal Year 2021-22 Accomplishments

- Brought in necessary certification training through our partnership with North Idaho Code Enforcers (NICE) and the Idaho Association of Building Officials (IDABO).
- Continued ongoing partnership with the North Idaho College carpentry program and plumbing apprentice advisory committee.
- Assisted other city departments with construction projects.
- Managed reasonable timeframes for permit reviews and responses to applicants during a busy construction year.
- Continued to conduct building inspections within 24 hours from receiving a request.

Fiscal Year 2022-23 Goals

- Replace an aging vehicle used daily for building inspections.
- Continue local education and training through IDABO and NICE.
- Continue to work with NIBCA and build relationships with the construction community.
- Continue to be leaders in building safety for our region.
- Provide support for the upcoming impact fee study.

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Library

Program Description

The Coeur d'Alene Public Library is committed to excellence in library services. Dedicated to lifelong learning, the library provides free and equal access to a full range of historical, intellectual, and cultural resources.

The Coeur d'Alene Public Library is a modern 21st century library that satisfies community library needs through an exceptional multimedia collection and an excellent staff. Our personal touch and responsiveness to changing needs provides an intergenerational public space that becomes an inviting community hub for all our residents.

Library users experience this when they use the services of the Coeur d'Alene Public Library. They find a library that:

- Is innovative and continually changing and adapting to meet community needs.
- Is a safe and secure welcoming location for our community with materials, spaces, and activities.
- Is an innovative and inviting community hub connecting a diverse population of users to their community and to each other.

Major Objectives

- To provide up to date and historical materials in a variety of formats.
- To plan and present programs for all ages.
- To offer assistance to patrons:
 - Reader's advisory
 - Research and information
 - Technical training and support
- To serve an ever-growing community and respond to community needs.
- To enhance literacy throughout the community through outreach to underserved populations.
- To provide spaces for community activities.
- To collaborate with area libraries to share resources.
- To offer excellent library services to all community members.

Fiscal Year 2021-22 Accomplishments

- Patrons checked out 239,921 physical items and 64,029 eBooks & eAudiobooks from the library during 2021. This is a 15% increase over 2020 in total circulation of materials.
- Loaned 48,201 items to partner libraries within the Cooperative Information Network and beyond during 2021. This is a 17% increase over 2020.
- 16,405 items were added to the collection in 2021. This is a 43% increase over 2020.
- The library's range of leisure and educational programs were attended by 14,954 residents, either in-person or virtually.
- The library completed the digitization of the CDA Press from its first edition on February 20, 1892 through to the end of 1963. The CDA Press subsequently granted the library non-exclusive permission to continue digitalizing the newspaper through to the end of 1999.
- The library's outreach staff initiated a partnership with the Northwest Expedition Academy (NExA), holding weekly literacy and science, technology, engineering, and mathematics (STEM) activities for all grade levels.
- Adjusted open hours based on current usage trends – 9 a.m. to 7 p.m. Monday through Friday, 10 a.m. to 5 p.m. Saturday, and 12 p.m. to 5 p.m. Sunday.

Fiscal Year 2022-23 Goals

- Build upon the progress that has been made towards increasing outreach to schools, daycares, senior facilities, community centers, etc. by making more connections and continuing to provide support, tools, and equipment for outreach staff.
- Increase the library's adult and all ages programming output to better complement its full range of children's and teen programs, as well as determine a path forward for hybrid programming opportunities.
- Further enhance the Coeur d'Alene Digital Archives website (cdarchives.org) to allow for hosting of additional historic archives. E.g., Continue with the CDA Press digitization project.
- Continue to modify and improve the library's marketing efforts to better reach and inform all residents. E.g., Improve the library website, incorporate additional social media platforms as appropriate, and explore ways to post promotional materials offsite.
- Assess features and services that enhance the library facility and its impact. e.g., Explore funding sources for a future library facility remodel with the City of Coeur d'Alene, Coeur d'Alene Library Foundation, Inc., and Friends of the Coeur d'Alene Public Library.
- Create and strengthen partnerships to foster collaborative opportunities that benefit the community.
- Ongoing collection development providing excellent materials for all ages and interests in a variety of formats.

