## 2024 Annual Report

# Coeur d'Alene Police Department

## *Message from the Chief:*

Over the past decade, crime has fallen at a significant rate in our City. I am extremely proud of the work done by the men and women of our police department to keep our community safe. The statistics in the following pages highlight that work.

This report does a great job of showcasing our efforts over the past year, and our Crime Analysis unit worked tirelessly to ensure that only verified, accurate data is included in this report. But what statistics often lack is context. Although these numbers are a great summary of what our officers and professional staff accomplished, they do little to explain the long hours and great sacrifice these numbers represent. The impact of helping people through crisis on a daily basis cannot be understated, and the men and women of the Coeur d'Alene Police Department exemplify the courage, compassion, and professionalism that it takes to truly keep a community safe.

Over the next year we hope to build on our past success through continued community engagement and proven programs, and we hope to continue successful programs such as the Opioid Task Force and the downtown bike and bar teams.

The members of the Coeur d'Alene Police Department care about our community and its visitors, and we will do our best to keep our community safe.

*Lee White*

# Coeur d'Alene Police: Volunteer Program

Volunteers spend time serving Investigations, Patrol, Records, Community Relations Unit and COPS (Citizens on Patrol) program.

Our 11 civilian volunteers spent just over 1,100 hours serving the department in 2024. During this time, they handled 562 abandoned vehicles and issued 345 parking related citations.

Volunteer efforts free up more officers for criminal investigations and patrol related duties, and we are very grateful for their efforts.
