### **EXPLORER PROGRAM**

## Police Explorer Program

The Explorer program is a division of the Boy Scouts of America and is sponsored by the Coeur d'Alene Police Department.

The program is designed for young people that want to give back to the community and may be interested in a career in law enforcement. Some of the services that Explorers provide are assisting at community functions, crime prevention, and traffic direction.

During the year, Explorers will have the opportunity to work directly with the Coeur d'Alene Police Department and, in doing so, gain knowledge and insight regarding medical emergencies, domestic disturbances, directing traffic, firearms training, crime scene processing, traffic stops, community engagement and others.

## Explorer Program Goals

- Engage in a program of activities centered on the five emphasis areas (career opportunities, life skills, service learning, character education, and leadership experience) to encourage development of the whole person