- Managed Community Opportunity Grant Cycle for HUD Plan Year 2021 with a budget of \$223,392. The funding was distributed to four local agencies, including North Idaho College in support of the Economic Development goal and TESH, Idaho Youth Ranch and St. Vincent de Paul in support of their facility rehab projects.

Fiscal Year 2022-23 Goals

- Actively work with the 2021 grant recipients to implement community priorities and meet HUD grant reporting requirements.
- Administer 10-15 EMRAP projects, including the new sewer connection program.
- Disperse funds for the Annual Meals on Wheels grant with the increased amount of \$10,000.
- Manage and administer remaining CDBG-CV FUNDS (COVID-19 CARES ACT) funds and determine how to allocate the remaining admin funds after determining the amount needed to set aside for delivering the grant funds.
- Manage the Community Opportunity Grant program to address community needs, based on survey and information from stakeholders and partner organizations.
- Actively work on a Housing Needs Assessment and Affirmatively Furthering Fair Housing report that is specific to Coeur d'Alene, using some of the data and background information from the Housing Report prepared by the University of Idaho.
- Engage community members and the CDBG ad hoc advisory committee to begin drafting a new Consolidated Plan for 2023-2028.
- Work with the Streets & Engineering Department to achieve sidewalk goals utilizing CDBG sidewalk funds to benefit low-to-moderate community members.

City of Coeur d'Alene, Idaho Departmental Summary and Description Cemetery Fund

Program Description

Operation and upkeep of Forest and Riverview cemeteries.

Major Objectives

The cemetery's major objectives are to perform burial services and provide the highest quality and most respectful care possible. We provide maintenance on 22 acres at Forest and 7.5 acres at Riverview.

Fiscal Year 2021-2022 Accomplishments

- We performed 148 interments, sold 186 lots and niches, and inspected and staked out 66 headstones.
- Installed two new niche walls in Forest Cemetery.
- Replaced the irrigation clock that Calsense no longer supports.
- Sealcoat the roads of Forest Cemetery
- Installed 350 feet of irrigation to loop the system for increase in pressure.

Fiscal Year 2022-2023 Goals

- We are looking to replace the 15-year-old cemetery backhoe so we can continue to provide reliable service to our customers.
- Continue to sell niches in Forest Cemetery to generate revenue.
- Continue to find ways to maintain our quality of care with less help from seasonal employees.

Departmental Summary and Description
Cemetery Perpetual Care Fund

Program Description

Provides funds to sustain the ongoing maintenance of the cemeteries beyond lot and niche sales revenue.

Major Objectives

To increase the perpetual care fund to assure interest from the fund will offset operating expenses, and to continue to add thirty percent of lot sales to the perpetual care fund.

Fiscal Year 2021-2022 Accomplishments

- Some price increases did take effect this year to help us continue to provide high standards of quality.
- Continued to provide safe services as we recover from the impact of Covid 19.
- Installed two new niche walls in Forest Cemetery with little impact and the potential for increased profit.

Fiscal Year 2022-2023 Goals

- Continue to sell niches in Forest Cemetery to generate revenue.

Program Description

The Jewett House serves as a senior center for a number of activities for senior citizens as well as an event center that accommodates weddings and other special events. The house is host to recreation department offerings as well as staff and corporate meetings and gatherings.

Major Objectives

Major objectives for the house are to continue to grow department offerings held there and to also continue to grow the number of weddings and special events. With the increased activity with weddings and events comes a growth in revenue for the house. This increased revenue will help keep the house mostly self-sustaining and not solely reliant on budgeted city funds.

Fiscal Year 2021-22 Accomplishments

This summer season will most likely turn out to be one of the busiest and most profitable the Jewett House has seen in a very long time. By changing our approach to showing the house and using staff other than the house manager, we have been able to increase our communication and availability to potential clients. This process has increased reservations and produced more satisfied customers.

Fiscal Year 2022-23 Goals

Continue growing programs at the Jewett House and complete a few projects at the house that would greatly benefit the overall product for prospective customers. An RFQ for replacing the garage is in process. It has been difficult to find contractors who are available for this project. The plan is to build it back in a similar style while also adding a few amenities to the structure that will make it more useful for potential clients.

