City of Coeur d'Alene, Idaho
Departmental Summary and Description
Mayor / Council

Program Description – The Mayor and Councilmembers are elected officials serving the community of Coeur d'Alene, with roles and responsibilities as outlined in the statutes of the State of Idaho. The Mayor and Council continue to support and seek methods to fulfil the vision of Coeur d'Alene, which is a beautiful, safe city that promotes a high quality of life and sound economy through excellence in government.

Major Objectives

- Increase funding to repair and maintain our transportation infrastructure
- Continue to seek every remedy for growth to pay for itself
- Create and commit to funding a General Fund Capital Improvement fund at \$200,000 a year for long-range projects
- Commit to strategic planning for income from closure of the River District
- Commit to long-term facilities planning for various departments, by use of a paid consultant (priority of Police Department)
- Commit to long term IT planning with a pre-determined budget every year dedicated to IT improvements

Fiscal Year 2022-23 Accomplishments

- Approved an increase in annexation fees, increase in impact fees, and low tax increases assisting growth to pay for itself
- Funded Public Safety appropriately with necessary equipment and personnel
- Funded street overlay
- Funded Parks with appropriate personnel
- Funded IT for necessary updates
- Reached a fair and affordable agreement with Bargaining groups

Fiscal Year 2024-25 Goals

- Continue Funding Public Safety appropriately with necessary equipment and personnel
- Ensure sufficient funds for maintenance of the City Streets
- Provide funding for adequate software and hardware to ensure the security of IT Operations

City of Coeur d'Alene, Idaho Departmental Summary and Description **Finance Department**

Program Description

The Finance Department incorporates all accounting services for the City, and provides a wide range of professional financial services, including: procurement and payments, accurate and timely processing of invoices, cash management, debt management, investments, budget preparation, budget planning and monitoring, financial reporting, payroll preparation and reporting, billing, customer service and collections for utility services, and tracking city vehicle and equipment inventory and fixed assets.

Major Objectives

- To invest city funds under legal guidelines to ensure the best return
- To manage and account for the city's finances in accordance with generally accepted accounting principles
- To maintain a system of sound internal controls
- To advise the mayor and council, city administrator and department heads regarding available funds for proposed expenditures
- To maintain a current capitalization of fixed assets in accordance with GASB 34
- To report the financial condition of the city to the citizens of Coeur d'Alene, the mayor, city council, and city administrator
- To bill, collect and record revenues and expenses in a timely manner
- To provide excellent customer service to the public and other city departments

Fiscal Year 2023-24 Accomplishments

- Implemented a recurring automatic on-line utility billing payment option for utility customers which can include e-statements, outsourced the printing of utility invoices
- Reinstated the Finance Director position in the Finance Department and had a successful recruitment for this position
- Received an unmodified opinion from the annual audit

Fiscal Year 2024-25 Goals

- Continue to cross-train in both payroll, financial reporting, accounts payable and utility billing
- Review and update existing financial policies and create new policies as needed
- Undertake training opportunities to maintain professional development

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Municipal Services Department

Program Description: The Municipal Services Department is a 13 FTE Department that serves the entire City Government through customer service, I.T., mapping, permits and licensing, public records requests, General Government such as Bids, Agreement, and Contracts (Council meeting preparation and follow-up), and management of CDATV. The IT Division supports 655 workstations for the City, as well as, maintenance of servers, monitors, desktop software, customized software, website, conference room equipment, fiber lines (including locates), network, security cameras, and the phone system.

Major Objectives

- To provide solutions for a secure city network, including new End Point Protection software and monitoring
- To continue to issue permits and licenses based on city codes, while updating antiquated codes as needed
- To continue to provide customer service to all city departments through the customer service, permitting, and I.T. services.

Fiscal Year 2023-24 Accomplishments

- * Since October 2023- March 2024 (1st 6 months of the fiscal year):
 - * The Department processed 333 public records request (with another 24 in the month of April), including 36 video redactions for the Police Department
 - * Issued 608 individual and 1081 company business licenses and permits
 - * Answered 254 questions to the city through the website
 - * 1,461 IT support request fulfilled
- Continued in-house software updates/rewrites (includes public safety benefit)
- Support of 655 workstations as well as servers, monitors, desktop software, conference room equipment, network and the phone system (Public Safety benefit)
- Completed the low-cost implementation of auto bill pay for the Finance Department
- Completed Cisco DUO Multi-Factor Authentication (MFA) city-wide; including all CJIS workstations and servers (required by October 1, 2024; Public Safety Benefit)
- Continued rebuilding/refreshing the building.cdavid.org website
- Completed the HP networking equipment to replace all switches
- Completed the migration for the Legal department to their new PROSECUTOR by Karpel case management software (Public Safety benefit)
- Replaced 18 city security cameras, fixed 21 cameras (Public Safety)
- Complete IT five-year plan (near complete at this time)

Fiscal Year 2024-25 Goals

- Recruit and retain staff

- Update the Massage Facility code
- Update Beer/Wine/Liquor code
- Add wireless access points to new locations as needed
- Continue audit of the city's fiber infrastructure
- Continue to Update/replace cameras throughout the City (73 replacements/services needed) (Public Safety benefit).
- Continue to upgrade computer security where needed
- Continue to cross train staff to provide continuous services throughout the year, for coverage no matter who is on leave
- Work toward goals outlined in the I.T. Five Year Plan
- Implement a new CMS website solution
- Replace End of Life equipment including servers and UPS

City of Coeur d'Alene, Idaho Departmental Summary and Description **Human Resources Department**

Program Description

The Human Resources Department manages and guides the establishment and implementation of city-wide employment policies and practices. Human Resources services include recruiting and retaining employees, classification and compensation, benefit programs, employee/labor relations and organizational development training.

The City of Coeur d'Alene offers competitive wages and a generous benefit package that includes medical, vision, dental, Public Employees Retirement System of Idaho, health reimbursement arrangement, life insurance, long-term disability, paid holidays, vacation and sick leave accruals, and optional supplemental plans are also available to employees.

The policies and procedures that determine compensation, benefits and various working conditions of City employees varies depending on what employee group the employee's classification belongs to. Exempt employees pay, benefits and other conditions of employment are established by the Personnel Rules. The bargaining groups recognized by the City are the Fire Union, the Police Officers Association representing both sworn and non-sworn, and the Lake City's Employee Association.

Major Objectives

- Attract and retain quality applicants and employees to ensure the goals of the City are met and maintained.
- Provide customer service and support for all City departments and Mayor/City Council. Continue to work with City departments to hire, train and provide guidance.
- Maintain a fair and equitable Compensation and Classification Plan for all positions.
- Maintain a healthy City of Coeur d'Alene Employees Benefits Trust with the goal of offering specialized benefits down the road due to overall trust savings.
- Provide the most competitive and current overall benefit package possible to cover all needs of employment.
- Continue to update various City policies to keep content updated, meaningful, and current.
- Deliver guidance in policy and procedure assuring compliance, consistency and excellent customer service.
- To assist all employees in their various needs throughout their career, from the beginning through their retirement needs.
- Ensure compliance with all applicable federal, state, and local laws.

Fiscal Year 2023-2024 Accomplishments

- Implemented AllyHealth, a more beneficial and user-friendly Employee Assistance Program with a focus on employee well-being and mental health.
- Completed negotiations with LCEA and the implementation of new contract benefits.
- Successful year for the City of Coeur d'Alene Benefits Trust with a minimal 3% increase. The trust continues to perform very well.
- Human Resources partnered with State Insurance Fund Work Safety Services to focus on public works departments on identifying safety and risks to help prevent employee injuries and control overall costs.
- Continued updates to Personnel Rules and Classification/Compensation plan.
- Human Resources successfully facilitated hiring 143 total employees to fill full-time, part-time and seasonal positions.

