

NOVEMBER 3, 2026 PROPOSED FEES

The City is required to hold a public hearing for any proposed fee increase in excess of five percent (5%) pursuant to Idaho Code § 63-1311A. In addition, Idaho Code § 63-1311 provides that all fees for service shall be reasonably related to, but shall not exceed, the actual cost of the service being rendered. While some of the fees listed below are increasing less than 5%, are simply being clarified, and/or are being removed entirely, and therefore are not required to be included in the public hearing, it is Staff's desire to keep all changes together for ease of tracking.

Please note that crossed out items are being deleted while underlined items are the new proposed fees and text. All other fees not referenced will remain the same.