The Jewett House Staff continues to make changes and have conversations on how to better serve customers and be the best stewards of the house. One of the items under discussion is a succession plan in regards to house management. The staff will strive to make and keep the facility a beautiful location we want to make sure we put our best foot forward with how we staff the house and who we staff it with.

City of Coeur d'Alene, Idaho

Departmental Summary and Description

Reforestation, Street Trees and Community Canopy

Program Description

The Urban Forestry division serves as the liaison to the public regarding city ordinances, tree selection and tree care. The division manages the City of Coeur d'Alene tree inventory, coordinates and carries out tree work on public trees, issues permits for contractors and homeowners to work on public trees, provides public education and serves as a liaison to the Urban Forestry Committee. The City of Coeur d'Alene Urban forestry division reviews commercial permits to ensure that city codes regarding street trees are met and assists with project reviews. The City of Coeur d'Alene Street tree permit program provides funds for planting and the City cost share program which provides assistance paying for tree care on public trees abutting single family residential properties.

Major Objectives

- To ensure that public trees receive proper tree care through permitting
- To protect public trees from unnecessary removal
- To keep the city tree inventory up to date to track the state of the tree infrastructure.
- To establish ordinance that promotes proper tree care and a diverse tree population through approved planting lists
- To improve public safety through mitigating hazards regarding public trees.
- To continue the growth of the Urban Forest through planting new trees and reforestation.
- To assist the public with performing work on public right of way trees and assisting in mitigation issues regarding these trees.

Fiscal Year 2021-2022 Accomplishments

- 27 residential homes have utilized the cost share program this fiscal year resulting in 24 street trees pruned and 25 high risk or unhealthy trees removed through this program. With a total of 406 trees pruned and 201 trees removed since the program's inception. Some applicants that have been approved are still awaiting completion.
- Through the RSTR program 269 street trees were planted at residential properties in the incorporated city limits in this budget year.
- Parks and recreation staff working with Streets and Engineering staff pruned approximately 822 public trees this fiscal year with another 131 public trees removed and replaced or will be replaced within the next 12 months.
- The Urban Forestry division in conjunction with the Kootenai County OEM and Idaho Department of Lands are in the final stages of completing Grant work in the Fernan Hill Natural Area with a total grant Value of approximately \$600,000. City Staff is currently in the process of competing for two similar grants for other Natural areas in Coeur d'Alene including Tubbs Hill.

- The City of CDA was recognized as a Tree City USA for the 38th consecutive year and was once again received a Growth Award.

Fiscal Year 2021-2022 Goals

- Continue the Re Leaf CDA program in the 2022-2023 fiscal year as budget allows.
- Work towards funding a full-time street tree crew for the City of Coeur d Alene parks department. The Urban Forestry division is requesting a Full Time Urban Forestry Maintenance Worker.
- Complete the pile burning with IDL in the Fernan Natural Area and look for more grant opportunities to perform needed fuel mitigation work in Wildland Urban Interface areas throughout Coeur d'Alene.
- Continue to work toward promoting and expanding the Cost Share maintenance program to assist with High risk public tree removals and nuisance mitigation throughout Coeur d'Alene as tree work costs continue to rise.

City of Coeur d'Alene, Idaho Departmental Summary and Description Public Art

Program Description

The City of Coeur d'Alene Arts Commission is the standing committee charged by the City Council to "stimulate and encourage, throughout the City and surrounding area, the study and preservation of the performing and fine arts, and public interest and participation."

On June 1, 1999, Coeur d'Alene became the first city in Idaho with a funding mechanism for public art. Coeur d'Alene now dedicates 1.33% of the total cost of all eligible capital improvement projects to fund art in public places.

The purpose of the public art program is to integrate a wide range of public art into the community and reflect the diversity of community, artistic disciplines, and points of view. Artists can be valuable members of planning or design teams, and are primary resources in the revitalization and development of the downtown area and of neighborhoods throughout the City.