Fiscal Year 2024-2025 Goals

- Successful negotiations and new agreement with our Fire union.
- Establish a more productive open enrollment process for all employees.
- Evaluate equitable leveling with FLSA Exempt wage structure by implementing a compensation study.
- Continue partnering with State Insurance Fund to work through the remaining departments with one-on-one meetings to ensure safe work habits for risk management reduction.
- Continue to improve the City's ability to attract, retain and develop quality applicants for new positions and internal employees for promotions.
- Succession planning continues to be a priority to ensure a successful transition of both knowledge and opportunities.
- Continue to work with all City departments with various employee needs and training.
- Human Resources will continue to be a source of outreach and information to employees as the City of Coeur d'Alene Benefits Trust provides additional programs.

City of Coeur d'Alene, Idaho Departmental Summary and Description

LEGAL DEPARTMENT

CIVIL DIVISION

“Lawyers spend their professional careers shoveling smoke.”
~ U.S. Supreme Court Justice Oliver Wendell Holmes, Jr.

Program Description:

By State law, the City Attorney is the legal advisor to the City. *See* Idaho Code § 50-208A. He gives legal advice to the Mayor, City Council, City boards, commissions and committees, and City staff in matters pertaining to federal, state, and local laws, regulations, rules, and policies, whether that advice is actively sought or not. He also provides pseudo-legal advice and encouragement upon request. He works with every other City Division, most often with Planning, Building, Streets, Wastewater, Water, Police . . . well, most often with *all* of the other City Departments. He likewise has frequent interaction with citizens, other governmental agencies, attorneys, the press, and businesses regarding City ordinances and codes, contracts, procedures, complaints, and disputes about his legal acumen. He attends all meetings of the City Council, the Planning and Zoning Commission, the Design Review Team, General Services/Public Works Committee, and other boards, commissions, and committees upon request. The staff of the Civil Division consists of the City Attorney and one Senior Legal Assistant.

The Department’s Criminal Division, over which the City Attorney presides like an aged, majestic lion over his pride, consists of four prosecutors, four legal assistants, and a volunteer victim’s advocate, who have over 125 years of legal experience. This impressive number is down from last year due to the retirement of long-time Chief Criminal Deputy City Attorney Wes Somerton, who alone contributed over 29 years of legal experience to the Criminal Division. The prosecutors and their assistants continue to enthusiastically handle approximately 2,500 new cases every year to the point of exhaustion. Combined, the attorneys of the Legal Department have tried more than 400 cases before both juries and judges. We are all committed to the adage:

“The good lawyer is not the man who has an eye to every side and angle of contingency, and qualifies all his qualifications, but who throws himself on your part so heartily, that he can get you out of a scrape.”
~ Ralph Waldo Emerson

Major Objectives:

The primary objective of the Civil Division is, of course, to provide prompt, accurate, and helpful, legal advice to all members of the City team. In addition, the City Attorney assists the members of the City team as they pursue their joint objective of providing exceptional service to the public in a wide variety of ways and circumstances, sometimes just by lending a friendly, sympathetic ear. The Office also performs such other duties as may be assigned by the Mayor and City Administrator, or whoever else has a knotty legal question. Finally, the City Attorney acts as the Legal Services Director with supervisory authority over, and responsibilities for, both the Civil and the Criminal (Prosecutor’s) Divisions.

Fiscal Year 2023-2024 Accomplishments:

The Civil Division provided assistance in many of the major undertakings of the City throughout the fiscal year, as well as a lot of minor ones. Among other things, the City Attorney prepared and/or reviewed numerous contracts, resolutions and ordinances, bid packets, Council packets, staff reports, policies, official communications, and, his personal favorite and yours, white papers. He provided humor when it was most needed and often when it wasn't, and lent general legal support to all Departments on matters of Code and policy interpretation when requested and sometimes when not. He attended all meetings of the City Council and Planning and Zoning Commission, as well as the weekly Design Review Team meetings, and the meetings of other boards, commissions and committees as needed, ready to respond to questions, both expected and otherwise, regarding the law with general, but confident, accuracy. The City Attorney also frequently participated in departmental meetings.

He also wrote several infamous White Papers, proving the truth of the following maxim:

“We lawyers do not write plain English. We use eight words to say what could be said in two. We use arcane phrases to express commonplace ideas. Seeking to be precise, we become redundant. Seeking to be cautious, we become verbose. Our sentences twist on, phrase within clause within clause, glazing the eyes and numbing the minds of our readers. The result is a writing style that has, according to one critic, four outstanding characteristics. It is (1) wordy, (2) unclear, (3) pompous, and (4) dull.”

~ Richard C. Wydick, Plain English for Lawyers

It is becoming more and more difficult to find qualified lawyers to prosecute those who carelessly or even maliciously violate City ordinances and State laws. We find ourselves competing, largely unsuccessfully, with the private sector which pays much better and several governmental entities that have begun to offer greater financial incentives. Our advertisement for the Assistant City Attorney position to fill an office left vacant by Wes's retirement, which ran for several weeks in February and March 2024, netted three total applicants, only one of whom was actually licensed to practice law in Idaho and one of whom was still in law school. The Department foresees continuing difficulties filling vacant attorney positions under our current pay scale, although the City's benefits are very comparable to other employers.

It is difficult to describe the matters handled by the Civil Office in an interesting, let alone exciting, manner because much of our work involves dry and technical mumbo jumbo, albeit very important dry and technical mumbo jumbo. However, the specific accomplishments of the Civil Office in fiscal year 2023-24 include:

- Helping Animal Control by researching whether ball pythons are “venomous” and, thus, “exotic animals” under our Code – They are not, but selling them at retail, even from one's own house, requires a City license.
- Assisting the City Clerk in terminating an expensive and less than useful contract for the Granicus GovQA service.
- Assisting the Police Department and City Clerk revoke the City's voluntary reallocation of opioid settlement funds from PHD for the benefit of a new Police program.
- Preparation, in conjunction with many other City departments, of a variety of memoranda of understanding with the Downtown Association and the Chamber of Commerce for traditional downtown events.
- On-going Code Enforcement activities involving people building without building permits, setting up cameras to look into neighbors' backyards, abatement of debris, excessive wedding noise, retaining walls in the public rights-of-way, and porta potties at coffee stands.

- Assisting the City Clerk and Police Department in making sure that Public Records Requests are handled in a manner consistent with State law.
- Contributing to the peace and tranquility of the streets of Coeur d'Alene with Noise Ordinance amendments.
- Assisting the City Administrator in moving dirt.
- Continuing to help the Police Department with its remodel of the Police Station.
- Standing up for truth, justice, and the American way.

Fiscal Year 2024-2025 Goals:

The Civil Division will strive to continue providing outstanding legal advice and services to the City team while taking steps to improve the Legal Department's efficiency and to use the available resources to best effect. The Civil Division still intends to provide cross-training for the attorneys in the Criminal Division so that they will be able to perform functions in the Civil Division from time-to-time on an as-needed basis. However, the burgeoning caseload in the Criminal Division is making this problematic. Overall, the City Attorney seeks better integration of the Civil and Criminal Divisions of the Legal Department in order to help all other members of the City team deliver the best service for citizens and visitors alike.

