

CITY OF COEUR D'ALENE PEDESTRIAN & BICYCLE ADVISORY COMMITTEE

WINTER NEWSLETTER

Downtown Coeur d'Alene

There is no better place than Coeur d'Alene for enjoying the lake life year-round. At the heart of our great city are restaurants, shops, and galleries along Sherman Avenue that create an accessible oasis for socializing, shopping, and fun. The Coeur d'Alene Pedestrian and Bicycle Advisory Committee wants to ensure that everyone accessing our beautiful downtown and its businesses can do so in an enjoyable and safe manner.

SNOW REMOVAL

Business owners are responsible for clearing all sidewalks abutting their property of snow and ice after a snowfall event so that citizens can use the sidewalks in a safe and convenient manner (for more information, reference Coeur d'Alene City Code 12.24.010). As a business owner, you are responsible for maintaining the safety and accessibility of your storefront.

For the well-being of our citizens with limited mobility: 

- Do not clear snow into, or pile it against, crosswalk buttons
- Do not pile plowed snow into handicap parking spaces or in areas that impede individuals from moving from a handicap parking space onto the sidewalk, like loading zones
- If there are icy areas on your sidewalk, treat them with sand or pet-friendly ice melt
- Train your staff EVERY YEAR to make sure your business is compliant.