Major Objectives:

- Integrate public art into the design of buildings, parks, streetscape and public spaces – making art a natural, normal enhancement of community design.
- Select artwork of sufficient scale to capture public attention and make a favorable impression.
- Build a diverse public art collection which; incorporates various art media styles and themes; includes permanent works and temporary exhibitions; and is well-made to withstand climate extremes.
- Place public art in accessible locations where more people can view and interact with it.
- Over the years, gradually extend public art from the downtown core into all areas of the City.
- Select art through a juried process that invites citizens to play a role. Extend the selection process to include artists from outside the area in order to diversify the collection.
- Ensure that Coeur d'Alene's growing public art program is supported by adequate funding, professional staff, and proper maintenance of the collection by qualified individuals.
- Strive to acquire truly exceptional art – of the highest quality, representing in Coeur d'Alene's collection the finest artists of the region and the world.

- Serve as a model and inspiration for other communities interested in introducing their own public art programs.

Fiscal Year 2021-22 Accomplishments:

- Completion, installation, and dedication of “Inspired,” public art sculpture by artist Jason Sanchez, at Memorial Field.
- Completion, installation, and dedication of “Monument to Peace and Unity” public art sculpture by artist Humanity Memorial Inc., at the 4-Corners Entrance to the City of Coeur d’Alene.
- Completion, installation, and dedication of “Seed of Life”, public art sculpture by artist Celeste Cooning Studios, at Fourth (Third) Street Parking Garage.
- Nearly 50% of Performing Arts Grants funds have been disbursed.
- Completion of utility box wraps at 6 locations in the City of Coeur d’Alene.
- Relocated “Open Arms,” by artist Donald Cadden to the intended permanent location at Atlas Waterfront Park.

Fiscal Year 2022-23 Goals:

- Issue a call to artists for new art on loan for the ArtCurrents program.
- Plan, coordinate, and execute the 26th Annual Mayor’s Awards in the Arts Ceremony.
- Issue a call to artists for an East Sherman Arch over the roadway as you enter the City from the east side of Sherman Ave.
- Complete the shade structure for the stage at Riverstone.
- Partner with youth art programs in the community to provide scholarships to the youth.
- Continue to explore and discuss art opportunities as the Atlas Waterfront Park develops.

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Water Department

Program Description

The Water Department's primary goal has always been and will continue to be to provide safe, clean and abundant drinking water for the city. In addition to this goal, the Water Department is pledging to take a more active role, per the Envision CDA Plan, to promote water conservation efforts in order to ensure water quality and quantity for future generations. Our capable staff will assist in this effort through proactive leak detection and repairs, ensuring accurate production and consumption records, tracking water loss, and providing conservation education to the general public whenever possible. One of the programs emphasized will be irrigation efficiencies and use of low water use landscaping. We will be looking for opportunities for pilot projects that can demonstrate attractive alternative landscape options. The desired goal is to reduce irrigation consumption by 30%.

The Water Department consistently provides the utmost in customer service to all of our consumers. Routine functions of the department include provision of a myriad of services such as; routine and emergency customer service calls, monthly meter reading, infrastructure maintenance and repairs, water production, treatment and storage, water quality sampling, leak detection, various operational and maintenance programs, main and service replacements, fire hydrant installation, maintenance and repairs, all aimed at providing the best customer service possible. Administration and the support staff consistently provide routine and emergency scheduling, budgeting, purchasing, research and resource management to provide the necessary manpower, tools, materials, equipment and available information necessary to properly maintain and operate an outstanding public water system. According to a retired DEQ manager, we are the "Gold Standard" when it comes to public water system management and operation.

Major Objectives

- Provide high quality and abundant water at an affordable rate.
- Meet and exceed all federal, state and local water quality requirements.
- Provide excellent customer service at all times.
- Provide reliable fire service citywide to ensure public safety.
- Continue to replace aging and failing infrastructure in a reasonable time frame to prevent future system failures with exorbitant replacement costs.

- Promote equitable funding methodology to maintain and improve system performance and reliability while limiting debt service.
- Maintain and update standards and policies for proper construction practices and service reliability.

Fiscal Year 2020-21 Accomplishments

- Completed construction of the Huetter Well, including backup power and parking for the designated trail head.
- Addition of water rights to our water service portfolio to ensure peak production capacity.
- Yardley service line replacement in the Fairways area.
- Realigned the Blackwell water main and replaced 3 large meter vaults and eliminated several deduct meters.
- Acquired property for a future water storage facility site.
- Conducted and attended annual training necessary to maintain operator licenses.
- Began planning for construction of a replacement booster station.
- Initiated a request for an update to the Water Comprehensive Plan.