One goal, in particular, is to complete the litigation against Kootenai County arising out of the Treasurer's unilateral decision to keep the interest and penalties due by statute on property taxes owed to the City. The Treasurer announced his decision in July 2022. After trying to work cooperatively to resolve the conflict, the City, together with Post Falls and four highway districts, were forced to hire outside counsel in October 2022 and file suit in December 2022. The district court granted summary judgment for the Cities and the highway districts in July 2023, and awarded costs and attorney fees. The County appealed. Briefing is under way and Bonneville County and AIC have requested permission to file briefs in support of the County. I hope that oral argument before the Supreme Court will occur this fall or early winter. A decision probably will not issue until the spring of 2025. We have every hope that the Supreme Court will reach the same conclusion reached by the district court and that we will also be awarded attorney fees on the appeal.

As the City grows and faces inevitable changes, the Legal Department must also grow and change in a logical and intentional manner so that it can help the City's elected officials and employees achieve their goals and vision for the City of Coeur d'Alene.

CRIMINAL DIVISION

“Never mistake law for justice. Justice is an ideal, and law is a tool.”
 ~ L. E. Modesitt Jr.

Program Description:

As an integral part of the City's law enforcement effort, the Criminal Division completes what the Police Department starts. It tirelessly seeks justice for crime victims; promotes long-term public safety through offender accountability, rehabilitation, and deterrence; and excels in advocating on behalf of City and its citizens both in and out of the courtroom. Through prudent exercise of prosecutorial discretion, unwavering commitment to the rule of law, and devotion to the highest ethical standards at all times, Coeur d'Alene's Prosecutors are committed to the vigorous pursuit of justice for the betterment of the community.

“The duty of the prosecutor is to seek justice, not merely to convict.”
 ~ U.S. Supreme Court Justice Benjamin N. Cardozo

Major Objectives:

The Criminal Division seeks, first and foremost, to do justice at all times and in all cases. Justice takes many forms, most frequently occurring through the vigorous prosecution of criminal offenses, advocating for sentencing outcomes that deter and rehabilitate offenders (when possible), and seeking vindication for crime victims. But equally important to that pursuit of justice is the wise and prudent exercise of prosecutorial discretion—in other words, knowing when to decline to pursue criminal charges. Whether it be to comply with ethical and practical demands to not pursue a case lacking probable cause for any element of the contemplated offense, to preserve scarce prosecutorial resources for use in viable cases, to pursue alternative means of resolution/deterrence/rehabilitation, or for any of the other multitude of nuanced considerations that should play into any charging decision, a Prosecutor’s exercise of discretion in declining to pursue a criminal charge can serve as a co-equal tool in the pursuit of true, meaningful, and equitable justice. But that prosecutorial discretion must never be exercised flippantly, maliciously, or for political purposes, and ideally should not be used—except when absolutely necessary—to reduce and manage overall caseloads by dismissing viable cases. Unfortunately, caseloads for the Criminal Division continue to increase year over year, and that increase will inevitably necessitate that last-resort use of prosecutorial discretion to manage excessive caseloads unless steps are taken to address the every-increasing need. A major objective for the Criminal Division will be to pursue options to avoid that dystopian situation.

“Prosecutors should never be judged by the *number* of convictions, but by the *justness* of their convictions.”

~ U.S. Supreme Court Justice Thurgood Marshall

Fiscal Year 2023-2024 Accomplishments:

1. Goals achieved as listed in the FY23-24 Department Plan
 - ✓ Hired an Assistant City Attorney, Deborah Belley, with substantial prior experience to seamlessly fill the vacancy left by the retirement of Wes Somerton and the corresponding loss of three decades worth of legal experience.
 - ✓ Successfully migrated to a new case management and database system, ProsecutorByKarpel (PBK), which allowed the Criminal Division to continue functioning, albeit in a very limited capacity, throughout the cyber-attack event in February 2024.
 - ✓ Hired a new Legal Assistant in the midst of the PbK migration process without interruption to that process or the legal services provided by the Criminal Division.
 - ✓ Made significant progress in purging old, restricted criminal history files from our database, updating outdated forms, refining current templates, prepping the rollout of an automated officer subpoena system, and several other small accomplishments that combined to produce a much more agile, efficient, and effective Criminal Division.
2. Assistant City Attorney Matthew Simmons graduated from the Idaho Academy of Leadership for Lawyers (IALL) on April 26, 2024, after completing the nine-month training program. Mr. Simmons is now the second IALL graduate in the City Attorney’s Office (Ryan Hunter was in the Class of 2023).
3. After committing more than two thousand hours of time preparing the Patriot Front cases for trial and litigating them, Wes Somerton and Ryan Hunter obtained guilty verdicts against seven of the Patriot Front Defendants in two trials occurring in July and August of 2023. Additionally, after showing their professionalism and effectiveness in successfully prosecuting those offenders, they secured pre-trial resolutions in twenty-two more of the associated cases. For the two remaining cases, Mr. Hunter continues to work tirelessly on behalf of the City to ensure that justice is done and that the rule of law prevails.
4. With the retirement of the long-serving Chief Deputy and the corresponding loss of no less than 23 years of experience with the City, the team has successfully navigated a leadership transition of incredible proportions and continues to successfully manage and litigate criminal matters.

“A good prosecutor must be able to convince a jury of his own integrity.”

~ Thomas Hynes

Fiscal Year 2024-2025 Goals:

1. At minimum, strive to maintain the current level of prosecutorial services to the City and its citizens and, ultimately, to pursue the addition of 1) a new Assistant City Attorney position to address the reality of ever-increasing caseloads that will inevitably become unmanageable with current staffing levels, and 2) a dedicated victim advocate/witness coordinator to handle the unique tasks of victim/witness communication and coordination.
2. Bridge the gap between the Criminal Division and law enforcement agencies by promoting greater communication, cooperation, and coordination to achieve better effectiveness, efficiency, and overall outcomes for all partners in the law enforcement process.
3. Foster greater communication, cooperation, and coordination between the prosecuting agencies within Kootenai County and the First Judicial District in order to present a more unified front when working with the judiciary and the defense bar to ensure procedural fairness, judicial compliance with legal rules, and efficient processes.
4. Begin to add civil tasks to the criminal assistant’s job duties to continue the integration of the Criminal and Civil Divisions of the City Attorney’s Office.
5. Complete the rollout of the PBK electronic subpoena service and tracking system.
6. Stay engaged and informed on the cutting edge of criminal justice developments, which includes participating in and promoting evidence-based treatment courts and diversion programs to reduce recidivism rates, including ILED, Domestic Violence Court and Diversion, DUI Court, and Veterans Court; seeking alternative approaches to offender accountability, rehabilitation, and deterrence; fostering understanding of the intersection of mental health and criminal justice, and the need for more nuanced approaches that utilize aspects of both systems working in concert to produce immediate and measurably better outcomes in both the short and long terms; providing ongoing training in legal developments to law enforcement personnel.
7. Continue the legacy recently retired Chief Deputy Wes Somerton left behind of passionately advocating on behalf of crime victims and upholding their rights under the Idaho Constitution and statutory law, and work with our law enforcement partners to ensure that commitment begins with the very first contact with every crime victim.
8. Ensure that Criminal Division attorneys and staff are able to maintain a healthy work-life balance and receive market-appropriate compensation for their work, which is critical for dealing with the incredible mental and emotional demands of this job.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Planning Department**

Program Description

The Planning Department's role in the City falls under two main pillars. The first is the long-range and strategic planning role, which provides the bigger picture for planning, zoning, and economic development. In this role, the Planning Department leads community engagement efforts, recommends and leads strategic code amendments, focuses on long-range and special planning projects, and engages with community partners.

