Trespass Enforcement Program

If you need to report trespassers that are on your property, call the non-emergency number at 208-769-2320.

The Trespass Enforcement Program was created specifically for businesses to help with incidents of trespassing and loitering during non-business hours.

If you are having issues with trespassers on your property and would like help addressing the issue, please complete the Trespass Enforcement Request form. Please come to our office at 3818 Schreiber Way or contacting us by phone or e-mail (records@cdaid.org) if you need assistance completing the form.

Registering your property with the Coeur d'Alene Police Department allows officers to trespass an individual from your property when the business is closed, who does not have a legitimate reason to be there, without contacting the business owner or property manager first.

Reasonable requests to leave may be made in person or by posting “**NO TRESPASSING**” signs, which give reasonable notice prohibiting entry onto your property. The statement “**Violators will be prosecuted under I.C. 18-7008(8)**” must be printed on the sign. Signs must be placed at entryways and be highly visible.

The Trespass Warning Log is for the business owner/property manager to use and keep on-site. Please do not send these to the Police Department.

Multi-family properties and HOAs may participate, but they must have a common area (pool, basketball court, clubhouse, etc.) or retention basin/ park that is for use by the residents. Only those areas are covered; the individual residential units are not.

Trespass Enforcement Request Form

There are two (2) ways to submit a Trespass Enforcement Request Form:

1. Print and mail a completed form to the Coeur d'Alene Police Department, ATTN: Trespass Enforcement Program, 3818 Schreiber Way, Coeur d'Alene ID 83815
2. Come to the Police Department and sign the completed form in front of a Department employee after showing valid identification.

** Please take a moment to review the instructions for completing the form. If the form is not completed correctly, it will be returned to you. **

Because this is a court document, these are the only two (2) approved methods of completion.