Fiscal Year 2022-23 Goals

- Finalize the conversion of the Atlas Well to the General Zone, and related transmission main construction projects.
- Acquisition of additional 9 CFS ground water rights for a future wellsite to meet peak production demand capabilities.
- Annual Yardley service line replacement ahead of street overlay projects.
- Planned water infrastructure replacement projects.
- Begin work on installation of a new transmission main to Canfield.
- Conduct and attend annual training necessary to maintain operator licenses.
- Complete construction of a replacement booster station.
- Wrap up the Water Comp Plan Update and update the current rate analysis.

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Wastewater Department

Program Description

The City of Coeur d'Alene Wastewater Department provides treatment for municipal, commercial, and industrial wastewater for more than 50,000 residents and associated commercial users prior to discharge to the Spokane River. The Department maintains over 220 miles of public sewer, treating almost 1.2 billion gallons last year, and producing over 5,000 cubic yards of "Class A, Exceptional Quality" compost. The Department employs 29 people who clean, measure, maintain, operate, and administer this service.

Major Objectives

- To provide sanitary sewer for the residents and businesses of the City of Coeur d'Alene while maintaining our pristine Spokane River and Rathdrum Prairie Aquifer.
- Protect the public health and our employee's safety in a fiscally responsible manner.
- Promote public awareness of the importance and value of clean water to our community.
- Think ahead and plan for the future. The City still utilizes many of our original pipes and infrastructure. This type of investment has had huge returns within our community. We utilize modern technology to not only maintain this original equipment but ensure that new equipment has a long, beneficial service life.

Fiscal Year 2021-22 Accomplishments

- Replacement of our biosolids hopper. This hopper handles all of the City's biosolids during Coeur d'Alene Green Compost production.
- Update to the Collection System Master Plan
- Complete first phase of Facility wide Computer upgrade (SCADA) with the second phase to be completed next fiscal year.
- In the last year, the Wastewater Treatment Facility received 3,610,457 lbs. of pollution (CBOD, TSS, Ammonia, and Phosphorous) and discharged 11,688 lbs. That's a removal efficiency of 99.7%.

Fiscal Year 2022-23 Goals

- Replacement of a "belt filter press" installed in the late 90's with a "centrifuge". This equipment is responsible for drying out the biosolids from about 3% to 25+%.

solids. In conjunction with this, we'll be improving the building odor control and truck "load out" where this is located.

- Construction of the new Wastewater Collections building centrally located to facilitate more efficient maintenance of the Collection System as well as respond to collection emergencies.
- Begin transition of existing Collection building into the new Operations Control Center. The current Operational Control Center was built in the 1970's and has been expanded upon over the decades and suffers from both functional and mechanical deficiencies. A recent analysis has shown a need to replace this building.
- Work with DEQ on the development of a new discharge permit.

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Drainage Fund

Program Description:

This Utility is administered by the Streets & Engineering Director and has two FTE's, an Assistant Project Manager and a Field Lead. Utility fees provide the funding for the planning, engineering, construction and maintenance of the city's storm drainage system.

Major Objectives

- ✓ To provide the utility rate payers with efficient and quality service
- ✓ Provide proactive maintenance versus reactive
- ✓ Reduce the number of pollutants in stormwater runoff
- ✓ Reduce the amount of stormwater discharge to surface waters

Fiscal Year 2021-22 Accomplishments

- ✓ Increase in street sweeping. (Recognized as the most effective best management practice in reducing pollutants from reaching our surface waters)
- ✓ Outfall Reduction, removal of direct injection of stormwater to surface water
- ✓ NW Blvd / US 95 swale in operation
- ✓ IDEQ Grant received, Leading Idaho Initiative, Coeur d Alene Basin Phosphorus Reduction for future outfall reduction projects
- ✓ Continued training to improve the skills and knowledge of staff

Fiscal Year 2022-23 Goals

- ✓ Improve drainage in areas with the highest potential of flood damage or traffic hazards
- ✓ Assess, update and perform maintenance on aging infrastructure
- ✓ Reduce the volume of stormwater discharge to surface waters
- ✓ Complete inventory and map utilities.
- ✓ Compliance with discharge permit
- ✓ Implement outfall reduction and activities associated with IDEQ grant