The second pillar is related to current planning and day-to-day operations. In this role, the Planning Department processes development applications, reviews building permits for compliance with zoning requirements, focuses on improved communications with the development community, and provides excellent customer service. The Planning Department routinely interfaces with other city departments and community partners, and acts as a facilitator.

In all of our efforts, the department is mindful of opportunities to integrate walkability, affordable housing, and economic development (e.g., adaptive reuse, economic gardening, support of small business, and innovation) into planning conversations, and helps guide strategic conversations related to growth and community development.

The CDBG program details are highlighted separately.

Major Objectives

- Implement priority action items from the new 2042 Comprehensive Plan.
- Participate in cooperative planning efforts with the County and neighboring communities to help address housing and growth challenges.
- Lead historic preservation efforts for the City in partnership with the Historic Preservation Commission and the State Historic Preservation Office (SHPO).
- Continue to promote continuous improvement for the development review process.
- Seek grant funding and collaboration opportunities to assist with project costs.
- Promote economic development opportunities in existing and new businesses districts (e.g., Atlas Waterfront, Midtown, East Sherman, Health Corridor).
- Continue to improve the Zoning and Subdivision Codes.
- Continue to take the lead on development projects for the City, such as Atlas.
- Continue to promote the importance and protection of the Shoreline and the Hillside areas of the City.

Fiscal Year 2023-24 Accomplishments

- Atlas Waterfront – The project is in Phase 3 of development. Staff participates on the Architectural Review Committee and Steering Committee, and attends weekly project coordination meetings with ignite and the consultant team.
- The Development Impact Fee and Annexation Fee update was completed and the new fees were adopted on January 2, 2024. The effort also included developing capital improvement plans (CIPs) for Police and Fire. The new impact fees are effective July 1, 2024 with an annual escalation based on the Engineering News Record and a process to regularly review and update the fees.
- Staff continued working on regional housing and growth issues in the region to address regional concerns, research solutions, and helped with the second annual regional joint workshop with Planning and Zoning Commissions that took place in December 2023. The work will continue under the Housing Solutions Partnership.
- Historic Preservation efforts:
 - Staff worked with the Historic Preservation Commission (HPC), State Historic Preservation Office (SHPO) and consultant to continue the Nomination for the Garden District for a Historic District using CLG (Certified Local Government) grant funding. In FY23/24, staff helped organize multiple outreach efforts and required mailings to all property owners within the boundaries. The Idaho Historic Sites Review Board will consider the nomination at their May 18, 2024 meeting and the nomination to the National Register of Historic Places should be finalized by the end of 2024.
 - The Historic Preservation Commission partnered with the Museum of North Idaho to celebrate May as Preservation Month and organized a variety of events and outreach efforts, including the May 1 reception.
 - The second Heart of History Award was granted to the owners of the Northern Pacific Railway Depot at the reception.
 - The City and HPC applied for and were awarded \$11,000 in CLG grant funds to conduct a reconnaissance survey of the downtown to identify historic structures and help inform future code amendments related to downtown.
- The team handled 16 public hearing items during FY23/24 as of May 2024, including several major Design Review Commission hearings for projects such as the Marriott and Hagadone Sherman Tower. It is expected the number will be closer to 25 hearings by the end of the fiscal year.
- Staff worked with KMPO to complete the 2023 TAZ transportation modeling growth for Coeur d'Alene.
- Staff helped organize several meetings with East Sherman property and business owners to discuss priorities, possible roadway design and beautification ideas, reconvening the Leadership Committee, and costs and funding opportunities such as the Business Improvement District and Local Improvement District tools.
- A working group was formed to assist staff in updating the Downtown Development Regulations, Downtown Design Guidelines, and Infill Overlay Design Guidelines. The group includes representatives from the Historic Preservation Commission, Design Review Commission, Planning and Zoning Commission, and other community members that are design professionals.
- Efforts are underway on the University District zone for North Idaho College, evaluating heights and parking in the downtown, and revising the billboard ordinance.

Fiscal Year 2024-25 Goals

- Atlas Waterfront – continue being actively involved with the project and a key player in partnership with ignite cda and consultant team on project development.
- Bring forward a University District zone for the North Idaho College campus for consideration.
- Continue efforts on the Downtown Development Standards and Design Guideline review and bring forward code amendments for Council consideration, potentially bringing in a consultant team to assist with a view and vista study to address view corridors and parking evaluation for parking standards in the downtown and infill areas.
- Bring forward amendments for the Design Review Procedures.
- Zoning Code amendments to address housing needs such as the allowing Twin Homes where duplexes are allowed.
- Continue to be an active participant with the partnership on possible solutions, and bringing forward recommendations to Council and engaging regional partners, including having joint workshops with other Planning & Zoning Commissions; working with Housing Solutions Partnership on housing priorities, research, education, and implementing and exploring new Toolkit items.
- Work with the HPC and SHPO on the Downtown Reconnaissance Survey, and continue working with stakeholders on a historic overlay zone/local district, possible updates to existing infill zoning, and educational materials for historic property owners, etc.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Building Maintenance Division**

Program Description

The building division is responsible for maintaining all city owned buildings.

Major Objectives

Perform preventive maintenance on all HVAC equipment and to make all repairs to the buildings as needed.

Fiscal Year 2023-2024 Accomplishments

- City-wide door access control was upgraded from on prem server to cloud based service due to obsolescence of existing hardware.
- Converted and upgraded the interior and exterior lighting systems at the library with new high efficiency L.E.D. lamps and fixtures.
- Assisted with the building remodel at the Street Department by contracting installation on polished concrete floor, access control improvements, installation of stair treads, and helped to lower project cost by performing odds and ends inhouse.
- Facilitated and assisted with installation of reading cabin in Childrens Library.
- Contracted installation of TPO roof at City Hall.
- Multiple improvements at the Parks Dept C St. Shop including: replacement of three heaters, addition of second ADA restroom, lighting, and replaced two overhead doors with motorized operators.
- Improved electrical system at the Jewett house by replacing and upgrading the basement breaker panel, installed new sub panel, and added multiple 20amp grounded outlets throughout the building.
- Performed the restoration work at the Harbor Center after a pipe froze and burst resulting in extensive water damage.

Fiscal Year 2024-25 Goals

- Begin mechanical upgrades at Police department by correcting improper design of boiler loop header and replacing 20yr old boiler loop pumps.
- Replace Police department gate operators that are over 20yrs old. PD mentioned they may be able to contribute to the project.
- Install security cameras at the library's upper and lower entrance common areas due to increased vandalism and loitering.
- Update/upgrade City wide HVAC automation to either latest software or transition to cloud-based service.
- Begin replacement schedule of six +20yr old unit heaters at the Streets and Engineering department.
- Upgrade Police Dept lighting system with new high efficiency L.E.D. fixtures, dimming capabilities, and occupancy/daylight harvesting sensors.
- Transition from contracted custodial services to full time city employees.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Police Department**

Program Description

The Police Department strives to improve or maintain the safety of our community through collaborative partnerships with community stakeholders in an effort to appropriately respond to emergency calls for service, reduce the fear of crime, and improve community engagement. CDA PD has 122 full-time members who serve our public. The police department is comprised of the following units: Patrol, investigations, school resource officers, community action team, records, traffic, K9, SWAT, code enforcement, civilian investigative specialists, records, animal control, professional standards, hiring and training, IT, fleet support, property and evidence, and volunteers.

Major Objectives

- Appropriately respond to emergency calls for service.
- Reduce crime and the fear of crime in our community.
- Reinforce a culture focused on community engagement and the reduction of felony crimes in our community.
- Properly and adeptly investigate allegations of crime.
- Maintain our partnership with the community.
- Keep school children safe and provide positive law enforcement interaction through the School Resource Officer program.
- To continue to support the members of the police department by ensuring they are staffed, trained, and equipped properly to fully meet our public safety mission.

Fiscal Year 2023-2024 Accomplishments

- We successfully reduced Part 1 crime by 2.86% in 2023. Part 1 crime has fallen 65.87% since 2014 and is at historic lows for both crime rate and the total number of Part 1 crimes (a total of 714 Part 1 crimes in 2023).
- Responded to 56,339 calls for service (2023).
- The total number of accidents went down slightly in 2023.
- The victim advocate program served 559 victims of stalking, domestic violence, or sexual assault and an additional 821 outreach contacts. Roughly 12% of the victims were sexual assault victims, 78% were from domestic violence incidents, and 10% were victims of stalking crimes.

- Improved roadway safety through our DUI enforcement program and our leadership in the North Idaho DUI Task Force.
- Continued our partnership with the Fire Department on the Rescue Task Force program to better respond to active shooter incidents.
- Continued partnerships with area law enforcement agencies such as the Idaho State Police and the Kootenai County Sheriff's Office.
- Continued our partnership with SD271 and North Idaho College for our School Resource Officer program.

Fiscal Year 2024-2025 Goals

- Continue to reduce the fear of crime in our City through a collaborative effort with community partners including citizens, businesses, schools, social and church groups, and block watch groups.
- Continue to be leaders in public safety for our region.
- Improve recruiting and retention of police officers and work towards full staffing.
- Increase our community outreach to better inform and partner with the community.
- Continual evaluation of traffic complaints and collisions to optimize deployment of limited traffic enforcement resources.

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Streets & Engineering Department

Program Description

The streets and engineering Department provides maintenance and construction services within the city's right-of-way, as well as provides fleet maintenance and repair service to all other departments. The department also assists other city Departments in emergencies, special events, asphalt and concrete construction, and electrical work. The department prioritizes public safety as it relates to the maintenance and repair of the street network, storm drain system, street lights, and traffic signals.

Major Objectives

- Continue to provide excellent fleet service to all city departments
- Improve city roadways through good street management practices
- Provide a coordinated, responsive traffic signal system on priority corridors
- Continue to work with the school district to ensure safe routes to and around schools
- Ensure quality public infrastructure through vigilant public work inspections

Fiscal Year 2023-24 Accomplishments

- Sherman Ave sidewalk repair and ADA compliance
- Boise and 4th street intersection replacement
- Prairie trailhead parking infrastructure
- Independence point phosphorus reduction
- Numerous RRFB installations throughout the city
- 3RD street outfall reduction
- Large scale chip and overlay
- Jewett house paving and upgrades

Fiscal Year 2024-25 Goals

- Ramsey road swale upgrades
- Signal/ADA upgrades on Government way corridor
- Pavement upgrades to city roadways
- Install covered parking for truck fleet longevity

City of Coeur d'Alene, Idaho Departmental Summary and Description **Parks Department**

Program Description

Our Parks Department oversees seven community parks, eleven neighborhood parks, six sports complexes, four city-owned docks, six beach areas, and four natural parks. The department also owns and maintains two public cemeteries and twenty-two miles of shared-use paths. In addition to these facilities, the Parks Department maintains twenty-six non-park areas, that includes landscaped beautification areas throughout the city.

Major Objectives

- Maintain restrooms and all park facilities including Memorial Grandstands, City Park Bandshell, McEuen Avista Pavilion, Riverstone Amphitheater, and numerous picnic shelters, horseshoe pits, tennis and pickleball courts, and playgrounds.
- Provide grounds maintenance of turf, trees, and all landscaping.
- Cleanup and maintenance of the Centennial, Prairie, Kathleen, and Atlas Trails, and natural open space at Canfield, Fernan, and Tubbs Hill.
- Support more than 100 large and small events throughout the year. Large events include CDA On Ice, Ironman, 4th of July, Taste of the Coeur d'Alene, Ales for the Trail, Brewfest, Marathon, Triathlon, Spring Dash, and three concert series.
- Provide customer service to all patrons throughout the parks.

Fiscal Year 2023-24 Accomplishments

- Added two park maintenance positions.
- More than 355 hours of staff time was dedicated to monitoring events.
- Installed a smaller picnic shelter at McEuen.
- Mooring docks at 3rd Street have been replaced.
- Oversight of landscape construction at new Museum location.
- Conversion of four Cherry Hill tennis courts to twelve pickleball courts.
- Removal of parking strip of grass along Ramsey Road
- Continued fire mitigation on Canfield and Tubbs Hill.

Fiscal Year 2024-2025 Goals

- Water meter installation at Bluegrass Park and Memorial Field
- Install security cameras in highly vandalized parks; Bluegrass, Landings, and Person Field
- Fund a Worker I position.
- Purchase two, new to us, pickup trucks

City of Coeur d'Alene, Idaho Departmental Summary and Description Recreation Department

Program Description-The Recreation department offers a variety of team sports, lifetime recreation activities, information classes, and community events. Programs are designed to meet the recreational needs of infants to senior citizens, and everyone in between.

Major Objectives

- To provide new programs, find ways to improve existing programs, and seek potential partnerships. The Department has seen a growing interest in activities for preschool aged kids. This will be a big focus going into next year.
- Events such as preschool aged camps, community yard sales, music conservatory partnerships are part of a genre of programs the Department is working to grow. These events will extend our reach into the community.
- Anticipate the needs of the changing community and structure programs and facilities accordingly to help build a healthy and active community.

Fiscal Year 2022-23 Accomplishments

- Participation numbers have continued to increase. On average over the last year our numbers in all programs have increased by 20%. For example, our youth soccer program has grown from 336 kids in 2021 to 580 in the spring of 2024.
- The partnership between Recreation and the Inland Northwest Pickleball club has grown into a very successful partnership. The program has grown in offerings to participants as well as grown in enrollment.
- The department began a new partnership with the Friend of CDA Public Golf Club in the summer of 2023 which allowed us to drastically overhaul our kids golf camps. We went from offering 24 spaces to 100 spaces for participants. The summer of 2024 we have increased to accommodate up to 200 participants.
- The swim program continues to grow as the Department looks for more pool time in order to accommodate more children. The program has grown from Monday/Wednesday offerings to include Saturdays. This allows for an additional 40-50 participants every 6 weeks. We register 200 kids every six weeks. The special needs program continues to grow in popularity as we are able to offer a service that not many other places can.
- We have been increasing the number of facilities reservations we approve which has been a good revenue source for the department.

Fiscal Year 2024-25 Goals

- Increase partnerships with outside user groups. This is an easy way to collect additional revenue (30% of total program revenue) with very little staff time dedicated to running the programs.
- Put a stronger emphasis on building partnerships with local organizations to have a stronger presence in outdoor leisure activities.
- Continue to work with CDA School district on our use of district facilities. Open discussions about our joint use agreement and the possibility of the city being able to rent out some of our gym time to outside users. At roughly \$40 an hour per indoor court, the department will be able to generate increased revenue. It will also open more use of those facilities as the district struggles with staffing.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Building Inspection Department**

Program Description

The Building Department is responsible for the health, safety, and welfare of the public by creating safe buildings. Our team is responsible for enforcing all applicable building, mechanical, accessibility, plumbing and housing codes and laws adopted by the City and State to ensure a safe and habitable building environment.

Major Objectives

- Administer the building, mechanical, and plumbing codes as adopted to ensure homes and businesses are safe and are accessible to everyone.
- Provide education on the building codes and construction practices for architects, contractors, homeowners, and students.
- Ensure plan reviews, issuance of permits, and inspections are completed both timely and accurately.
- Provide excellent customer service to the construction community, public, and other city departments.

Fiscal Year 2023-24 Accomplishments

- Brought in necessary certification training through our partnership with North Idaho Code Enforcers (NICE) and the Idaho Association of Building Officials (IDABO).
- Continued ongoing partnership with the North Idaho College carpentry program and plumbing apprentice advisory committee.
- Assisted other city departments with construction projects.
- Managed reasonable timeframes for permit reviews and responses to applicants during a busy construction year.
- Continued to conduct building inspections within 24 hours from receiving a request.

Fiscal Year 2024-25 Goals

- Continue local education and training through IDABO and NICE.
- Review process and procedures to better customer service and streamline workflow.
- Implement Blue Beam software for permit processing and review.

* - Community Development Block Grant

City of Coeur d'Alene, Idaho Departmental Summary and Description **Library**

Program Description

The Coeur d'Alene Public Library is at the heart of an informed, engaged and diverse community. It provides free and equal access to a varied collection of resources and spaces where visitors can create, learn and share.

The Library operates out of a modern, purpose-built facility and meets community needs and interests through its exceptional multimedia collections and programming for all ages. Activities are extended offsite and out into the community by partnering with organizations and groups who call for assistance. The dedicated and responsive staff provide services, resources and spaces that remain essential and relevant to all that they serve.

Visitors have come to expect that the Library:

- Is innovative and continually changing and adapting services to meet community needs and interests.
- Is a safe and secure welcoming location for our community's families and students, with resources, spaces, and activities that engage their interest.
- Is a welcoming, inviting community hub connecting a diverse population of users to their community and to each other.

Major Objectives

- To provide up to date and relevant materials in a wide variety of formats.
- To plan and present programs for all ages.
- To aid visitors with:
 - Reader's advisory
 - Research and information
 - Technical training and support
- To serve an ever-growing community and respond to community needs and interests.
- To enhance literacy and learning throughout the community by providing outreach to underserved populations.
- To provide spaces for community activities.
- To collaborate with area libraries to share resources.
- To offer excellent library services to all community members.

Fiscal Year 2023-24 Accomplishments

- The Library's wide range of recreational and educational programs for all ages were attended by 44,983 community members during 2023, a 225% increase over 2022.
- The Library welcomed 218,779 visitors during 2023, a 10% increase over 2022.
- Patrons checked out 294,105 physical items and 76,273 eBooks and eAudiobooks from the library during 2023, a 4% increase in total circulation of materials over 2022.
- Children's services and programming have seen a surge in usage due to additional personnel and improvements to the physical space that includes the new playhouse cabin as a central feature. The 133,488 physical items checked out in FY 2022-23 set the fiscal year record and the Library is currently on track to break it again in FY 2023-24. Meanwhile, attendance at children's programs is seeing a 77% increase in FY 2023-24.
- Teen services and programming have similarly seen higher usage in FY 2023-24, with the checkout of physical items and program attendance experiencing increases of 10% and 26% respectively.
- An improved and more varied schedule of adult programming opportunities has led to a 366% increase in attendance in FY 2023-24.
- The Library's outreach staff held a popular series of rotating story time events in the City's parks during the summer of 2023 and made new connections with care facilities throughout the city to provide innovative services to their residents.

Fiscal Year 2024-25 Goals

- Work with the Coeur d'Alene Library Foundation, Inc. and Friends of Coeur d'Alene Public Library to upgrade the teen areas of the library.
- Increase the Library's programming output to meet demand and provide a full range of programming opportunities for all ages.
- Ongoing collection development to provide excellent materials for all ages and interests in a variety of formats.
- Build upon the progress that has been made towards increasing outreach to schools, daycares, senior facilities, community centers, etc. by continuing to make connections and provide support, tools, and equipment for outreach staff.
- Further expand the Library's marketing efforts to better reach and inform all residents by improving the library website, incorporating additional social media platforms as appropriate, and exploring ways to post promotional materials via other means available.
- Further enhance the Library-hosted and curated Coeur d'Alene Digital Archives website (cdarchives.org) to allow for hosting of additional historic archives.
- Strengthen community partnerships to foster new collaborative opportunities that align with the Library's service mission.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Community Development Block Grant**

Program Description

The City receives an annual Community Development Block Grant (CDBG) from the U.S. Department of Housing and Urban Development (HUD). The grant's objective is to support low-to-moderate income (LMI) residents of Coeur d'Alene, which can include the following projects: housing rehabilitation for LMI families, increase of affordable housing (for rent and for sale units), economic development opportunities, supportive infrastructure development in low-income areas of the City, senior support, aid to local organizations whose mission is to provide safety for low-income residents. The grant is managed by the City's Planning Department with additional oversight provided by the City's Finance Department.

Major Objectives

Facilitate sub-recipient management, fund dispersal, and program compliance for the following activities:

- For Sale and For Rent Affordable Housing activities.
- Accessible Sidewalk Improvement: Available in the City's low-income census tracts.
- Emergency Minor Home Repair and Accessibility (EMRAP): Available to local qualifying homeowners.
- Annual Community Opportunity Grant Cycle: Available to public, private, and government entities.
- Provide Senior Support through an annual Meals on Wheels grant to Lake City Center.

Fiscal Year 2023-24 Accomplishments

- Hired a new CDBG Community Development Specialist, Sherrie Badertscher to administer the program.
- Completed a new internal Policy Guide to help administer the CDBG funds.
- Began implementation of the new 5-year Consolidated Plan for 2023-2027.
- Assisted Habitat for Humanity's LMI homeownership project consisting of 21 units.
- Administered 12 EMRAP projects, including one sewer connection project.
- Dispersed \$10,000 for the annual Meals on Wheels grant.
- The remaining CDBG-CV (COVID-19 CARES ACT) funds were fully spent in FY23/24 and reprogrammed to pay for CDAIDE's subsistence program.

- Managed the Community Opportunity Grant Cycle for HUD Program Year 2023 with a budget of \$196,848.
- Spent down remaining funds from 2020 for the Habitat for Humanity project, the 2022 funds allocated to TESH, and 2023 Community Opportunity Grant funds were reprogrammed from housing due to the inability to find a viable project and were placed toward a much-needed public facility project at St. Vincent de Paul for a new roof.
- Worked with the Streets & Engineering Department to spend the allocated \$31,403.22 on several sidewalk projects benefitting neighborhoods designated as more than 51% LMI Census Tracts using funds that had been collected since PY18 for this purpose.

Fiscal Year 2024-25 Goals

- Actively seek and implement strategic partnerships to increase affordable housing opportunities.
- Implement the 2024 Annual Action Plan.
- Manage the Community Opportunity Grant program to address community needs, based on survey and information from stakeholders and partner organizations.
- Disperse funds for the annual Meals on Wheels grant in the amount of \$10,000.
- Actively work with the 2023 and 2024 grant recipients to implement community priorities and meet HUD grant reporting requirements.
- Administer 10-15 EMRAP projects, including the expanded sewer connection program (with a cap of \$20,000), and seek City Council support to increase the dollar amount for EMRAP projects to allow for the cost of a new roof and to comply with the new HUD requirement of addressing radon with testing and potential mitigation.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Parks Capital Improvements Fund**

Program Description

Parks Capital Improvements Fund allows for the purchase, improvement, or construction of properties and/or amenities for the Parks Department. Due to the current economic climate, we are limiting our goals for big projects in this fiscal year.

Major Objectives

- Improve existing park properties and amenities
- Construct new sites
- Provide funding for needed capital enhancements

Fiscal Year 2023-2024 Accomplishments

- Completion of mooring docks at 3rd Street dock to enhance public safety.
- Resurface Ramsey tennis courts
- Drainage project at Ramsey
- City Park and McEuen basketball courts were resurfaced.
- Construction of the shade structure at Riverstone Park
- Completion of the park shop expansion
- Harbor Center docks completion
- Prairie Trail extension
- Oversight of new museum landscaping

Fiscal Year 2024-2025 Goals

- New Playground at Bluegrass Park
- Parking lot resurfacing
- Upgrade to City Park Bandshell
- Infrastructure for Aspen Trails Park

Budget Priorities - 2024-2025

- Identify funding/ purchase for new back up fire apparatus (used vs new)
- Increase OT to fund ARU resource trial period
- Replace current pre-connect/ nozzles on frontline apparatus
- Funding for Station Location-Community Risk Assessment- Staffing Model study (ESCi)
- Dedicated FD Mechanic (2025/2026)
- Replacement of mobile radios (dual band)
- (2) additional paramedic students (start in 2024)
- Replace aging thermal imaging cameras on frontline apparatus
- General Obligation Bond consultant services
- Identify funding for replacement of roof at Station 1

City of Coeur d'Alene, Idaho Departmental Summary and Description **Cemetery Fund**

Program Description

Operation and upkeep of Forest and Riverview cemeteries.

Major Objectives

The cemetery's major objectives are to perform burial services and provide the highest quality and most respectful care possible. We provide maintenance on 22 acres at Forest and 7.5 acres at Riverview.

Fiscal Year 2023-2024 Accomplishments

- Hired a Ground Maintenance Worker 1.
- Discovered that the Forest Cemetery mainline loop eliminated the need for irrigation pumps.
- Worked with the Museum of North Idaho in presenting cemetery tours.
- The cemetery has continued to expand its use of electric equipment and will continue to do so because of the longevity of the equipment and impact on our environment.
- 78 ground lots and 35 niches were sold and performed 131 opening and closing services.
- Purchased a hydro seeder for seeding graves and any other seeding needs for the cemetery and parks.
- Installed a fill station in Riverview with over 100 gallons a minute flow allowing less time needed to fill the hydro seeder and spray tanks and making the process much more efficient.

Fiscal Year 2024-2025 Goals

- Continue to sell Niches in forest cemetery to generate revenue.
- Partner with Museum of North Idaho to continue presenting historical tours of Forest Cemetery.
- Acquire an artistic niche wall from Dale Young for Forest cemetery.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Recreation Department-Jewett House**

Program Description

The Jewett House serves as a senior center for a number of activities for senior citizens as well as an event center that accommodates weddings and other special events. The house is host to recreation department offerings as well as staff and corporate meetings and gatherings.

Major Objectives

Major objectives for the house are to continue to grow department offerings held there and to also continue to grow the number of weddings and special events. With the increased activity with weddings and events comes a growth in revenue for the house. This increased revenue will help keep the house mostly self-sustaining and not solely reliant on budgeted city funds.

Fiscal Year 2023-24 Accomplishments

Revenue continues to grow. After a long process we were able to get our new garage building done. This new structure includes 2 ADA restrooms that will be dedicated for use by our clients. We came in far under budget on the project which has allowed us to take care of a few additional items on the house. We have installed a new electrical panel that services new grounded floor outlets allowing us to get away from customers using the old outlets connected to the old system.

Fiscal Year 2024-25 Goals

Continue growing programs at the Jewett House and complete a few projects at the house that would greatly benefit the overall product for prospective customers.

An issue under discussion is a succession plan in regards to house management. The staff will strive to make and keep the facility a beautiful location we want to make sure we put our best foot forward with how we staff the house and who we staff it with.

Reforestation, Street Trees and Community Canopy

Program Description

The Urban Forestry division serves as the liaison to the public regarding city ordinances, tree selection and tree care. The division manages the City's tree inventory, coordinates and carries out tree work on public trees, issues permits for contractors and homeowners to work on public trees, provides public education and serves as a liaison to the Urban Forestry Committee. The Urban forestry division reviews commercial permits to ensure that city codes regarding street trees are met and assists with project reviews. The street tree permit program provides funds for planting and the City cost share program which provides assistance paying for tree care on public trees abutting single family residential properties.

Major Objectives

- To ensure that public trees receive proper tree care through permitting
- To protect public trees from unnecessary removal
- To keep the city tree inventory up to date to track the state of the tree infrastructure.
- To establish ordinance that promotes proper tree care and a diverse tree population through approved planting lists
- To improve public safety through mitigating hazards regarding public trees.
- To continue the growth of the urban forest through planting new trees and reforestation.
- To assist the public with performing work on public right of way trees and assisting in mitigation issues regarding these trees.

Fiscal Year 2023-2024 Accomplishments

- 63 residential homes have utilized the cost share program this fiscal year resulting in 44 street trees pruned and 27 high risk or unhealthy trees removed through this program. With a total of 503 trees pruned and 249 trees removed since the program's inception.
- Through the RSTR program 244 street trees were planted at residential properties in the incorporated city limits in this budget year.
- Parks and recreation staff working with streets and engineering staff pruned approximately 930 public trees this fiscal year with another 101 public trees removed and replaced or will be replaced within the next 12 months.
- Urban forestry worked with the trails coordinator to apply for and were rewarded a \$126,000 fuel reduction grant to perform Hazardous Fuel Reduction at the Canfield Mountain Natural Area/Cancourse LLC property. The planning phase for this work is under way and it is to be completed by November 2025.
- Urban forestry worked with the trails coordinator to apply for and were rewarded a \$600,000 fuel mitigation grant for the Tubbs Hill Natural area. The State is generating

the Memo of Understanding for this grant work so that the planning phase can begin. Work is expected to begin in fall of 2024.

- The City of CDA was recognized as a Tree City USA for the 40th consecutive year and once again received a Growth Award for the 18th consecutive year.
- Urban forestry staff completed the planting for the Re-Leaf program. This resulted in a cost savings of approximately \$10,000-\$15,000. Savings from completing the work in-house was used to purchase a 14' dump trailer so that planting can continue to be performed by staff and produce annual savings.

Fiscal Year 2024-2025 Goals

- Continue the Re Leaf CDA program as budget allows.
- Continue to expand the urban forestry/trails staff through training and complete more field work for the public.
- Complete awarded grant work and continue to seek new grant opportunities as they become available.
- Continue to work toward promoting and expanding the Cost Share maintenance program to assist with high-risk public tree removals and nuisance mitigation throughout Coeur d'Alene as tree work costs continue to rise.
- Utilize our expanded staff to reduce the need for contracted work.
- Use annual savings from reduced contract costs to continue to expand the divisions scope of work.

City of Coeur d'Alene, Idaho Departmental Summary and Description **Water Department**

Program Description

The Water Department's primary goal has always been and will continue to be to provide safe, clean and abundant drinking water for the city. In addition to this goal, the Water Department is pledging to take a more active role, per the Envision CDA Plan, to promote water conservation efforts in order to ensure water quality and quantity for future generations. Our capable staff will assist in this effort through proactive leak detection and repairs, ensuring accurate production and consumption records, tracking water loss, and providing conservation education to the general public whenever possible. One of the programs emphasized will be irrigation efficiencies and use of low water use landscaping. We will be looking for opportunities for pilot projects that can demonstrate attractive alternative landscape options. The desired goal is to reduce irrigation consumption by 30%. We are also implementing new cellular radio read technology which will allow the customer to access their water usage and accounts through an app on their phone and can program it to their specific water use needs and notify them to help manage their water use. Ultimately this will be implemented in phases with the meter change out program over an 8-to-10-year period.

The Water Department consistently provides the utmost in customer service to all of our consumers. Routine functions of the department include provision of a myriad of services such as; routine and emergency customer service calls, monthly meter reading, infrastructure maintenance and repairs, water production, treatment and storage, water quality sampling, leak detection, various operational and maintenance programs, main and service replacements, fire hydrant installation, maintenance and repairs, all aimed at providing the best customer service possible. Administration and the support staff consistently provide routine and emergency scheduling, budgeting, purchasing, research and resource management to provide the necessary manpower, tools, materials, equipment and available information necessary to properly maintain and operate an outstanding public water system.

Major Objectives

- Provide high quality and abundant water at an affordable rate.
- Meet and exceed all federal, state and local water quality requirements.
- Provide excellent customer service at all times.
- Provide reliable fire service citywide to ensure public safety.

- Continue to replace aging and failing infrastructure in a reasonable time frame to prevent future system failures with exorbitant replacement costs.
- Promote equitable funding procedure to maintain and improve system performance and reliability while limiting debt service.
- Maintain and update standards and policies for proper construction practices and service reliability.

Fiscal Year 2023-24 Accomplishments

- Yardley service line replacement in the Pine Grove area.
- acquire an engineer firm to help design and bid out a transmission line for a future storage tank at the end of Thomas Lane.
- Conducted and attended annual training necessary to maintain operator licenses.
- Planning for construction of a replacement booster station for Blackwell Island.
- Have started the Water Comprehensive Plan and rate study.
- We have identified and received promising samples of a new location for a future wellsite
- Completed the update on the lead and copper inventory

Fiscal Year 2024-25 Goals

- Acquisition of additional 9 cubic feet per second ground water rights for a future wellsite to meet peak production demand capabilities.
- Annual Yardley service line replacement ahead of street overlay projects.
- Planned water infrastructure replacement projects.
- Begin work on installation of a new transmission main to Canfield – Northeast Storage Transmission.
- Conduct and attend annual training necessary to maintain operator licenses.
- Wrap up the Water Comp Plan Update and update the current rate analysis.
- Update sample plan for new DEQ/EPA lead and copper sample regulations

City of Coeur d'Alene, Idaho Departmental Summary and Description **Wastewater Department**

Program Description

The City of Coeur d'Alene Wastewater Department provides treatment for municipal, commercial, and industrial wastewater for more than 50,000 residents and associated commercial users before discharge to the Spokane River. The Department maintains over 220 miles of public sewer, treating almost 1.2 billion gallons last year, and producing over 5,000 cubic yards of “Class A, Exceptional Quality” compost. The Department employs 30 people who clean, measure, maintain, operate, and administer this service.

Major Objectives

- To provide sanitary sewer service for the residents and businesses of the City of Coeur d'Alene while maintaining our pristine Spokane River and Rathdrum Prairie Aquifer.
- Protect public health and our employees' safety in a fiscally responsible manner.
- Promote public awareness of the importance and value of clean water to our community.
- Think ahead and plan for the future. The City utilizes many of our original pipes and infrastructure. This type of investment has had huge returns within our community. We utilize modern technology to maintain this original equipment and ensure that the new equipment has a long, beneficial service life.

Fiscal Year 2023-24 Accomplishments

- Completion of the new Operations Control Center project which began in 2023.
- Completed replacement of a “belt filter press” installed in the late 90’s with a “centrifuge” (multi-year project).
- Improving the building odor control and truck “load out”. This will be completed next year.
- Worked with DEQ on the development of a new discharge permit.
- Began a multi-year project to replace the logic controllers throughout the treatment facility.
- Throughout the City, replaced several 6-inch sewer lines with 8-inch sewer.
- In the last year, the Wastewater Treatment Facility received over 3.5 million pounds of pollution (CBOD, TSS, Ammonia, and Phosphorous) and discharged 12,000 lbs. That’s a removal efficiency of 99.7%.

Fiscal Year 2024-25 Goals

- Completion of the Solids building expansion project, including improved odor control along the Centennial Trail.
- Begin rehabilitation of the “outfall pipe” which conveys our 3-stage, treated effluent water into the Spokane River.
- Design an expansion of our tertiary membrane filtration system, including adding a 6th “train” of membranes to provide redundancy to this critical equipment.
- Install an “in-ground” aeration system in the City’s Coeur d’Green Composting Facility.

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Drainage Fund

Program Description

This Utility is administered by the Streets & Engineering Director and two FTE's, Assistant Project Manager and a Lead Heavy Equipment Operator. Utility fees provide the funding for the assets, planning, engineering, construction and maintenance of the city's stormwater drainage systems.

Major Objectives

- To provide the utility rate payers with efficient and quality service
- Proactive maintenance versus reactive
- Reduce the amount of stormwater discharge to surface waters

Fiscal Year 2023-24 Accomplishments

- Increased the amount of street sweeping. (Recognized as the most effective best management practice in reducing pollutants from stormwater)
- Completed two infrastructure projects that reduced the volume of stormwater and pollutants from entering our surface waters
stormwater system
- Continued staff training to improve skills and knowledge

Fiscal Year 2024-25 Goals

- Complete additional stormwater volume reduction and phosphorous reduction projects
- Assess, update and perform maintenance of aging infrastructure
- Continue to reduce the volume of stormwater discharge to surface waters
- Complete asset inventory and update infrastructure map
- Continued compliance with IPDES (Idaho Pollutant Discharge Elimination System) permit requirements and prepare application for authorization to discharge as current permit expires on September 30, 2025

City of Coeur d'Alene, Idaho
Departmental Summary and Description
Street Capital Projects Fund

Program Description

To protect the health, safety, and welfare of the citizens of Coeur d'Alene through sound engineering and maintenance.

Continue efforts to improve the conditions of Coeur d'Alene's transportation system as well as execute capital projects aimed at reducing congestion, improving safety and providing mobility for all users.

Major Objectives

- ✓ Provide and maintain an efficient and safe multi-modal transportation systems for all users, ages and abilities
- ✓ Seek cost effective strategies to improve safety and operations
- ✓ Maintain adequate service levels
- ✓ Improve signal efficiency on priority corridors

Fiscal Year 2023-24 Accomplishments

- ✓ Completed construction of LHTAC LHSIP RRFB Project
- ✓ Completed construction of Public Transit Sidewalk Accessibility Project
- ✓ Awarded \$7.8M from LHTAC for Government Way signal and ADA upgrades
- ✓ Awarded \$5.7M from ITD for Atlas Road reconstruction from Seltice to Hanley
- ✓ Began final design of 15th Street Reconstruction
- ✓ Completed remodel of Streets & Engineering offices

Fiscal Year 2024-25 Goals

- ✓ Complete construction of Government Way signal and ADA upgrades
- ✓ Increase ADA improvements using in-house concrete crew
- ✓ Construct parking canopy for heavy equipment
- ✓ Begin design of Ramsey Road signal improvements
